- (2) provide for the proper storage, security, and maintenance of materials in the stockpile;
- (3) provide for the upgrading, refining, or processing of any material in the stockpile (notwithstanding any intermediate stockpile quantity established for such material) when necessary to convert such material into a form more suitable for storage, subsequent disposition, and immediate use in a national emergency;
- (4) provide for the rotation of any material in the stockpile when necessary to prevent deterioration or technological obsolescence of such material by replacement of such material with an equivalent quantity of substantially the same material or better material;
- (5) subject to the notification required by subsection (d)(2) of this section, provide for the timely disposal of materials in the stockpile that (A) are excess to stockpile requirements, and (B) may cause a loss to the Government if allowed to deteriorate; and
- (6) subject to the provisions of section 98d(b) of this title, dispose of materials in the stockpile the disposal of which is specifically authorized by law.

Except as provided in subsections (c) and (d) of this section, acquisition of strategic and critical materials under this subchapter shall be made in accordance with established Federal procurement practices, and, except as provided in subsections (c) and (d) of this section and in section 98f(a) of this title, disposal of strategic and critical materials from the stockpile shall be made in accordance with the next sentence. To the maximum extent feasible—

(2) efforts shall be made in the acquisition and disposal of such materials to avoid undue disruption of the usual markets of producers, processors, and consumers of such materials and to protect the United States against avoidable loss.

(c) Barter; use of stockpile materials as payment for expenses of acquiring, refining, processing, or rotating materials

(1) The President shall encourage the use of barter in the acquisition under subsection (a)(1) of this section of strategic and critical materials for, and the disposal under subsection (a)(5) or (a)(6) of this section of materials from, the stockpile when acquisition or disposal by barter is authorized by law and is practical and in the best interest of the United States.

(3) Notwithstanding section 98b(c) of this title or any other provision of law, whenever the President provides under subsection (a)(3) of this section for the upgrading, refining, or processing of a material in the stockpile to convert that material into a form more suitable for storage, subsequent disposition, and immediate use in a national emergency, the President may barter a portion of the same material (or any other material in the stockpile that is authorized for disposal) to finance that upgrading, refining, or processing.

(4) To the extent otherwise authorized by law, property owned by the United States may be bartered for materials needed for the stockpile.

AMENDMENTS

1996—Subsec. (a). Pub. L. 104-273, § 4(a), substituted “from persons who have entered into enforceable contracts to purchase an equivalent amount of crude helium from the Secretary” for “from the Secretary”.

Subsec. (b). Pub. L. 104-273, § 4(b), inserted “crude” before “helium” and inserted at end “Except as may be required by reason of subsection (a) of this section, sales of crude helium under this section shall be in amounts as the Secretary determines, in consultation with the helium industry, necessary to carry out this subsection with minimum market disruption.”

Subsec. (c). Pub. L. 104-273, § 4(c)(2), which directed the amendment of subsec. (c) by substituting “all funds required to be repaid to the United States as of October 1, 1995 under this section (referred to in this subsection as ‘repayable amounts’). The price at which crude helium is sold by the Secretary shall not be less than the amount determined by the Secretary by—” and pars. (1) and (2) for “together with interest as provided in this subsection” and all that followed through the end of the subsec., was executed by making the substitution for language which read “together with interest as provided in subsection (d) of this section, the following:” along with former pars. (1) to (3), to reflect the probable intent of Congress. Prior to amendment, pars. (1) to (3) read as follows:

“(1) Within twenty-five years from September 13, 1960, the net capital and retained earnings of the helium production fund (established under section 164 of this title prior to amendment by the Helium Act Amendments of 1960), determined by the Secretary as of September 13, 1960, plus any moneys expended thereafter by the Department of the Interior from funds provided in the Supplemental Appropriation Act, 1959, for construction of a helium plant at Keyes, Oklahoma;

“(2) Within twenty-five years from the date of borrowing, all funds borrowed, as provided in section 167j of this chapter, to acquire and construct helium plants and facilities; and

“(3) Within twenty-five years from September 13, 1960, unless the Secretary determines that said period should be extended for not more than ten years, all funds borrowed, as provided in section 167j of this title for all purposes other than those specified in clause (2) above.”

Pub. L. 104-273, § 4(c)(1), inserted “crude” after “Sales of”.

Subsec. (d). Pub. L. 104-273, § 4(d), inserted heading and amended text generally. Prior to amendment, text read as follows: “Compound interest on the amounts specified in clauses (1), (2), and (3) of subsection (c) of this section which have not been paid to the Treasury shall be calculated annually at rates determined by the Secretary of the Treasury taking into consideration the current average market yields of outstanding marketable obligations of the United States having maturities comparable to the investments authorized by this chapter, except that the interest rate on the amounts specified in clause (1) of subsection (c) of this section shall be determined as of Sept. 13, 1960, and the interest rate on the obligations specified in clauses (2) and (3) of subsection (c) of this section as of the time of each borrowing.”

Subsecs. (e), (f). Pub. L. 104-273, § 4(e), (f), redesignated subsec. (f) as (e)(1), added par. (2), and struck out former subsec. (e) which read as follows: “Helium shall be sold for medical purposes at prices which will permit its general use therefor; and all sales of helium to non-Federal purchasers shall be upon condition that the Federal Government shall have a right to repurchase helium so sold that has not been lost or dissipated, when needed for Government use, under terms and at prices established by regulations.”

PROC. NO. 6867. DECLARATION OF NATIONAL EMERGENCY AND INVOCATION OF EMERGENCY AUTHORITY RELATING TO REGULATION OF ANCHORAGE AND MOVEMENT OF VESSELS

Proc. No. 6867, Mar. 1, 1996, 61 F.R. 8843, provided:

WHEREAS, on February 24, 1996, Cuban military aircraft intercepted and destroyed two unarmed U.S.-registered civilian aircraft in international airspace north of Cuba;

WHEREAS the Government of Cuba has demonstrated a ready and reckless willingness to use excessive force, including deadly force, in the ostensible enforcement of its sovereignty;

WHEREAS, on July 13, 1995, persons in U.S.-registered vessels who entered into Cuban territorial waters suffered injury as a result of the reckless use of force against them by the Cuban military; and

WHEREAS the entry of U.S.-registered vessels into Cuban territorial waters could again result in injury to, or loss of life of, persons engaged in that conduct, due to the potential use of excessive force, including deadly force, against them by the Cuban military, and could threaten a disturbance in international relations;

NOW, THEREFORE, I, WILLIAM J. CLINTON, President of the United States of America, by the authority vested in me by the Constitution and the laws of the United States of America, including section 1 of title II of Public Law 65-24, ch. 30, June 15, 1917, as amended (50 U.S.C. 191), sections 201 and 301 of the National Emergencies Act (50 U.S.C. 1601 *et seq.*) [50 U.S.C. 1621, 1631], and section 301 of title 3, United States Code, find and do hereby proclaim that a national emergency does exist by reason of a disturbance or threatened disturbance of international relations. In order to address this national emergency and to secure the observance of the rights and obligations of the United States, I hereby authorize and direct the Secretary of Transportation (the “Secretary”) to make and issue such rules and regulations as the Secretary may find appropriate to regulate the anchorage and movement of vessels, and delegate to the Secretary my authority to approve such rules and regulations, as authorized by the Act of June 15, 1917 [see Tables for classification].

SECTION 1. The Secretary may make rules and regulations governing the anchorage and movement of any vessel, foreign or domestic, in the territorial waters of the United States, which may be used, or is susceptible of being used, for voyage into Cuban territorial waters and that may create unsafe conditions and threaten a disturbance of international relations. Any rule or regulation issued pursuant to this proclamation may be effective immediately upon issuance as such rule or regu-

lation shall involve a foreign affairs function of the United States.

SEC. 2. The Secretary is authorized to inspect any vessel, foreign or domestic, in the territorial waters of the United States, at any time; to place guards on any such vessel; and, with my consent expressly hereby granted, take full possession and control of any such vessel and remove the officers and crew, and all other persons not specifically authorized by the Secretary to go or remain on board the vessel when necessary to secure the rights and obligations of the United States.

SEC. 3. The Secretary may request assistance from such departments, agencies, officers, or instrumentalities of the United States as the Secretary deems necessary to carry out the purposes of this proclamation. Such departments, agencies, officers, or instrumentalities shall, consistent with other provisions of law and to the extent practicable, provide requested assistance.

SEC. 4. The Secretary may seek assistance from State and local authorities in carrying out the purposes of this proclamation. Because State and local assistance may be essential for an effective response to this emergency, I urge all State and local officials to cooperate with Federal authorities and to take all actions within their lawful authority necessary to prevent the unauthorized departure of vessels intending to enter Cuban territorial waters.

SEC. 5. All powers and authorities delegated by this proclamation to the Secretary may be delegated by the Secretary to other officers and agents of the United States Government unless otherwise prohibited by law.

SEC. 6. This proclamation shall be immediately transmitted to the Congress and published in the Federal Register.

IN WITNESS WHEREOF, I have hereunto set my hand this first day of March, in the year of our Lord nineteen hundred and ninety-six, and of the Independence of the United States of America the two hundred and twentieth.

WILLIAM J. CLINTON.

CONTINUATION OF NATIONAL EMERGENCY DECLARED BY PROC. NO. 6867

Notice of President of the United States, dated Feb. 24, 1999, 64 F.R. 9903, provided:

On March 1, 1996, by Proclamation 6867 [set out above], I declared a national emergency to address the disturbance or threatened disturbance of international relations caused by the February 24, 1996, destruction by the Government of Cuba of two unarmed U.S.-registered civilian aircraft in international airspace north of Cuba. In July 1996 and on subsequent occasions, the Government of Cuba stated its intent to forcefully defend its sovereignty against any U.S.-registered vessels or aircraft that might enter Cuban territorial waters or airspace while involved in a memorial flotilla and peaceful protest. Since these events, the Government of Cuba has not demonstrated that it will refrain from the future use of reckless and excessive force against U.S. vessels or aircraft that may engage in memorial activities or peaceful protest north of Cuba. Therefore, in accordance with section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)), I am continuing the national emergency with respect to Cuba and the emergency authority relating to the regulation of the anchorage and movement of vessels set out in Proclamation 6867.

This notice shall be published in the Federal Register and transmitted to the Congress.

WILLIAM J. CLINTON.

§ 401. Congressional declaration of purpose

In enacting this legislation, it is the intent of Congress to provide a comprehensive program for the future security of the United States; to provide for the establishment of integrated policies and procedures for the departments, agencies, and functions of the Government relating to the national security; to provide a Department of Defense, including the three military Departments of the Army, the Navy (including naval aviation and the United States Marine Corps), and the Air Force under the direction, authority, and control of the Secretary of Defense; to provide that each military department shall be separately organized under its own Secretary and shall function under the direction, authority, and control of the Secretary of Defense; to provide for their unified direction under civilian control of the Secretary of Defense but not to merge these departments or services; to provide for the establishment of unified or specified combatant commands, and a

clear and direct line of command to such commands; to eliminate unnecessary duplication in the Department of Defense, and particularly in the field of research and engineering by vesting its overall direction and control in the Secretary of Defense; to provide more effective, efficient, and economical administration in the Department of Defense; to provide for the unified strategic direction of the combatant forces, for their operation under unified command, and for their integration into an efficient team of land, naval, and air forces but not to establish a single Chief of Staff over the armed forces nor an overall armed forces general staff.

“(4) The proposed short-term uses of the political, economic, military, and other elements of national power for the United States to protect or promote the interests and to achieve the goals and objectives referred to in paragraph (1).

Accurate and timely information about the capabilities, intentions and activities of foreign powers, organizations, or persons and their agents is essential to informed decisionmaking in the areas of national defense and foreign relations. Collection of such information is a priority objective and will be pursued in a vigorous, innovative and responsible manner that is consistent with the Constitution and applicable law and respectful of the principles upon which the United States was founded.

2.2 PURPOSE

This Order is intended to enhance human and technical collection techniques, especially those undertaken abroad, and the acquisition of significant foreign intelligence, as well as the detection and countering of international terrorist activities and espionage conducted by foreign powers. Set forth below are certain general principles that, in addition to and consistent with applicable laws, are intended to achieve the proper balance between the acquisition of essential information and protection of individual interests. Nothing in this Order shall be construed to apply to or interfere with any authorized civil or criminal law enforcement responsibility of any department or agency.

2.3 COLLECTION OF INFORMATION

Agencies within the Intelligence Community are authorized to collect, retain or disseminate information concerning United States persons only in accordance with procedures established by the head of the agency concerned and approved by the Attorney General, consistent with the authorities provided by Part 1 of this Order. Those procedures shall permit collection, retention and dissemination of the following types of information:

(b) Information constituting foreign intelligence or counterintelligence, including such information concerning corporations or other commercial organizations. Collection within the United States of foreign intelligence not otherwise obtainable shall be undertaken by the FBI or, when significant foreign intelligence is sought, by other authorized agencies of the Intelligence Community, provided that no foreign intelligence collection by such agencies may be undertaken for the purpose of acquiring information concerning the domestic activities of United States persons;

2.4 COLLECTION TECHNIQUES

Agencies within the Intelligence Community shall use the least intrusive collection techniques feasible within the United States or directed against United States persons abroad. Agencies are not authorized to use such techniques as electronic surveillance, unconsented physical search, mail surveillance, physical surveillance, or monitoring devices unless they are in accordance with procedures established by the head of the agency concerned and approved by the Attorney General. Such procedures shall protect constitutional and other legal rights and limit use of such information to lawful governmental purposes. These procedures shall not authorize:

(c) Physical surveillance of a United States person in the United States by agencies other than the FBI, except for:

(1) Physical surveillance of present or former employees, present or former intelligence agency contractors or their present or former employees, or applicants for any such employment or contracting; and

(2) Physical surveillance of a military person employed by a nonintelligence element of a military service.

(d) Physical surveillance of a United States person abroad to collect foreign intelligence, except to obtain significant information that cannot reasonably be acquired by other means.

2.5 ATTORNEY GENERAL APPROVAL

The Attorney General hereby is delegated the power to approve the use for intelligence purposes, within the United States or against a United States person abroad, of any technique for which a warrant would be required if undertaken for law enforcement purposes, provided that such techniques shall not be undertaken unless the Attorney General has determined in each case that there is probable cause to believe that the

technique is directed against a foreign power or an agent of a foreign power. Electronic surveillance, as defined in the Foreign Intelligence Surveillance Act of 1978 [50 U.S.C. 1801 et seq.], shall be conducted in accordance with that Act, as well as this Order.

Such participation shall be authorized only if it is essential to achieving lawful purposes as determined by the agency head or designee. No such participation may be undertaken for the purpose of influencing the activity of the organization or its members except in cases where:

(a) The participation is undertaken on behalf of the FBI in the course of a lawful investigation; or

(b) The organization concerned is composed primarily of individuals who are not United States persons and is reasonably believed to be acting on behalf of a foreign power.

(j) Participation of Director of Central Intelligence

The Director of Central Intelligence (or, in the Director’s absence, the Deputy Director of Central Intelligence) may, in the performance of the Director’s duties under this Act and subject to the direction of the President, attend and participate in meetings of the National Security Council.

(i)² Special Adviser to the President on International Religious Freedom

It is the sense of the Congress that there should be within the staff of the National Security Council a Special Adviser to the President on International Religious Freedom, whose position should be comparable to that of a director within the Executive Office of the President. The Special Adviser should serve as a resource for executive branch officials, compiling and maintaining information on the facts and circumstances of violations of religious freedom (as defined in section 6402 of title 22), and making policy recommendations. The Special Adviser should serve as liaison with the Ambassador at Large for International Religious Freedom, the United States Commission on International Religious Freedom, Congress and, as advisable, religious nongovernmental organizations.

(a) In general

(1) In general

Except as provided in subsection (b) of this section, no project for the construction of any facility to be used primarily by personnel of any component of the intelligence community which has an estimated Federal cost in excess of \$750,000 may be undertaken in any fiscal year unless such project is specifically identified as a separate item in the President's annual fiscal year budget request and is specifically authorized by the Congress.

(2) Notification

In the case of a project for the construction of any facility to be used primarily by personnel of any component of the intelligence community which has an estimated Federal cost greater than \$500,000 but less than \$750,000, or where any improvement project to such a facility has an estimated Federal cost greater than \$500,000, the Director of Central Intelligence shall submit a notification to the intelligence committees specifically identifying such project.

(C) pay the cost of transporting the furniture and household and personal effects of an officer or employee of the Agency to his successive posts of duty and, on the termination of his services, to his residence at time of appointment or to a point not more distant, or, upon retirement, to the place where he will reside;

(D) pay the cost of packing and unpacking, transporting to and from a place of storage, and storing the furniture and household and personal effects of an officer or employee of the Agency, when he is absent from his post of assignment under orders, or when he is assigned to a post to which he cannot take or at which he is unable to use such furniture and household and personal effects, or when it is in the public interest or more economical to authorize storage; but in no instance shall the weight or volume of the effects stored together with the weight or volume of the effects transported exceed the maximum limitations fixed by regulations, when not otherwise fixed by law;

(2) Charge expenses in connection with travel of personnel, their dependents, and transportation of their household goods and personal effects, involving a change of permanent station, to the appropriation for the fiscal year current when any part of either the travel or transportation pertaining to the transfer begins pursuant to previously issued travel and transfer orders, notwithstanding the fact that such travel or transportation may not all be effected during such fiscal year, or the travel and transfer orders may have been issued during the prior fiscal year.

(3)(A) Order to any of the several States of the United States of America (including the District of Columbia, the Commonwealth of Puerto Rico, and any territory or possession of the United States) on leave of absence each officer or employee of the Agency who was a resident of the United States (as described above) at time of employment, upon completion of two years' continuous service abroad, or as soon as possible thereafter.

(B) While in the United States (as described in paragraph (3)(A) of this subsection)² on leave, the service of any officer or employee shall be available for work or duties in the Agency or elsewhere as the Director may prescribe; and the time of such work or duty shall not be counted as leave.

Not more than one motor vehicle of any officer or employee of the Agency may be transported under authority of this paragraph during any four-year period, except that, as a replacement for such motor vehicle, one additional motor vehicle of any such officer or employee may be so transported during such period upon approval, in advance, by the Director and upon a determination, in advance, by the Director that such replacement is necessary for reasons beyond the control of the officer or employee and is in the interest of the Government. After the expiration of a period of four years following the date of transportation under authority of this paragraph of a privately owned motor vehicle of any officer or employee who has remained in continuous service outside the several States of the United States of America, excluding Alaska and Hawaii, but including the District of Columbia, during such period, the transportation of a replacement for such motor vehicle for such officer or employee may be authorized by the Director in accordance with this paragraph.

Violation of such agreement for personal convenience of an employee or because of separation for misconduct will bar such return payments and, if determined by the Director or his designee to be in the best interests of the United States, any money expended by the United States on account of such travel and transportation shall be considered as a debt due by the individual concerned to the United States.

Rates for allowances and benefits under this paragraph may not be set at rates in excess of those authorized by section 5724 and 5724a of title 5 when reimbursement is provided for relocation attributable, in whole or in part, to relocation within the United States.

(b) Appointment; supervision; removal

(1) There shall be at the head of the Office an Inspector General who shall be appointed by the President, by and with the advice and consent of the Senate. This appointment shall be made without regard to political affiliation and shall be solely on the basis of integrity, compliance with the security standards of the Agency, and prior experience in the field of foreign intelligence. Such appointment shall also be made on the basis of demonstrated ability in accounting, financial analysis, law, management analysis, public administration, or auditing.

(2) The Inspector General shall report directly to and be under the general supervision of the Director.

(4) If the Director exercises any power under paragraph (3), he shall submit an appropriately classified statement of the reasons for the exercise of such power within seven days to the intelligence committees. The Director shall advise the Inspector General at the time such report is submitted, and, to the extent consistent with the protection of intelligence sources and methods, provide the Inspector General with a copy of any such report. (6) The Inspector General shall be provided with appropriate and adequate office space at central and field office locations, together with such equipment, office supplies, maintenance services, and communications facilities and services as may be necessary for the operation of such offices.

(7) Subject to applicable law and the policies of the Director, the Inspector General shall select, appoint and employ such officers and employees as may be necessary to carry out his functions. Eff. July 9, 1950, 15 F.R. 4366, 64 Stat. 1280

Prepared by the President and transmitted to the Senate and the House of Representatives in Congress assembled, May 9, 1950, pursuant to the provisions of the Reorganization Act of 1949, approved June 20, 1949 [see 5 U.S.C. 901 et seq.].

NATIONAL SECURITY RESOURCES BOARD

SECTION 1. FUNCTIONS OF CHAIRMAN AND OF BOARD

The functions of the National Security Resources Board are hereby transferred to the Chairman of the National Security Resources Board, and the Board shall hereafter advise and consult with the Chairman with respect to such matters within his jurisdiction as he may request.

SEC. 2. VICE CHAIRMAN

There is hereby established the office of Vice Chairman of the National Security Resources Board. Such Vice Chairman shall (1) be an additional member of the National Security Resources Board, (2) be appointed from civilian life by the President, by and with the advice and consent of the Senate, (3) receive compensation at the rate of \$16,000 per annum, and (4) perform such of the duties of the Chairman as the Chairman shall designate.

SEC. 3. PERFORMANCE OF FUNCTIONS OF CHAIRMAN

The Chairman may from time to time make such provisions as he shall deem appropriate authorizing the performance by any other officer, or by any agency or employee, of the National Security Resources Board of any function of the Chairman.

MESSAGE OF THE PRESIDENT

To the Congress of the United States:

I transmit herewith Reorganization Plan No. 25 of 1950, prepared in accordance with the provisions of the Reorganization Act of 1949. The plan transfers the function of the National Security Resources Board from the Board to the Chairman of the Board and makes the Board advisory to the Chairman. The plan also provides for a Vice Chairman, appointed by the President and confirmed by the Senate.

The function assigned to the National Security Resources Board by the National Security Act of 1947 is "to advise the President concerning the coordination of military, industrial and civilian mobilization." Proper performance of this function requires action by the Board and its staff in two broad areas:

(1) The conduct of advance mobilization planning which identifies the problems which will arise and the measures necessary to meet these problems if and when the Nation moves from a peacetime into a wartime situation.

(2) The formulation of current policies and programs which will help the Nation achieve an adequate state of readiness against the eventuality of a future war.

The role assigned the National Security Resources Board is clearly one of staff assistance to the President. The Congress recently recognized this fact in its approval of Reorganization Plan No. 4 of 1949 which, pursuant to the specific recommendation of the Hoover Commission, placed the National Security Resources Board in the Executive Office of the President.

The accompanying reorganization plan is designed to make the National Security Resources Board a more effective instrument. Successful performance of the Board's mission requires a wide range of detailed study and analysis to cover all the major aspects of national mobilization. A committee of department heads or departmental representatives encounters some natural difficulties in providing supervision and leadership in such an extensive and detailed activity. The Chairman has the difficult task of exercising discretion as to which matters shall be submitted for Board approval. The departmental members of the Board cannot possibly supervise or approve the Board's extensive and detailed activities and yet, as Board members, must accept ultimate responsibility for all such activities. Likewise, the departmental members are encumbered by the difficulty of having to reach collective and speedy decisions on a great many matters for which they, as Board members, are responsible.

By vesting the functions of the Board in the Chairman, the difficulties of Board operation will be over-

come. At the same time, the reorganization plan provides for the continued participation of the several departments and agencies in the task of mobilization planning. This is not only a matter of established policy but also a requirement of the National Security Act. The departments will continue to have representation on the Board. The Board, in an advisory relationship to the Chairman, will be a useful arrangement for obtaining the necessary participation of departments in mobilization planning and for coordination of their activity. It will enable the departments to keep abreast of the total range of security resources planning. Without reliance on the departments for the execution of much of the actual job of mobilization planning, coordination with the total range of governmental policies and objectives would be lost.

The Congress in passing the National Security Act Amendments of 1949 recognized the difficulty which exists when functions of staff advice and assistance are placed in a board-type agency. The National Security Act Amendments of 1949, in clarifying the role of the Chairman of the Munitions Board and the Research and Development Board, strengthened and increased the effectiveness of these staff agencies of the Secretary of Defense by providing for the exclusive exercise of responsibilities by the Chairman. This plan achieves the same objective for the National Security Resources Board.

The accompanying reorganization plan provides for a Vice Chairman appointed by the President and confirmed by the Senate. The tremendous responsibilities of the National Security Resources Board and the heavy workload on the Chairman fully warrant this. Providing the Chairman with a principal associate for the exercise of his responsibilities is consistent with the usual practice in other agencies of the executive branch.

After investigation I have found and hereby declare that each reorganization included in Reorganization Plan No. 25 of 1950 is necessary to accomplish one or more of the purposes set forth in section 2(a) of the Reorganization Act of 1949.

I have found and hereby declare that it is necessary to include in the accompanying reorganization plan, by reason of reorganizations made thereby, provisions for the appointment and compensation of a Vice Chairman of the National Security Resources Board. The rate of compensation fixed for this officer is that which I have found to prevail in respect of comparable officers in the executive branch of the Government.

The taking effect of the reorganizations included in Reorganization Plan No. 25 may not in itself result in substantial immediate savings. However, the important objective is maximum effectiveness in security resources planning.

The security of this Nation requires that these steps be taken to enable security resources planning to move forward more effectively. It is for that reason that Reorganization Plan No. 25 is today submitted to the Congress. It is for that reason, and that reason alone, that I strongly urge congressional acceptance of Reorganization Plan No. 25.

HARRY S. TRUMAN.

THE WHITE HOUSE, May 9, 1950.

[For subsequent history relating to Office of Defense Mobilization, see notes set out under this section.]

MESSAGE OF THE PRESIDENT

To the Congress of the United States:

I transmit herewith Reorganization Plan No. 4 of 1953, prepared in accordance with the provisions of the Reorganization Act of 1949, as amended.

The reorganization plan is designed to achieve two primary objectives: The first is to improve the organization of the Executive Office of the President; the second is to enable one Executive Office agency to exercise strong leadership in our national mobilization effort, including both current defense activities and readiness for any future national emergency.

The National Security Resources Board was established by the National Security Act of 1947 to advise the President concerning various aspects of future military, industrial, and civilian mobilization. The areas of responsibility assigned to the Board included the use of national and industrial resources for military and civilian needs; the sufficiency of productive facilities; the strategic relocation of industries; the mobilization and maximum utilization of manpower; and the maintenance and stabilization of the civilian economy.

The vigorous and efficient discharge of these vital functions is not well served by the simultaneous existence in the Executive Office of the President of the National Security Resources Board (charged with planning for the future) and the present Office of Defense Mobilization (charged with programs of the present). The progress of the current mobilization effort has made plain how artificial is the present separation of these functions.

Both functions should now be combined into one defense mobilization agency. Accordingly, the reorganization plan would create in the Executive Office of the

President a new agency, to be known as the Office of Defense Mobilization. It would transfer to the new Office the functions of the Chairman of the National Security Resources Board and abolish that Board, including the offices of Chairman and Vice Chairman.

The reorganization plan also transfers to the new agency the statutory functions of the present Office of Defense Mobilization. These are of a minor nature, the major functions of the present Office of Defense Mobilization having been delegated to it by the President, principally under the Defense Production Act of 1950, as amended. It is my intention to transfer the latter functions to the new agency by Executive order, and to abolish the Office of Defense Mobilization established by Executive Order No. 10193. There will thus result a new agency which combines the activities of the National Security Resources Board and both the statutory and delegated functions of the heretofore existing Office of Defense Mobilization.

The proposed plan would also reorganize various activities relating to the stockpiling of strategic and critical materials. Those activities are principally provided for in the Strategic and Critical Materials Stock Piling Act, as amended. It has become increasingly apparent that the policy and program aspects of stockpiling are an integral part of mobilization planning. They should not be administered separately from plant expansion, conservation of materials, and materials procurement under the Defense Production Act of 1950, or from the duties placed in the National Security Resources Board by the National Security Act of 1947. Therefore, the reorganization plan would transfer to the Director of the new Office of Defense Mobilization responsibility for major stockpiling actions, including the determination of the nature and quantities of materials to be stockpiled. In the main, these functions are transferred from the Secretaries of the Army, Navy, and Air Force (acting jointly through the agency of the Munitions Board) and the Secretary of the Interior. The duties of the Administrator of General Services regarding the purchase of strategic and critical materials and the management of stockpiles are not affected by the reorganization plan, except that he will receive his directions, under the plan, from the Director of the Office of Defense Mobilization instead of from the Department of Defense.

This transfer of stockpiling functions will correct the present undesirable confusion of responsibilities. The functions of the heads of the military departments of the Department of Defense and the Secretary of the Interior under the Strategic and Critical Materials Stock Piling Act, as amended, are at present in considerable measure subject to other authority of delegates of the President springing from the Defense Production Act of 1950, as amended. The allocation and distribution of scarce materials among essential civilian and military activities and the continued maintenance of adequate stockpiles of strategic and critical materials are of major current importance. The reorganization plan will make possible more effective coordination and close control over the Government's whole stockpile program. It will speed decisions. It can result in significant economies.

The Department of Defense will, of course, continue to be responsible for presenting the needs of the military services. That Department and the Department of the Interior are specifically designated in the plan as additional agencies which shall appoint representatives to cooperate with the Director of the Office of Defense Mobilization in determining which materials are strategic and critical and how much of them is to be purchased. Final authority with regard to such determination will, however, be in the Director of the Office of Defense Mobilization.

Section 5(a) of the reorganization plan withholds from transfer to the Director and abolishes the functions of the Chairman of the National Security Resources Board with regard to being consulted by and furnishing advice to the President concerning the placing of orders of mandatory precedence for articles or

materials for the use of the armed forces of the United States or for the use of the Atomic Energy Commission, and with regard to determining that a plant, mine, or other facility can be readily converted to the production or furnishing of such articles or materials. These abolished functions were vested in the National Security Resources Board by section 18 of the Selective Service Act of 1948 (later renamed as the Universal Military Training and Service Act) and were transferred to the Chairman of that Board by Reorganization Plan No. 25 of 1950. The practical effect of this abolition is to obviate a statutory mandate that the President consult and advise with another officer of the executive branch of the Government.

Section 5(b) of the reorganization plan abolishes the direction, authority, and control of the Secretary of Defense over functions transferred from the Department of Defense by the reorganization plan. The Secretary's functions in this regard are provided for in section 202(b) of the National Security Act of 1947, as amended (5 U.S.C. 171a(b)) [see 10 U.S.C. 113(b)].

Section 5(c) of the reorganization plan abolishes any functions which were vested in the Army and Navy Munitions Board or which are vested in the Munitions Board with respect to serving as the agent through which the Secretaries of the Army, Navy, Air Force, and the Interior jointly act in determining which materials are strategic and critical under the provisions of the Strategic and Critical Materials Stock Piling Act, as amended, and the quality and quantities of such materials to be stockpiled. These abolished functions are provided for in section 2(a) of the Strategic and Critical Materials Stock Piling Act, as amended.

After investigation I have found and hereby declare that each reorganization included in Reorganization Plan No. 3 of 1953 is necessary to accomplish one or more of the purposes set forth in section 2(a) of the Reorganization Act of 1949, as amended. I have also found and hereby declare that by reason of these reorganizations it is necessary to include in the reorganization plan provisions for the appointment and compensation of a Director and a Deputy Director of the Office of Defense Mobilization. The rates of compensation fixed for these officers are, respectively, those which I have found to prevail in respect of comparable officers of the executive branch of the Government.

The reorganization plan will permit better organization and management of the Federal programs relating to materials and requirements and will thus help to achieve the maximum degree of mobilization readiness at the least possible cost. It is not practicable, however, to itemize, in advance of actual experience, the reductions of expenditures to be brought about by the taking effect of the reorganizations included in Reorganization Plan No. 3 of 1953.

I urge that the Congress allow the proposed reorganization plan to become effective.

(c) Disclosure of information by persons in course of pattern of activities intended to identify and expose covert agents

Whoever, in the course of a pattern of activities intended to identify and expose covert agents and with reason to believe that such activities would impair or impede the foreign intelligence activities of the United States, discloses any information that identifies an individual as a covert agent to any individual not authorized to receive classified information, knowing that the information disclosed so identifies such individual and that the United States is taking affirmative measures to conceal such individual's classified intelligence relationship to the United States, shall be fined not more than \$15,000 or imprisoned not more than three years, or both.

SUBCHAPTER REFERRED TO IN OTHER SECTIONS

This subchapter is referred to in section 411 of this title; title 44 section 3511.

§ 431. Exemption of certain operational files from search, review, publication, or disclosure

(a) Exemption by Director of Central Intelligence

Operational files of the Central Intelligence Agency may be exempted by the Director of Central Intelligence from the provisions of section 552 of title 5 (Freedom of Information Act) which require publication or disclosure, or search or review in connection therewith.

(b) “Operational files” defined

For the purposes of this title the term “operational files” means—

(1) files of the Directorate of Operations which document the conduct of foreign intelligence or counterintelligence operations or intelligence or security liaison arrangements or information exchanges with foreign governments or their intelligence or security services;

(2) files of the Directorate for Science and Technology which document the means by which foreign intelligence or counterintelligence is collected through scientific and technical systems; and

(3) files of the Office of Personnel Security which document investigations conducted to determine the suitability of potential foreign intelligence or counterintelligence sources;

except that files which are the sole repository of disseminated intelligence are not operational files.

(c) Search and review for information

Notwithstanding subsection (a) of this section, exempted operational files shall continue to be subject to search and review for information concerning—

(1) United States citizens or aliens lawfully admitted for permanent residence who have requested information on themselves pursuant to the provisions of section 552 of title 5 (Freedom of Information Act) or section 552a of title 5 (Privacy Act of 1974);

(1) Files that are not exempted under subsection (a) of this section which contain information derived or disseminated from exempted operational files shall be subject to search and review.

(2) The inclusion of information from exempted operational files in files that are not exempted under subsection (a) of this section shall not affect the exemption under subsection (a) of this section of the originating operational files from search, review, publication, or disclosure.

(3) Records from exempted operational files which have been disseminated to and referenced in files that are not exempted under subsection (a) of this section and which have been returned to exempted operational files for sole retention shall be subject to search and review.

(e) Superseding of prior law

The provisions of subsection (a) of this section shall not be superseded except by a provision of law which is enacted after October 15, 1984, and which specifically cites and repeals or modifies its provisions.

(f) Allegation; improper withholding of records; judicial review

Whenever any person who has requested agency records under section 552 of title 5 (Freedom of Information Act), alleges that the Central Intelligence Agency has improperly withheld records because of failure to comply with any provision of this section, judicial review shall be available under the terms set forth in section 552(a)(4)(B) of title 5, except that—

(1) in any case in which information specifically authorized under criteria established by an Executive order to be kept secret in the interest of national defense or foreign relations which is filed with, or produced for, the court by the Central Intelligence Agency, such information shall be examined ex parte, in camera by the court;

(2) the court shall, to the fullest extent practicable, determine issues of fact based on sworn written submissions of the parties;

(3) when a complaint alleges that requested records were improperly withheld because of improper placement solely in exempted operational files, the complainant shall support such allegation with a sworn written submission, based upon personal knowledge or otherwise admissible evidence;

(4)(A) when a complainant alleges that requested records were improperly withheld because of improper exemption of operational files, the Central Intelligence Agency shall meet its burden under section 552(a)(4)(B) of title 5 by demonstrating to the court by sworn written submission that exempted operational files likely to contain responsive records currently perform the functions set forth in subsection (b) of this section; and

(B) the court may not order the Central Intelligence Agency to review the content of any exempted operational file or files in order to make the demonstration required under subparagraph (A) of this paragraph, unless the complainant disputes the Central Intelligence Agency's showing with a sworn written submission based on personal knowledge or otherwise admissible evidence;

(5) in proceedings under paragraphs (3) and (4) of this subsection, the parties shall not obtain discovery pursuant to rules 26 through 36 of the Federal Rules of Civil Procedure, except that requests for admission may be made pursuant to rules 26 and 36;

(6) if the court finds under this subsection that the Central Intelligence Agency has improperly withheld requested records because of failure to comply with any provision of this section, the court shall order the Central Intelligence Agency to search and review the appropriate exempted operational file or files for the requested records and make such records, or portions thereof, available in accordance with the provisions of section 552 of title 5 (Freedom of Information Act), and such order shall be the exclusive remedy for failure to comply with this section; and

(7) if at any time following the filing of a complaint pursuant to this subsection the Central Intelligence Agency agrees to search the appropriate exempted operational file or files for the requested records, the court shall dismiss the claim based upon such complaint.

SUBCHAPTER VI—ACCESS TO CLASSIFIED INFORMATION

§ 435. Procedures

(a) Not later than 180 days after October 14, 1994, the President shall, by Executive order or regulation, establish procedures to govern access to classified information which shall be binding upon all departments, agencies, and offices of the executive branch of Government. Such procedures shall, at a minimum—

(1) provide that, except as may be permitted by the President, no employee in the executive branch of Government may be given access to classified information by any department, agency, or office of the executive branch of Government unless, based upon an appropriate background investigation, such access is determined to be clearly consistent with the national security interests of the United States;

(2) establish uniform minimum requirements governing the scope and frequency of background investigations and reinvestigations for all employees in the executive branch of Government who require access to classified information as part of their official responsibilities;

(3) provide that all employees in the executive branch of Government who require access to classified information shall be required as a condition of such access to provide to the employing department or agency written consent which permits access by an authorized investigative agency to relevant financial records, other financial information, consumer reports, and travel records, as determined by the President, in accordance with section 436 of this title, during the period of access to classified information and for a period of three years thereafter;

(4) provide that all employees in the executive branch of Government who require access to particularly sensitive classified information, as determined by the President, shall be required, as a condition of maintaining access to such information, to submit to the employing department or agency, during the period of such access, relevant information concerning their financial condition and foreign travel, as determined by the President, as may be necessary to ensure appropriate security; and

(5) establish uniform minimum standards to ensure that employees in the executive branch of Government whose access to classified information is being denied or terminated under this subchapter are appropriately advised of the reasons for such denial or termination and are provided an adequate opportunity to respond to all adverse information which forms the basis for such denial or termination before final action by the department or agency concerned.

(b)(1) Subsection (a) of this section shall not be deemed to limit or affect the responsibility

and power of an agency head pursuant to other law or Executive order to deny or terminate access to classified information if the national security so requires. Such responsibility and power may be exercised only when the agency head determines that the procedures prescribed by subsection (a) of this section cannot be invoked in a manner that is consistent with the national security.

(2) Upon the exercise of such responsibility, the agency head shall submit a report to the Permanent Select Committee on Intelligence of the House of Representatives and the Select Committee on Intelligence of the Senate.

(July 26, 1947, ch. 343, title VIII, §801, as added Pub. L. 103-359, title VIII, §802(a), Oct. 14, 1994, 108 Stat. 3435.)

Such form or agreement shall, at a minimum—

“(2) provide that the form or agreement does not bar—

“(A) disclosures to Congress; or

“(B) disclosures to an authorized official of an executive agency that are deemed essential to reporting a violation of United States law.”

COMMISSION ON PROTECTING AND REDUCING GOVERNMENT SECRECY

Pub. L. 103-236, title IX, Apr. 30, 1994, 108 Stat. 525, provided that:

“SEC. 901. SHORT TITLE.

“This title may be cited as the ‘Protection and Reduction of Government Secrecy Act’.

“SEC. 902. FINDINGS.

“The Congress makes the following findings:

“(1) During the Cold War an extensive secrecy system developed which limited public access to information and reduced the ability of the public to participate with full knowledge in the process of governmental decisionmaking.

“(2) In 1992 alone 6,349,532 documents were classified and approximately three million persons held some form of security clearance.

“(3) The burden of managing more than 6 million newly classified documents every year has led to tremendous administrative expense, reduced communication within the government and within the scientific community, reduced communication between the government and the people of the United States, and the selective and unauthorized public disclosure of classified information.

“(4) It has been estimated that private businesses spend more than \$14 billion each year implementing government mandated regulations for protecting classified information.

“(5) If a smaller amount of truly sensitive information were classified the information could be held more securely.

“(6) In 1970 a Task Force organized by the Defense Science Board and headed by Dr. Frederick Seitz concluded that ‘more might be gained than lost if our Nation were to adopt—unilaterally, if necessary—a policy of complete openness in all areas of information’.

“(7) The procedures for granting security clearances have themselves become an expensive and inefficient part of the secrecy system and should be closely examined.

“(8) A bipartisan study commission specially constituted for the purpose of examining the consequences of the secrecy system will be able to offer comprehensive proposals for reform.

“SEC. 903. PURPOSE.

“It is the purpose of this title to establish for a two-year period a Commission on Protecting and Reducing Government Secrecy—

“(1) to examine the implications of the extensive classification of information and to make recommendations to reduce the volume of information classified and thereby to strengthen the protection of legitimately classified information; and

“(2) to examine and make recommendations concerning current procedures relating to the granting of security clearances.

“SEC. 904. COMPOSITION OF THE COMMISSION.

“(a) ESTABLISHMENT.—To carry out the purpose of this title, there is established a Commission on Protecting and Reducing Government Secrecy (in this title referred to as the ‘Commission’).

“(b) COMPOSITION.—The Commission shall be composed of twelve members, as follows:

“(1) Four members appointed by the President, of whom two shall be appointed from the executive branch of the Government and two shall be appointed from private life.

“(2) Two members appointed by the Majority Leader of the Senate, of whom one shall be a Member of the Senate and one shall be appointed from private life.

“(3) Two members appointed by the Minority Leader of the Senate, of whom one shall be a Member of the Senate and one shall be appointed from private life.

“(4) Two members appointed by the Speaker of the House of Representatives, of whom one shall be a Member of the House and one shall be appointed from private life.

“(5) Two members appointed by the Minority Leader of the House of Representatives, of whom one shall be a Member of the House and one shall be appointed from private life.

“(c) CHAIRMAN.—The Commission shall elect a Chairman from among its members.

“(d) QUORUM; VACANCIES.—After its initial meeting, the Commission shall meet upon the call of the Chairman or a majority of its members. Seven members of the Commission shall constitute a quorum. Any vacancy in the Commission shall not affect its powers but shall be filled in the same manner in which the original appointment was made.

“(e) APPOINTMENT OF MEMBERS; INITIAL MEETING.—(1) It is the sense of the Congress that members of the Commission should be appointed not later than 60 days after the date of enactment of this title [Apr. 30, 1994].

“(2) If after 60 days from the date of enactment of this Act seven or more members of the Commission have been appointed, those members who have been appointed may meet and select a Chairman who thereafter shall have authority to begin the operations of the Commission, including the hiring of staff.

“SEC. 905. FUNCTIONS OF THE COMMISSION.

“The functions of the Commission shall be—

NOW, THEREFORE, under and by virtue of the authority vested in me by the Constitution and statutes of the United States, and as President of the United States and as Commander in Chief of the armed forces of the United States, it is hereby ordered as follows:

SECTION 1. When used in this order, the term “head of a department” means the Secretary of State, the Secretary of Defense, the Secretary of Transportation, the Secretary of Energy, the Nuclear Regulatory Commission, the Administrator of the National Aeronautics and Space Administration, and, in section 4, the Attorney General. The term “head of a department” also means the head of any department or agency, including but not limited to those referenced above with whom the Department of Defense makes an agreement to extend regulations prescribed by the Secretary of Defense concerning authorizations for access to classified information pursuant to Executive Order No. 12829 [set out below].

SEC. 2. An authorization for access to classified information pursuant to Executive Order No. 12829 [set out below] may be granted by the head of a department or his designee, including but not limited to, those officials named in section 8 of this order, to an individual,

hereinafter termed an “applicant”, for a specific classification category only upon a finding that it is clearly consistent with the national interest to do so.

SEC. 3. Except as provided in section 9 of this order, an authorization for access to a specific classification category may not be finally denied or revoked pursuant to Executive Order No. 12829 [set out below] by the head of a department or his designee, including, but not limited to, those officials named in section 8 of this order, unless the applicant has been given the following:

(1) A written statement of the reasons why his access authorization may be denied or revoked, which shall be as comprehensive and detailed as the national security permits.

(2) A reasonable opportunity to reply in writing under oath or affirmation to the statement of reasons.

(3) After he has filed under oath or affirmation a written reply to the statement of reasons, the form and sufficiency of which may be prescribed by regulations issued by the head of the department concerned, an opportunity to appear personally before the head of the department concerned or his designee including, but not limited to, those officials named in section 8 of this order for the purpose of supporting his eligibility for access authorization and to present evidence on his behalf.

(4) A reasonable time to prepare for that appearance.

(6) An opportunity to cross-examine persons either orally or through written interrogatories in accordance with section 4 on matters not relating to the characterization in the statement of reasons of any organization or individual other than the applicant.

SEC. 4. (a) An applicant shall be afforded an opportunity to cross-examine persons who have made oral or written statements adverse to the applicant relating to a controverted issue except that any such statement may be received and considered without affording such opportunity in the circumstances described in either of the following paragraphs:

(1) The head of the department supplying the statement certifies that the person who furnished the information is a confidential informant who has been engaged in obtaining intelligence information for the Government and that disclosure of his identity would be substantially harmful to the national interest.

(2) The head of the department concerned or his special designee for that particular purpose has preliminarily determined, after considering information furnished by the investigative agency involved as to the reliability of the person and the accuracy of the statement concerned, that the statement concerned appears to be reliable and material, and the head of the department or such special designee has determined that failure to receive and consider such statement would, in view of the level of access sought, be substantially harmful to the national security and that the person who furnished the information cannot appear to testify (A) due to death, severe illness, or similar cause, in which case the identity of the person and the information to be considered shall be made available to the applicant, or (B) due to some other cause determined by the head of the department to be good and sufficient.

(b) Whenever procedures under paragraphs (1) or (2) of subsection (a) of this section are used (1) the applicant shall be given a summary of the information which shall be as comprehensive and detailed as the national security permits, (2) appropriate consideration shall be accorded to the fact that the applicant did not have an opportunity to cross-examine such person or persons, and (3) a final determination adverse to the applicant shall be made only by the head of the department based upon his personal review of the case.

SEC. 5. (a) Records compiled in the regular course of business, or other physical evidence other than inves-

(b) Records compiled in the regular course of business, or other physical evidence other than investigative reports, relating to a controverted issue which, because they are classified, may not be inspected by the applicant, may be received and considered provided that: (1) the head of the department concerned or his special designee for that purpose has made a preliminary determination that such physical evidence appears to be material, (2) the head of the department concerned or such designee has made a determination that failure to receive and consider such physical evidence would, in view of the level of access sought, be substantially harmful to the national security, and (3) to the extent that the national security permits, a summary or description of such physical evidence is made available to the applicant. In every such case, information as to the authenticity and accuracy of such physical evidence furnished by the investigative agency involved shall be considered. In such instances a final determination adverse to the applicant shall be made only by the head of the department based upon his personal review of the case.

SEC. 6. The head of a department of the United States or his representative, may issue, in appropriate cases, invitations and requests to appear and testify in order that the applicant may have the opportunity to cross-examine as provided by this order. Whenever a witness is so invited or requested to appear and testify at a proceeding and the witness is an officer or employee of the executive branch of the Government or a member of the armed forces of the United States, and the proceeding involves the activity in connection with which the witness is employed, travel expenses and per diem are authorized as provided by the Standardized Government Travel Regulations or the Joint Travel Regulations, as appropriate. In all other cases (including non-Government employees as well as officers or employees of the executive branch of the Government or members of the armed forces of the United States not covered by the foregoing sentence), transportation in kind and reimbursement for actual expenses are authorized in an amount not to exceed the amount payable under Standardized Government Travel Regulations. An officer or employee of the executive branch of the Government or a member of the armed forces of the United States who is invited or requested to appear pursuant to this paragraph shall be deemed to be in the performance of his official duties. So far as the national security permits, the head of the investigative agency involved shall cooperate with the Secretary, the Administrator, or the head of the other department or agency, as the case may be, in identifying persons who have made statements adverse to the applicant and in assisting him in making them available for cross-examination. If a person so invited is an officer or employee of the executive branch of the government or a member of the armed forces of the United States, the head of the department or agency concerned shall cooperate in making that person available for cross-examination.

SEC. 7. Any determination under this order adverse to an applicant shall be a determination in terms of the national interest and shall in no sense be a determination as to the loyalty of the applicant concerned.

SEC. 8. Except as otherwise specified in the preceding provisions of this order, any authority vested in the head of a department by this order may be delegated to the the [sic] deputy of that department, or the principal assistant to the head of that department, as the case may be.

SEC. 9. Nothing contained in this order shall be deemed to limit or affect the responsibility and powers of the head of a department to deny or revoke access to

a specific classification category if the security of the nation so requires. Such authority may not be delegated and may be exercised only when the head of a department determines that the procedures prescribed in sections 3, 4, and 5 cannot be invoked consistently with the national security and such determination shall be conclusive.

EX. ORD. NO. 11932. CLASSIFICATION OF CERTAIN INFORMATION AND MATERIAL OBTAINED FROM ADVISORY BODIES CREATED TO IMPLEMENT THE INTERNATIONAL ENERGY PROGRAM

Ex. Ord. No. 11932, Aug. 4, 1976, 41 F.R. 32691, provided:

The United States has entered into the Agreement on an International Energy Program of November 18, 1974, which created the International Energy Agency. This program is a substantial factor in the conduct of our foreign relations and an important element of our national security. The effectiveness of the Agreement depends significantly upon the provision and exchange of information and material by participants in advisory bodies created by the International Energy Agency. Confidentiality is essential to assure the free and open discussion necessary to accomplish the tasks assigned to those bodies. I have consulted with the Secretary of State, the Attorney General and the Administrator of the Federal Energy Administration concerning the handling and safeguarding of information and material in the possession of the United States which has been obtained pursuant to the program, and I find that some of such information and material requires protection as provided in Executive Order No. 11652 of March 8, 1972, as amended [formerly set out above].

The Secretary of State shall have the responsibility for the classification, declassification,

sification and safeguarding of information and material in the possession of the United States Government which has been obtained pursuant to:

(a) Section 252(c)(3), (d)(2), or (e)(3) of the Energy Policy and Conservation Act (89 Stat. 871; 42 U.S.C. 6272(c)(3), (d)(2), (e)(3)), or

(b) The Voluntary Agreement and Program relating to the International Energy Program (40 F.R. 16041, April 8, 1975), or

(c) Any similar Voluntary Agreement and Program entered into under the Energy Policy and Conservation Act [42 U.S.C. 6201 *et seq.*] after the date of this Order.

SEC. 2. Information or material classified pursuant to Section 1 of this Order may be exempted from the General Declassification Schedule established by Section 5 of Executive Order No. 11652 [formerly set out above] if it was obtained by the United States on the understanding that it be kept in confidence, or if it might otherwise be exempted under Section 5(B) of such Order.

SEC. 3. (a) Within 60 days of the date of this Order, the Secretary of State shall promulgate regulations which implement his responsibilities under this Order.

(b) The directives issued under Section 6 of Executive Order No. 11652 [formerly set out above] shall not apply to information and material classified under this Order. However, the regulations promulgated by the Secretary of State shall:

(1) conform, to the extent practicable, to the policies set forth in Section 6 of Executive Order No. 11652 [formerly set out above], and

(2) provide that he may take such measures as he deems necessary and appropriate to ensure the confidentiality of any information and material classified under this Order that may remain in the custody or control of any person outside the United States Government.

Ex. Ord. No. 12812, July 22, 1992, 57 F.R. 32879, provided:

WHEREAS, the Senate, by S. Res. 324 of July 2, 1992, has asked that I “expeditiously issue an Executive order requiring all executive branch departments and agencies to declassify and publicly release without compromising United States national security all documents, files, and other materials pertaining to POWs and MIAs;” and

SEC. 3. This order is not intended to create any right or benefit, substantive or procedural, enforceable by a party against the United States, its agencies or instrumentalities, its officers or employees, or any other person.

EX. ORD. NO. 12829. NATIONAL INDUSTRIAL SECURITY PROGRAM

Ex. Ord. No. 12829, Jan. 6, 1993, 58 F.R. 3479, as amended by Ex. Ord. No. 12885, Dec. 14, 1993, 58 F.R. 65863, provided:

This order establishes a National Industrial Security Program to safeguard Federal Government classified information that is released to contractors, licensees, and grantees of the United States Government. To promote our national interests, the United States Government issues contracts, licenses, and grants to non-government organizations. When these arrangements require access to classified information, the national security requires that this information be safeguarded in a manner equivalent to its protection within the executive branch of Government. The national security also requires that our industrial security program promote the economic and technological interests of the United States. Redundant, overlapping, or unnecessary requirements impede those interests. Therefore, the National Industrial Security Program shall serve as a single, integrated, cohesive industrial security program to protect classified information and to preserve our Nation’s economic and technological interests.

Therefore, by the authority vested in me as President by the Constitution and the laws of the United States of America, including the Atomic Energy Act of 1954, as amended (42 U.S.C. 2011–2286) [42 U.S.C. 2011 *et seq.*], the National Security Act of 1947, as amended (codified as amended in scattered sections of the United States Code) [see Short Title note set out under section 401 of this title], and the Federal Advisory Committee Act, as amended (5 U.S.C. App. 2) [5 App. U.S.C.], it is hereby ordered as follows:

PART 1. ESTABLISHMENT AND POLICY

SECTION 101. *Establishment.* (a) There is established a National Industrial Security Program. The purpose of this program is to safeguard classified information that may be released or has been released to current, prospective, or former contractors, licensees, or grantees of United States agencies. For the purposes of this order, the terms “contractor, licensee, or grantee” means current, prospective, or former contractors, licensees, or grantees of United States agencies. The National Industrial Security Program shall be applicable to all executive branch departments and agencies.

(b) The National Industrial Security Program shall provide for the protection of information classified pursuant to Executive Order No. 12356 of April 2, 1982 [formerly set out above], or its successor, and the Atomic Energy Act of 1954, as amended [42 U.S.C. 2011 *et seq.*].

(c) For the purposes of this order, the term “contractor” does not include individuals engaged under personal services contracts.

SEC. 102. *Policy Direction.* (a) The National Security Council shall provide overall policy direction for the National Industrial Security Program.

(b) The Director of the Information Security Oversight Office, established under Executive Order No.

12356 of April 2, 1982 [formerly set out above], shall be responsible for implementing and monitoring the National Industrial Security Program and shall:

(1) develop, in consultation with the agencies, and promulgate subject to the approval of the National Security Council, directives for the implementation of this order, which shall be binding on the agencies;

(2) oversee agency, contractor, licensee, and grantee actions to ensure compliance with this order and implementing directives;

(3) review all agency implementing regulations, internal rules, or guidelines. The Director shall require any regulation, rule, or guideline to be changed if it is not consistent with this order or implementing directives. Any such decision by the Director may be appealed to the National Security Council. The agency regulation, rule, or guideline shall remain in effect pending a prompt decision on the appeal;

(4) have the authority, pursuant to terms of applicable contracts, licenses, grants, or regulations, to conduct on-site reviews of the implementation of the National Industrial Security Program by each agency, contractor, licensee, and grantee that has access to or stores classified information and to require of each agency, contractor, licensee, and grantee those reports, information, and other cooperation that may be necessary to fulfill the Director's responsibilities. If these reports, inspections, or access to specific classified information, or other forms of cooperation, would pose an exceptional national security risk, the affected agency head or the senior official designated under section 203(a) of this order may request the National Security Council to deny access to the Director. The Director shall not have access pending a prompt decision by the National Security Council;

(5) report any violations of this order or its implementing directives to the head of the agency or to the senior official designated under section 203(a) of this order so that corrective action, if appropriate, may be taken. Any such report pertaining to the implementation of the National Industrial Security Program by a contractor, licensee, or grantee shall be directed to the agency that is exercising operational oversight over the contractor, licensee, or grantee under section 202 of this order;

(6) consider and take action on complaints and suggestions from persons within or outside the Government with respect to the administration of the National Industrial Security Program;

(7) consider, in consultation with the advisory committee established by this order, affected agencies, contractors, licensees, and grantees, and recommend to the President through the National Security Council changes to this order; and

(8) report at least annually to the President through the National Security Council on the implementation of the National Industrial Security Program.

(c) Nothing in this order shall be construed to supersede the authority of the Secretary of Energy or the Nuclear Regulatory Commission under the Atomic Energy Act of 1954, as amended [42 U.S.C. 2011 *et seq.*], or the authority of the Director of Central Intelligence under the National Security Act of 1947, as amended [see Short Title note set out under section 401 of this title], or Executive Order No. 12333 of December 8, 1981 [50 U.S.C. 401 note].

SEC. 103. National Industrial Security Program Policy Advisory Committee. (a) *Establishment.* There is established the National Industrial Security Program Policy Advisory Committee ("Committee"). The Director of the Information Security Oversight Office shall serve as Chairman of the Committee and appoint the members of the Committee. The members of the Committee shall be the representatives of those departments and agencies most affected by the National Industrial Security Program and nongovernment representatives of contractors, licensees, or grantees involved with classified contracts, licenses, or grants, as determined by the Chairman.

(b) *Functions.* (1) The Committee members shall advise the Chairman of the Committee on all matters

concerning the policies of the National Industrial Security Program, including recommended changes to those policies as reflected in this order, its implementing directives, or the operating manual established under this order, and serve as a forum to discuss policy issues in dispute.

(2) The Committee shall meet at the request of the Chairman, but at least twice during the calendar year.

(c) *Administration.* (1) Members of the Committee shall serve without compensation for their work on the Committee. However, nongovernment members may be allowed travel expenses, including per diem in lieu of subsistence, as authorized by law for persons serving intermittently in the Government service (5 U.S.C. 5701-5707).

(2) To the extent permitted by law and subject to the availability of funds, the Administrator of General Services shall provide the Committee with administrative services, facilities, staff, and other support services necessary for the performance of its functions.

(d) *General.* Notwithstanding any other Executive order, the functions of the President under the Federal Advisory Committee Act, as amended [5 App. U.S.C.], except that of reporting to the Congress, which are applicable to the Committee, shall be performed by the Administrator of General Services in accordance with the guidelines and procedures established by the General Services Administration.

PART 2. OPERATIONS

SEC. 201. National Industrial Security Program Operating Manual. (a) The Secretary of Defense, in consultation with all affected agencies and with the concurrence of the Secretary of Energy, the Nuclear Regulatory Commission, and the Director of Central Intelligence, shall issue and maintain a National Industrial Security Program Operating Manual ("Manual"). The Secretary of Energy and the Nuclear Regulatory Commission shall prescribe and issue that portion of the Manual that pertains to information classified under the Atomic Energy Act of 1954, as amended [42 U.S.C. 2011 *et seq.*]. The Director of Central Intelligence shall prescribe and issue that portion of the Manual that pertains to intelligence sources and methods, including Sensitive Compartmented Information.

(b) The Manual shall prescribe specific requirements, restrictions, and other safeguards that are necessary to preclude unauthorized disclosure and control authorized disclosure of classified information to contractors, licensees, or grantees. The Manual shall apply to the release of classified information during all phases of the contracting process including bidding, negotiation, award, performance, and termination of contracts, the licensing process, or the grant process, with or under the control of departments or agencies.

(c) The Manual shall also prescribe requirements, restrictions, and other safeguards that are necessary to protect special classes of classified information, including Restricted Data, Formerly Restricted Data, intelligence sources and methods information, Sensitive Compartmented Information, and Special Access Program information.

(d) In establishing particular requirements, restrictions, and other safeguards within the Manual, the Secretary of Defense, the Secretary of Energy, the Nuclear Regulatory Commission, and the Director of Central Intelligence shall take into account these factors: (i) the damage to the national security that reasonably could be expected to result from an unauthorized disclosure; (ii) the existing or anticipated threat to the disclosure of information; and (iii) the short- and long-term costs of the requirements, restrictions, and other safeguards.

(e) To the extent that is practicable and reasonable, the requirements, restrictions, and safeguards that the Manual establishes for the protection of classified information by contractors, licensees, and grantees shall be consistent with the requirements, restrictions, and safeguards that directives implementing Executive Order No. 12356 of April 2, 1982 [formerly set out above],

or the Atomic Energy Act of 1954, as amended, establish for the protection of classified information by agencies. Upon request by the Chairman of the Committee, the Secretary of Defense shall provide an explanation and justification for any requirement, restriction, or safeguard that results in a standard for the protection of classified information by contractors, licensees, and grantees that differs from the standard that applies to agencies.

(f) The Manual shall be issued to correspond as closely as possible to pertinent decisions of the Secretary of Defense and the Director of Central Intelligence made pursuant to the recommendations of the Joint Security Review Commission and to revisions to the security classification system that result from Presidential Review Directive 29, but in any event no later than June 30, 1994.

SEC. 202. *Operational Oversight.* (a) The Secretary of Defense shall serve as Executive Agent for inspecting and monitoring the contractors, licensees, and grantees who require or will require access to, or who store or will store classified information; and for determining the eligibility for access to classified information of contractors, licensees, and grantees and their respective employees. The heads of agencies shall enter into agreements with the Secretary of Defense that establish the terms of the Secretary's responsibilities on behalf of these agency heads.

(b) The Director of Central Intelligence retains authority over access to intelligence sources and methods, including Sensitive Compartmented Information. The Director of Central Intelligence may inspect and monitor [sic] contractor, licensee, and grantee programs and facilities that involve access to such information or may enter into written agreements with the Secretary of Defense, as Executive Agent, to inspect and monitor these programs or facilities, in whole or in part, on the Director's behalf.

(c) The Secretary of Energy and the Nuclear Regulatory Commission retain authority over access to information under their respective programs classified under the Atomic Energy Act of 1954, as amended [42 U.S.C. 2011 *et seq.*]. The Secretary or the Commission may inspect and monitor contractor, licensee, and grantee programs and facilities that involve access to such information or may enter into written agreements with the Secretary of Defense, as Executive Agent, to inspect and monitor these programs or facilities, in whole or in part, on behalf of the Secretary or the Commission, respectively.

(d) The Executive Agent shall have the authority to issue, after consultation with affected agencies, standard forms or other standardization that will promote the implementation of the National Industrial Security Program.

SEC. 203. *Implementation.* (a) The head of each agency that enters into classified contracts, licenses, or grants shall designate a senior agency official to direct and administer the agency's implementation and compliance with the National Industrial Security Program.

(b) Agency implementing regulations, internal rules, or guidelines shall be consistent with this order, its implementing directives, and the Manual. Agencies shall issue these regulations, rules, or guidelines no later than 180 days from the issuance of the Manual. They may incorporate all or portions of the Manual by reference.

(c) Each agency head or the senior official designated under paragraph (a) above shall take appropriate and prompt corrective action whenever a violation of this order, its implementing directives, or the Manual occurs.

(d) The senior agency official designated under paragraph (a) above shall account each year for the costs within the agency associated with the implementation of the National Industrial Security Program. These costs shall be reported to the Director of the Information Security Oversight Office, who shall include them in the reports to the President prescribed by this order.

(e) The Secretary of Defense, with the concurrence of the Administrator of General Services, the Adminis-

trator of the National Aeronautics and Space Administration, and such other agency heads or officials who may be responsible, shall amend the Federal Acquisition Regulation to be consistent with the implementation of the National Industrial Security Program.

(f) All contracts, licenses, or grants that involve access to classified information and that are advertised or proposed following the issuance of agency regulations, rules, or guidelines described in paragraph (b) above shall comply with the National Industrial Security Program. To the extent that is feasible, economical, and permitted by law, agencies shall amend, modify, or convert preexisting contracts, licenses, or grants, or previously advertised or proposed contracts, licenses, or grants, that involve access to classified information for operation under the National Industrial Security Program. Any direct inspection or monitoring of contractors, licensees, or grantees specified by this order shall be carried out pursuant to the terms of a contract, license, grant, or regulation.

(g) Executive Order No. 10865 of February 20, 1960 [set out above], as amended by Executive Order No. 10909 of January 17, 1961, and Executive Order No. 11382 of November 27, 1967, is hereby amended as follows:

(1) Section 1(a) and (b) are revoked as of the effective date of this order.

(2) Section 1(c) is renumbered as Section 1 and is amended to read as follows:

When used in this order, the term 'head of a department' means the Secretary of State, the Secretary of Defense, the Secretary of Transportation, the Secretary of Energy, the Nuclear Regulatory Commission, the Administrator of the National Aeronautics and Space Administration, and, in section 4, the Attorney General. The term 'head of a department' also means the head of any department or agency, including but not limited to those referenced above with whom the Department of Defense makes an agreement to extend regulations prescribed by the Secretary of Defense concerning authorizations for access to classified information pursuant to Executive Order No. 12829."

(4) Section 3 is amended by inserting the words "pursuant to Executive Order No. 12829" between the words "revoked" and "by" in the second clause of that section.

(5) Section 6 is amended by striking out the words "The Secretary of State, the Secretary of Defense, the Administrator of the National Aeronautics and Space Administration, the Secretary of Transportation, or his representative, or the head of any other department or agency of the United States with which the Department of Defense makes an agreement under section (1)(b)," at the beginning of the first sentence, and inserting in their place "The head of a department of the United States"

(6) Section 8 is amended by striking out paragraphs (1) through (7) and inserting in their place ". . . the deputy of that department, or the principal assistant to the head of that department, as the case may be."

(h) All delegations, rules, regulations, orders, directives, agreements, contracts, licenses, and grants issued under preexisting authorities, including section 1(a) and (b) of Executive Order No. 10865 of February 20, 1960, as amended, by Executive Order No. 10909 of January 17, 1961, and Executive Order No. 11382 of November 27, 1967, shall remain in full force and effect until amended, modified, or terminated pursuant to authority of this order.

EX. ORD. NO. 12958. CLASSIFIED NATIONAL SECURITY INFORMATION

Ex. Ord. No. 12958, Apr. 17, 1995, 60 F.R. 19825, as amended by Ex. Ord. No. 12972, Sept. 18, 1995, 60 F.R. 48863, provided:

This order prescribes a uniform system for classifying, safeguarding, and declassifying national security information. Our democratic principles require that the American people be informed of the activities of their Government. Also, our Nation's progress depends on the free flow of information. Nevertheless, throughout our history, the national interest has required that certain information be maintained in confidence in order to protect our citizens, our democratic institutions, and our participation within the community of nations. Protecting information critical to our Nation's security remains a priority. In recent years, however, dramatic changes have altered, although not eliminated, the national security threats that we confront. These changes provide a greater opportunity to emphasize our commitment to open Government.

NOW, THEREFORE, by the authority vested in me as President by the Constitution and the laws of the United States of America, it is hereby ordered as follows:

PART 1—ORIGINAL CLASSIFICATION

SECTION 1.1. *Definitions.* For purposes of this order:

(c) "Classified national security information" (hereafter "classified information") means information that has been determined pursuant to this order or any predecessor order to require protection against unauthorized disclosure and is marked to indicate its classified status when in documentary form.

(2) information produced by the United States pursuant to or as a result of a joint arrangement with a foreign government or governments, or an international organization of governments, or any element thereof, requiring that the information, the arrangement, or both, are to be held in confidence; or

(3) information received and treated as "Foreign Government Information" under the terms of a predecessor order.

(e) "Classification" means the act or process by which information is determined to be classified information.

(f) "Original classification" means an initial determination that information requires, in the interest of national security, protection against unauthorized disclosure.

(g) "Original classification authority" means an individual authorized in writing, either by the President, or by agency heads or other officials designated by the President, to classify information in the first instance.

(h) "Unauthorized disclosure" means a communication or physical transfer of classified information to an unauthorized recipient.

(i) "Agency" means any "Executive agency," as defined in 5 U.S.C. 105; any "Military department" as defined in 5 U.S.C. 102; and any other entity within the executive branch that comes into the possession of classified information.

(j) "Senior agency official" means the official designated by the agency head under section 5.6(c) of this

order to direct and administer the agency's program under which information is classified, safeguarded, and declassified.

(k) "Confidential source" means any individual or organization that has provided, or that may reasonably be expected to provide, information to the United States on matters pertaining to the national security with the expectation that the information or relationship, or both, are to be held in confidence.

(l) "Damage to the national security" means harm to the national defense or foreign relations of the United States from the unauthorized disclosure of information, to include the sensitivity, value, and utility of that information.

SEC. 1.2. *Classification Standards.* (a) Information may be originally classified under the terms of this order only if all of the following conditions are met:

(1) an original classification authority is classifying the information;

(2) the information is owned by, produced by or for, or is under the control of the United States Government;

(3) the information falls within one or more of the categories of information listed in section 1.5 of this order; and

(4) the original classification authority determines that the unauthorized disclosure of the information reasonably could be expected to result in damage to the national security and the original classification authority is able to identify or describe the damage.

(b) If there is significant doubt about the need to classify information, it shall not be classified. This provision does not:

(1) amplify or modify the substantive criteria or procedures for classification; or

(2) create any substantive or procedural rights subject to judicial review.

(c) Classified information shall not be declassified automatically as a result of any unauthorized disclosure of identical or similar information.

SEC. 1.3. *Classification Levels.* (a) Information may be classified at one of the following three levels:

(1) "Top Secret" shall be applied to information, the unauthorized disclosure of which reasonably could be expected to cause exceptionally grave damage to the national security that the original classification authority is able to identify or describe.

(2) "Secret" shall be applied to information, the unauthorized disclosure of which reasonably could be expected to cause serious damage to the national security that the original classification authority is able to identify or describe.

(3) "Confidential" shall be applied to information, the unauthorized disclosure of which reasonably could be expected to cause damage to the national security that the original classification authority is able to identify or describe.

(b) Except as otherwise provided by statute, no other terms shall be used to identify United States classified information.

(c) If there is significant doubt about the appropriate level of classification, it shall be classified at the lower level.

SEC. 1.4. *Classification Authority.* (a) The authority to classify information originally may be exercised only by:

(1) the President;

(2) agency heads and officials designated by the President in the Federal Register; or

(3) United States Government officials delegated this authority pursuant to paragraph (c), below.

(b) Officials authorized to classify information at a specified level are also authorized to classify information at a lower level.

(c) Delegation of original classification authority.

(1) Delegations of original classification authority shall be limited to the minimum required to administer this order. Agency heads are responsible for ensuring that designated subordinate officials have a demonstrable and continuing need to exercise this authority.

(2) "Top Secret" original classification authority may be delegated only by the President or by an agency head or official designated pursuant to paragraph (a)(2), above.

(3) "Secret" or "Confidential" original classification authority may be delegated only by the President; an agency head or official designated pursuant to paragraph (a)(2), above; or the senior agency official, provided that official has been delegated "Top Secret" original classification authority by the agency head.

(4) Each delegation of original classification authority shall be in writing and the authority shall not be redelegated except as provided in this order. Each delegation shall identify the official by name or position title.

(d) Original classification authorities must receive training in original classification as provided in this order and its implementing directives.

(e) Exceptional cases. When an employee, contractor, licensee, certificate holder, or grantee of an agency that does not have original classification authority originates information believed by that person to require classification, the information shall be protected in a manner consistent with this order and its implementing directives. The information shall be transmitted promptly as provided under this order or its implementing directives to the agency that has appropriate subject matter interest and classification authority with respect to this information. That agency shall decide within 30 days whether to classify this information. If it is not clear which agency has classification responsibility for this information, it shall be sent to the Director of the Information Security Oversight Office. The Director shall determine the agency having primary subject matter interest and forward the information, with appropriate recommendations, to that agency for a classification determination.

SEC. 1.5. *Classification Categories.*

Information may not be considered for classification unless it concerns:

- (a) military plans, weapons systems, or operations;
- (b) foreign government information;
- (c) intelligence activities (including special activities), intelligence sources or methods, or cryptology;
- (d) foreign relations or foreign activities of the United States, including confidential sources;
- (e) scientific, technological, or economic matters relating to the national security;
- (f) United States Government programs for safeguarding nuclear materials or facilities; or
- (g) vulnerabilities or capabilities of systems, installations, projects or plans relating to the national security.

SEC. 1.6. *Duration of Classification.* (a) At the time of original classification, the original classification authority shall attempt to establish a specific date or event for declassification based upon the duration of the national security sensitivity of the information. The date or event shall not exceed the time frame in paragraph (b), below.

(b) If the original classification authority cannot determine an earlier specific date or event for declassification, information shall be marked for declassification 10 years from the date of the original decision, except as provided in paragraph (d), below.

(c) An original classification authority may extend the duration of classification or reclassify specific information for successive periods not to exceed 10 years at a time if such action is consistent with the standards and procedures established under this order. This provision does not apply to information contained in records that are more than 25 years old and have been determined to have permanent historical value under title 44, United States Code.

(d) At the time of original classification, the original classification authority may exempt from declassification within 10 years specific information, the unauthorized disclosure of which could reasonably be expected to cause damage to the national security for a period

greater than that provided in paragraph (b), above, and the release of which could reasonably be expected to:

- (1) reveal an intelligence source, method, or activity, or a cryptologic system or activity;
 - (2) reveal information that would assist in the development or use of weapons of mass destruction;
 - (3) reveal information that would impair the development or use of technology within a United States weapons system;
 - (4) reveal United States military plans, or national security emergency preparedness plans;
 - (5) reveal foreign government information;
 - (6) damage relations between the United States and a foreign government, reveal a confidential source, or seriously undermine diplomatic activities that are reasonably expected to be ongoing for a period greater than that provided in paragraph (b), above;
 - (7) impair the ability of responsible United States Government officials to protect the President, the Vice President, and other individuals for whom protection services, in the interest of national security, are authorized; or
 - (8) violate a statute, treaty, or international agreement.
- (e) Information marked for an indefinite duration of classification under predecessor orders, for example, "Originating Agency's Determination Required," or information classified under predecessor orders that contains no declassification instructions shall be declassified in accordance with part 3 of this order.

SEC. 1.7. *Identification and Markings.* (a) At the time of original classification, the following shall appear on the face of each classified document, or shall be applied to other classified media in an appropriate manner:

- (1) one of the three classification levels defined in section 1.3 of this order;
 - (2) the identity, by name or personal identifier and position, of the original classification authority;
 - (3) the agency and office of origin, if not otherwise evident;
 - (4) declassification instructions, which shall indicate one of the following:
 - (A) the date or event for declassification, as prescribed in section 1.6(a) or section 1.6(c); or
 - (B) the date that is 10 years from the date of original classification, as prescribed in section 1.6(b); or
 - (C) the exemption category from declassification, as prescribed in section 1.6(d); and
 - (5) a concise reason for classification which, at a minimum, cites the applicable classification categories in section 1.5 of this order.
- (b) Specific information contained in paragraph (a), above, may be excluded if it would reveal additional classified information.

(c) Each classified document shall, by marking or other means, indicate which portions are classified, with the applicable classification level, which portions are exempt from declassification under section 1.6(d) of this order, and which portions are unclassified. In accordance with standards prescribed in directives issued under this order, the Director of the Information Security Oversight Office may grant waivers of this requirement for specified classes of documents or information. The Director shall revoke any waiver upon a finding of abuse.

(d) Markings implementing the provisions of this order, including abbreviations and requirements to safeguard classified working papers, shall conform to the standards prescribed in implementing directives issued pursuant to this order.

(e) Foreign government information shall retain its original classification markings or shall be assigned a U.S. classification that provides a degree of protection at least equivalent to that required by the entity that furnished the information.

(f) Information assigned a level of classification under this or predecessor orders shall be considered as classified at that level of classification despite the omission of other required markings. Whenever such

information is used in the derivative classification process or is reviewed for possible declassification, holders of such information shall coordinate with an appropriate classification authority for the application of omitted markings.

(g) The classification authority shall, whenever practicable, use a classified addendum whenever classified information constitutes a small portion of an otherwise unclassified document.

SEC. 1.8. *Classification Prohibitions and Limitations.* (a) In no case shall information be classified in order to:

- (1) conceal violations of law, inefficiency, or administrative error;
- (2) prevent embarrassment to a person, organization, or agency;
- (3) restrain competition; or
- (4) prevent or delay the release of information that does not require protection in the interest of national security.

(b) Basic scientific research information not clearly related to the national security may not be classified.

(c) Information may not be reclassified after it has been declassified and released to the public under proper authority.

(d) Information that has not previously been disclosed to the public under proper authority may be classified or reclassified after an agency has received a request for it under the Freedom of Information Act (5 U.S.C. 552) or the Privacy Act of 1974 (5 U.S.C. 552a), or the mandatory review provisions of section 3.6 of this order only if such classification meets the requirements of this order and is accomplished on a document-by-document basis with the personal participation or under the direction of the agency head, the deputy agency head, or the senior agency official designated under section 5.6 of this order. This provision does not apply to classified information contained in records that are more than 25 years old and have been determined to have permanent historical value under title 44, United States Code.

(e) Compilations of items of information which are individually unclassified may be classified if the compiled information reveals an additional association or relationship that:

- (1) meets the standards for classification under this order; and
- (2) is not otherwise revealed in the individual items of information.

As used in this order, "compilation" means an aggregation of pre-existing unclassified items of information.

SEC. 1.9. *Classification Challenges.* (a) Authorized holders of information who, in good faith, believe that its classification status is improper are encouraged and expected to challenge the classification status of the information in accordance with agency procedures established under paragraph (b), below.

(b) In accordance with implementing directives issued pursuant to this order, an agency head or senior agency official shall establish procedures under which authorized holders of information are encouraged and expected to challenge the classification of information that they believe is improperly classified or unclassified. These procedures shall assure that:

- (1) individuals are not subject to retribution for bringing such actions;
- (2) an opportunity is provided for review by an impartial official or panel; and
- (3) individuals are advised of their right to appeal agency decisions to the Interagency Security Classification Appeals Panel established by section 5.4 of this order.

PART 2—DERIVATIVE CLASSIFICATION

SEC. 2.1. *Definitions.* For purposes of this order:

(a) "Derivative classification" means the incorporating, paraphrasing, restating or generating in new form information that is already classified, and marking the newly developed material consistent with the classification markings that apply to the source information. Derivative classification includes the classifica-

tion of information based on classification guidance. The duplication or reproduction of existing classified information is not derivative classification.

(b) "Classification guidance" means any instruction or source that prescribes the classification of specific information.

(c) "Classification guide" means a documentary form of classification guidance issued by an original classification authority that identifies the elements of information regarding a specific subject that must be classified and establishes the level and duration of classification for each such element.

(d) "Source document" means an existing document that contains classified information that is incorporated, paraphrased, restated, or generated in new form into a new document.

(e) "Multiple sources" means two or more source documents, classification guides, or a combination of both.

SEC. 2.2. *Use of Derivative Classification.* (a) Persons who only reproduce, extract, or summarize classified information, or who only apply classification markings derived from source material or as directed by a classification guide, need not possess original classification authority.

(b) Persons who apply derivative classification markings shall:

(1) observe and respect original classification decisions; and

(2) carry forward to any newly created documents the pertinent classification markings. For information derivatively classified based on multiple sources, the derivative classifier shall carry forward:

(A) the date or event for declassification that corresponds to the longest period of classification among the sources; and

(B) a listing of these sources on or attached to the official file or record copy.

SEC. 2.3. *Classification Guides.* (a) Agencies with original classification authority shall prepare classification guides to facilitate the proper and uniform derivative classification of information. These guides shall conform to standards contained in directives issued under this order.

(b) Each guide shall be approved personally and in writing by an official who:

(1) has program or supervisory responsibility over the information or is the senior agency official; and

(2) is authorized to classify information originally at the highest level of classification prescribed in the guide.

(c) Agencies shall establish procedures to assure that classification guides are reviewed and updated as provided in directives issued under this order.

PART 3—DECLASSIFICATION AND DOWNGRADING

SEC. 3.1. *Definitions.* For purposes of this order:

(a) "Declassification" means the authorized change in the status of information from classified information to unclassified information.

(b) "Automatic declassification" means the declassification of information based solely upon:

(1) the occurrence of a specific date or event as determined by the original classification authority; or

(2) the expiration of a maximum time frame for duration of classification established under this order.

(c) "Declassification authority" means:

(1) the official who authorized the original classification, if that official is still serving in the same position;

(2) the originator's current successor in function;

(3) a supervisory official of either; or

(4) officials delegated declassification authority in writing by the agency head or the senior agency official.

(d) "Mandatory declassification review" means the review for declassification of classified information in response to a request for declassification that meets the requirements under section 3.6 of this order.

(e) "Systematic declassification review" means the review for declassification of classified information

contained in records that have been determined by the Archivist of the United States ("Archivist") to have permanent historical value in accordance with chapter 33 of title 44, United States Code.

(f) "Declassification guide" means written instructions issued by a declassification authority that describes the elements of information regarding a specific subject that may be declassified and the elements that must remain classified.

(g) "Downgrading" means a determination by a declassification authority that information classified and safeguarded at a specified level shall be classified and safeguarded at a lower level.

(h) "File series" means documentary material, regardless of its physical form or characteristics, that is arranged in accordance with a filing system or maintained as a unit because it pertains to the same function or activity.

SEC. 3.2. *Authority for Declassification.* (a) Information shall be declassified as soon as it no longer meets the standards for classification under this order.

(b) It is presumed that information that continues to meet the classification requirements under this order requires continued protection. In some exceptional cases, however, the need to protect such information may be outweighed by the public interest in disclosure of the information, and in these cases the information should be declassified. When such questions arise, they shall be referred to the agency head or the senior agency official. That official will determine, as an exercise of discretion, whether the public interest in disclosure outweighs the damage to national security that might reasonably be expected from disclosure. This provision does not:

- (1) amplify or modify the substantive criteria or procedures for classification; or
- (2) create any substantive or procedural rights subject to judicial review.

(c) If the Director of the Information Security Oversight Office determines that information is classified in violation of this order, the Director may require the information to be declassified by the agency that originated the classification. Any such decision by the Director may be appealed to the President through the Assistant to the President for National Security Affairs. The information shall remain classified pending a prompt decision on the appeal.

(d) The provisions of this section shall also apply to agencies that, under the terms of this order, do not have original classification authority, but had such authority under predecessor orders.

SEC. 3.3. *Transferred Information.* (a) In the case of classified information transferred in conjunction with a transfer of functions, and not merely for storage purposes, the receiving agency shall be deemed to be the originating agency for purposes of this order.

(b) In the case of classified information that is not officially transferred as described in paragraph (a), above, but that originated in an agency that has ceased to exist and for which there is no successor agency, each agency in possession of such information shall be deemed to be the originating agency for purposes of this order. Such information may be declassified or downgraded by the agency in possession after consultation with any other agency that has an interest in the subject matter of the information.

(c) Classified information accessioned into the National Archives and Records Administration ("National Archives") as of the effective date of this order shall be declassified or downgraded by the Archivist in accordance with this order, the directives issued pursuant to this order, agency declassification guides, and any existing procedural agreement between the Archivist and the relevant agency head.

(d) The originating agency shall take all reasonable steps to declassify classified information contained in records determined to have permanent historical value before they are accessioned into the National Archives. However, the Archivist may require that records containing classified information be accessioned into the

National Archives when necessary to comply with the provisions of the Federal Records Act [probably means chapters 21 to 31 of Title 44, Public Printing and Documents]. This provision does not apply to information being transferred to the Archivist pursuant to section 2203 of title 44, United States Code, or information for which the National Archives and Records Administration serves as the custodian of the records of an agency or organization that goes out of existence.

(e) To the extent practicable, agencies shall adopt a system of records management that will facilitate the public release of documents at the time such documents are declassified pursuant to the provisions for automatic declassification in sections 1.6 and 3.4 of this order.

SEC. 3.4. *Automatic Declassification.* (a) Subject to paragraph (b), below, within 5 years from the date of this order, all classified information contained in records that (1) are more than 25 years old, and (2) have been determined to have permanent historical value under title 44, United States Code, shall be automatically declassified whether or not the records have been reviewed. Subsequently, all classified information in such records shall be automatically declassified no longer than 25 years from the date of its original classification, except as provided in paragraph (b), below.

(b) An agency head may exempt from automatic declassification under paragraph (a), above, specific information, the release of which should be expected to:

- (1) reveal the identity of a confidential human source, or reveal information about the application of an intelligence source or method, or reveal the identity of a human intelligence source when the unauthorized disclosure of that source would clearly and demonstrably damage the national security interests of the United States;
- (2) reveal information that would assist in the development or use of weapons of mass destruction;
- (3) reveal information that would impair U.S. cryptologic systems or activities;
- (4) reveal information that would impair the application of state of the art technology within a U.S. weapon system;
- (5) reveal actual U.S. military war plans that remain in effect;
- (6) reveal information that would seriously and demonstrably impair relations between the United States and a foreign government, or seriously and demonstrably undermine ongoing diplomatic activities of the United States;
- (7) reveal information that would clearly and demonstrably impair the current ability of United States Government officials to protect the President, Vice President, and other officials for whom protection services, in the interest of national security, are authorized;
- (8) reveal information that would seriously and demonstrably impair current national security emergency preparedness plans; or
- (9) violate a statute, treaty, or international agreement.

(c) No later than the effective date of this order, an agency head shall notify the President through the Assistant to the President for National Security Affairs of any specific file series of records for which a review or assessment has determined that the information within those file series almost invariably falls within one or more of the exemption categories listed in paragraph (b), above, and which the agency proposes to exempt from automatic declassification. The notification shall include:

- (1) a description of the file series;
- (2) an explanation of why the information within the file series is almost invariably exempt from automatic declassification and why the information must remain classified for a longer period of time; and
- (3) except for the identity of a confidential human source or a human intelligence source, as provided in paragraph (b), above, a specific date or event for declassification of the information.

The President may direct the agency head not to exempt the file series or to declassify the information within that series at an earlier date than recommended.

(d) At least 180 days before information is automatically declassified under this section, an agency head or senior agency official shall notify the Director of the Information Security Oversight Office, serving as Executive Secretary of the Interagency Security Classification Appeals Panel, of any specific information beyond that included in a notification to the President under paragraph (c), above, that the agency proposes to exempt from automatic declassification. The notification shall include:

(1) a description of the information;

(2) an explanation of why the information is exempt from automatic declassification and must remain classified for a longer period of time; and

(3) except for the identity of a confidential human source or a human intelligence source, as provided in paragraph (b), above, a specific date or event for declassification of the information. The Panel may direct the agency not to exempt the information or to declassify it at an earlier date than recommended. The agency head may appeal such a decision to the President through the Assistant to the President for National Security Affairs. The information will remain classified while such an appeal is pending.

(e) No later than the effective date of this order, the agency head or senior agency official shall provide the Director of the Information Security Oversight Office with a plan for compliance with the requirements of this section, including the establishment of interim target dates. Each such plan shall include the requirement that the agency declassify at least 15 percent of the records affected by this section no later than 1 year from the effective date of this order, and similar commitments for subsequent years until the effective date for automatic declassification.

(f) Information exempted from automatic declassification under this section shall remain subject to the mandatory and systematic declassification review provisions of this order.

(g) The Secretary of State shall determine when the United States should commence negotiations with the appropriate officials of a foreign government or international organization of governments to modify any treaty or international agreement that requires the classification of information contained in records affected by this section for a period longer than 25 years from the date of its creation, unless the treaty or international agreement pertains to information that may otherwise remain classified beyond 25 years under this section.

SEC. 3.5. Systematic Declassification Review. (a) Each agency that has originated classified information under this order or its predecessors shall establish and conduct a program for systematic declassification review. This program shall apply to historically valuable records exempted from automatic declassification under section 3.4 of this order. Agencies shall prioritize the systematic review of records based upon:

(1) recommendations of the Information Security Policy Advisory Council, established in section 5.5 of this order, on specific subject areas for systematic review concentration; or

(2) the degree of researcher interest and the likelihood of declassification upon review.

(b) The Archivist shall conduct a systematic declassification review program for classified information: (1) accessioned into the National Archives as of the effective date of this order; (2) information transferred to the Archivist pursuant to section 2203 of title 44, United States Code; and (3) information for which the National Archives and Records Administration serves as the custodian of the records of an agency or organization that has gone out of existence. This program shall apply to pertinent records no later than 25 years from the date of their creation. The Archivist shall establish priorities for the systematic review of these records based

upon the recommendations of the Information Security Policy Advisory Council; or the degree of researcher interest and the likelihood of declassification upon review. These records shall be reviewed in accordance with the standards of this order, its implementing directives, and declassification guides provided to the Archivist by each agency that originated the records. The Director of the Information Security Oversight Office shall assure that agencies provide the Archivist with adequate and current declassification guides.

(c) After consultation with affected agencies, the Secretary of Defense may establish special procedures for systematic review for declassification of classified cryptologic information, and the Director of Central Intelligence may establish special procedures for systematic review for declassification of classified information pertaining to intelligence activities (including special activities), or intelligence sources or methods.

SEC. 3.6. Mandatory Declassification Review. (a) Except as provided in paragraph (b), below, all information classified under this order or predecessor orders shall be subject to a review for declassification by the originating agency if:

(1) the request for a review describes the document or material containing the information with sufficient specificity to enable the agency to locate it with a reasonable amount of effort;

(2) the information is not exempted from search and review under the Central Intelligence Agency Information Act [see Short Title of 1984 Amendment note, set out under section 401 of this title]; and

(3) the information has not been reviewed for declassification within the past 2 years. If the agency has reviewed the information within the past 2 years, or the information is the subject of pending litigation, the agency shall inform the requester of this fact and of the requester's appeal rights.

(b) Information originated by:

(1) the incumbent President;

(2) the incumbent President's White House Staff;

(3) committees, commissions, or boards appointed by the incumbent President; or

(4) other entities within the Executive Office of the President that solely advise and assist the incumbent President is exempted from the provisions of paragraph (a), above. However, the Archivist shall have the authority to review, downgrade, and declassify information of former Presidents under the control of the Archivist pursuant to sections 2107, 2111, 2111 note, or 2203 of title 44, United States Code. Review procedures developed by the Archivist shall provide for consultation with agencies having primary subject matter interest and shall be consistent with the provisions of applicable laws or lawful agreements that pertain to the respective Presidential papers or records. Agencies with primary subject matter interest shall be notified promptly of the Archivist's decision. Any final decision by the Archivist may be appealed by the requester or an agency to the Interagency Security Classification Appeals Panel. The information shall remain classified pending a prompt decision on the appeal.

(c) Agencies conducting a mandatory review for declassification shall declassify information that no longer meets the standards for classification under this order. They shall release this information unless withholding is otherwise authorized and warranted under applicable law.

(d) In accordance with directives issued pursuant to this order, agency heads shall develop procedures to process requests for the mandatory review of classified information. These procedures shall apply to information classified under this or predecessor orders. They also shall provide a means for administratively appealing a denial of a mandatory review request, and for notifying the requester of the right to appeal a final agency decision to the Interagency Security Classification Appeals Panel.

(e) After consultation with affected agencies, the Secretary of Defense shall develop special procedures for

the review of cryptologic information, the Director of Central Intelligence shall develop special procedures for the review of information pertaining to intelligence activities (including special activities), or intelligence sources or methods, and the Archivist shall develop special procedures for the review of information accessioned into the National Archives.

SEC. 3.7. *Processing Requests and Reviews.* In response to a request for information under the Freedom of Information Act [5 U.S.C. 552], the Privacy Act of 1974 [5 U.S.C. 552a], or the mandatory review provisions of this order, or pursuant to the automatic declassification or systematic review provisions of this order:

(a) An agency may refuse to confirm or deny the existence or nonexistence of requested information whenever the fact of its existence or nonexistence is itself classified under this order.

(b) When an agency receives any request for documents in its custody that contain information that was originally classified by another agency, or comes across such documents in the process of the automatic declassification or systematic review provisions of this order, it shall refer copies of any request and the pertinent documents to the originating agency for processing, and may, after consultation with the originating agency, inform any requester of the referral unless such association is itself classified under this order. In cases in which the originating agency determines in writing that a response under paragraph (a), above, is required, the referring agency shall respond to the requester in accordance with that paragraph.

SEC. 3.8. *Declassification Database.* (a) The Archivist in conjunction with the Director of the Information Security Oversight Office and those agencies that originate classified information, shall establish a Government-wide database of information that has been declassified. The Archivist shall also explore other possible uses of technology to facilitate the declassification process.

(b) Agency heads shall fully cooperate with the Archivist in these efforts.

(c) Except as otherwise authorized and warranted by law, all declassified information contained within the database established under paragraph (a), above, shall be available to the public.

PART 4—SAFEGUARDING

SEC. 4.1. *Definitions.* For purposes of this order: (a) "Safeguarding" means measures and controls that are prescribed to protect classified information.

(b) "Access" means the ability or opportunity to gain knowledge of classified information.

(c) "Need-to-know" means a determination made by an authorized holder of classified information that a prospective recipient requires access to specific classified information in order to perform or assist in a lawful and authorized governmental function.

(d) "Automated information system" means an assembly of computer hardware, software, or firmware configured to collect, create, communicate, compute, disseminate, process, store, or control data or information.

(e) "Integrity" means the state that exists when information is unchanged from its source and has not been accidentally or intentionally modified, altered, or destroyed.

(f) "Network" means a system of two or more computers that can exchange data or information.

(g) "Telecommunications" means the preparation, transmission, or communication of information by electronic means.

(h) "Special access program" means a program established for a specific class of classified information that imposes safeguarding and access requirements that exceed those normally required for information at the same classification level.

SEC. 4.2. *General Restrictions on Access.* (a) A person may have access to classified information provided that:

(1) a favorable determination of eligibility for access has been made by an agency head or the agency head's designee;

(2) the person has signed an approved nondisclosure agreement; and

(3) the person has a need-to-know the information. (b) Classified information shall remain under the control of the originating agency or its successor in function. An agency shall not disclose information originally classified by another agency without its authorization. An official or employee leaving agency service may not remove classified information from the agency's control.

(c) Classified information may not be removed from official premises without proper authorization.

(d) Persons authorized to disseminate classified information outside the executive branch shall assure the protection of the information in a manner equivalent to that provided within the executive branch.

(e) Consistent with law, directives, and regulation, an agency head or senior agency official shall establish uniform procedures to ensure that automated information systems, including networks and telecommunications systems, that collect, create, communicate, compute, disseminate, process, or store classified information have controls that:

(1) prevent access by unauthorized persons; and

(2) ensure the integrity of the information.

(f) Consistent with law, directives, and regulation, each agency head or senior agency official shall establish controls to ensure that classified information is used, processed, stored, reproduced, transmitted, and destroyed under conditions that provide adequate protection and prevent access by unauthorized persons.

(g) Consistent with directives issued pursuant to this order, an agency shall safeguard foreign government information under standards that provide a degree of protection at least equivalent to that required by the government or international organization of governments that furnished the information. When adequate to achieve equivalency, these standards may be less restrictive than the safeguarding standards that ordinarily apply to United States "Confidential" information, including allowing access to individuals with a need-to-know who have not otherwise been cleared for access to classified information or executed an approved nondisclosure agreement.

(h) Except as provided by statute or directives issued pursuant to this order, classified information originating in one agency may not be disseminated outside any other agency to which it has been made available without the consent of the originating agency. An agency head or senior agency official may waive this requirement for specific information originated within that agency. For purposes of this section, the Department of Defense shall be considered one agency.

SEC. 4.3. *Distribution Controls.* (a) Each agency shall establish controls over the distribution of classified information to assure that it is distributed only to organizations or individuals eligible for access who also have a need-to-know the information.

(b) Each agency shall update, at least annually, the automatic, routine, or recurring distribution of classified information that they distribute. Recipients shall cooperate fully with distributors who are updating distribution lists and shall notify distributors whenever a relevant change in status occurs.

SEC. 4.4. *Special Access Programs.* (a) Establishment of special access programs. Unless otherwise authorized by the President, only the Secretaries of State, Defense and Energy, and the Director of Central Intelligence, or the principal deputy of each, may create a special access program. For special access programs pertaining to intelligence activities (including special activities, but not including military operational, strategic and tactical programs), or intelligence sources or methods, this function will be exercised by the Director of Central Intelligence. These officials shall keep the number of these programs at an absolute minimum, and shall establish them only upon a specific finding that:

(1) the vulnerability of, or threat to, specific information is exceptional; and

(2) the normal criteria for determining eligibility for access applicable to information classified at the

same level are not deemed sufficient to protect the information from unauthorized disclosure; or

(3) the program is required by statute.

(b) *Requirements and Limitations.* (1) Special access programs shall be limited to programs in which the number of persons who will have access ordinarily will be reasonably small and commensurate with the objective of providing enhanced protection for the information involved.

(2) Each agency head shall establish and maintain a system of accounting for special access programs consistent with directives issued pursuant to this order.

(3) Special access programs shall be subject to the oversight program established under section 5.6(c) of this order. In addition, the Director of the Information Security Oversight Office shall be afforded access to these programs, in accordance with the security requirements of each program, in order to perform the functions assigned to the Information Security Oversight Office under this order. An agency head may limit access to a special access program to the Director and no more than one other employee of the Information Security Oversight Office; or, for special access programs that are extraordinarily sensitive and vulnerable, to the Director only.

(4) The agency head or principal deputy shall review annually each special access program to determine whether it continues to meet the requirements of this order.

(5) Upon request, an agency shall brief the Assistant to the President for National Security Affairs, or his or her designee, on any or all of the agency's special access programs.

(c) Within 180 days after the effective date of this order, each agency head or principal deputy shall review all existing special access programs under the agency's jurisdiction. These officials shall terminate any special access programs that do not clearly meet the provisions of this order. Each existing special access program that an agency head or principal deputy validates shall be treated as if it were established on the effective date of this order.

(d) Nothing in this order shall supersede any requirement made by or under 10 U.S.C. 119.

SEC. 4.5. *Access by Historical Researchers and Former Presidential Appointees.* (a) The requirement in section 4.2(a)(3) of this order that access to classified information may be granted only to individuals who have a need-to-know the information may be waived for persons who:

(1) are engaged in historical research projects; or

(2) previously have occupied policy-making positions to which they were appointed by the President.

(b) Waivers under this section may be granted only if the agency head or senior agency official of the originating agency:

(1) determines in writing that access is consistent with the interest of national security;

(2) takes appropriate steps to protect classified information from unauthorized disclosure or compromise, and ensures that the information is safeguarded in a manner consistent with this order; and

(3) limits the access granted to former Presidential appointees to items that the person originated, reviewed, signed, or received while serving as a Presidential appointee.

PART 5—IMPLEMENTATION AND REVIEW

(b) "Violation" means:

(1) any knowing, willful, or negligent action that could reasonably be expected to result in an unauthorized disclosure of classified information;

(2) any knowing, willful, or negligent action to classify or continue the classification of information con-

(3) any knowing, willful, or negligent action to create or continue a special access program contrary to the requirements of this order.

(1) develop directives for the implementation of this order;

(2) oversee agency actions to ensure compliance with this order and its implementing directives;

(3) review and approve agency implementing regulations and agency guides for systematic declassification review prior to their issuance by the agency;

(4) have the authority to conduct on-site reviews of each agency's program established under this order, and to require of each agency those reports, information, and other cooperation that may be necessary to fulfill its responsibilities. If granting access to specific categories of classified information would pose an exceptional national security risk, the affected agency head or the senior agency official shall submit a written justification recommending the denial of access to the Director of the Office of Management and Budget within 60 days of the request for access. Access shall be denied pending a prompt decision by the Director of the Office of Management and Budget, who shall consult on this decision with the Assistant to the President for National Security Affairs;

(5) review requests for original classification authority from agencies or officials not granted original classification authority and, if deemed appropriate, recommend Presidential approval through the Director of the Office of Management and Budget;

(6) consider and take action on complaints and suggestions from persons within or outside the Government with respect to the administration of the program established under this order;

(7) have the authority to prescribe, after consultation with affected agencies, standardization of forms

(c) **Rules and Procedures.** The Panel shall issue bylaws, which shall be published in the Federal Register no later than 120 days from the effective date of this order. The bylaws shall establish the rules and procedures that the Panel will follow in accepting, considering, and issuing decisions on appeals. (d) Agency heads will cooperate fully with the Panel so that it can fulfill its functions in a timely and fully informed manner. An agency head may appeal a decision of the Panel to the President through the Assistant to the President for National Security Affairs. The Panel will report to the President through the Assistant to the President for National Security Affairs any instance in which it believes that an agency head is not cooperating fully with the Panel.

(e) The Appeals Panel is established for the sole purpose of advising and assisting the President in the discharge of his constitutional and discretionary authority to protect the national security of the United States. Panel decisions are committed to the discretion of the Panel, unless reversed by the President.

Requesting or approving eligibility in excess of actual requirements is prohibited.

(3) Eligibility for access to classified information may be granted where there is a temporary need for access, such as one-time participation in a classified

project, provided the investigative standards established under this order have been satisfied. In such cases, a fixed date or event for expiration shall be identified and access to classified information shall be limited to information related to the particular project or assignment.

(4) Access to classified information shall be terminated when an employee no longer has a need for access.

SEC. 2.2. *Level of Access Approval.* (a) The level at which an access approval is granted for an employee shall be limited, and relate directly, to the level of classified information for which there is a need for access. Eligibility for access to a higher level of classified information includes eligibility for access to information classified at a lower level.

(b) Access to classified information relating to a special access program shall be granted in accordance with procedures established by the head of the agency that created the program or, for programs pertaining to intelligence activities (including special activities but not including military operational, strategic, and tactical programs) or intelligence sources and methods, by the Director of Central Intelligence. To the extent possible and consistent with the national security interests of the United States, such procedures shall be consistent with the standards and procedures established by and under this order.

SEC. 2.3. *Temporary Access to Higher Levels.* (a) An employee who has been determined to be eligible for access to classified information based on favorable adjudication of a completed investigation may be granted temporary access to a higher level where security personnel authorized by the agency head to make access eligibility determinations find that such access:

- (1) is necessary to meet operational or contractual exigencies not expected to be of a recurring nature;
- (2) will not exceed 180 days; and
- (3) is limited to specific, identifiable information that is made the subject of a written access record.

(b) Where the access granted under subsection (a) of this section involves another agency's classified information, that agency must concur before access to its information is granted.

SEC. 2.4. *Reciprocal Acceptance of Access Eligibility Determinations.* (a) Except when an agency has substantial information indicating that an employee may not satisfy the standards in section 3.1 of this order, background investigations and eligibility determinations conducted under this order shall be mutually and reciprocally accepted by all agencies.

(b) Except where there is substantial information indicating that the employee may not satisfy the standards in section 3.1 of this order, an employee with existing access to a special access program shall not be denied eligibility for access to another special access program at the same sensitivity level as determined personally by the agency head or deputy agency head, or have an existing access eligibility readjudicated, so long as the employee has a need for access to the information involved.

(c) This section shall not preclude agency heads from establishing additional, but not duplicative, investigative or adjudicative procedures for a special access program or for candidates for detail or assignment to their agencies, where such procedures are required in exceptional circumstances to protect the national security.

(d) Where temporary eligibility for access is granted under sections 2.3 or 3.3 of this order or where the determination of eligibility for access is conditional, the fact of such temporary or conditional access shall be conveyed to any other agency that considers affording the employee access to its information.

SEC. 2.5. *Specific Access Requirement.* (a) Employees who have been determined to be eligible for access to classified information shall be given access to classified information only where there is a need-to-know that information.

(b) It is the responsibility of employees who are authorized holders of classified information to verify that

a prospective recipient's eligibility for access has been granted by an authorized agency official and to ensure that a need-to-know exists prior to allowing such access, and to challenge requests for access that do not appear well-founded.

SEC. 2.6. *Access by Non-United States Citizens.* (a) Where there are compelling reasons in furtherance of an agency mission, immigrant alien and foreign national employees who possess a special expertise may, in the discretion of the agency, be granted limited access to classified information only for specific programs, projects, contracts, licenses, certificates, or grants for which there is a need for access. Such individuals shall not be eligible for access to any greater level of classified information than the United States Government has determined may be releasable to the country of which the subject is currently a citizen, and such limited access may be approved only if the prior 10 years of the subject's life can be appropriately investigated. If there are any doubts concerning granting access, additional lawful investigative procedures shall be fully pursued.

(b) Exceptions to these requirements may be permitted only by the agency head or the senior agency official designated under section 6.1 of this order to further substantial national security interests.

PART 3—ACCESS ELIGIBILITY STANDARDS

SEC. 3.1. *Standards.* (a) No employee shall be deemed to be eligible for access to classified information merely by reason of Federal service or contracting, licensee, certificate holder, or grantee status, or as a matter of right or privilege, or as a result of any particular title, rank, position, or affiliation.

(b) Except as provided in sections 2.6 and 3.3 of this order, eligibility for access to classified information shall be granted only to employees who are United States citizens for whom an appropriate investigation has been completed and whose personal and professional history affirmatively indicates loyalty to the United States, strength of character, trustworthiness, honesty, reliability, discretion, and sound judgment, as well as freedom from conflicting allegiances and potential for coercion, and willingness and ability to abide by regulations governing the use, handling, and protection of classified information. A determination of eligibility for access to such information is a discretionary security decision based on judgments by appropriately trained adjudicative personnel. Eligibility shall be granted only where facts and circumstances indicate access to classified information is clearly consistent with the national security interests of the United States, and any doubt shall be resolved in favor of the national security.

(c) The United States Government does not discriminate on the basis of race, color, religion, sex, national origin, disability, or sexual orientation in granting access to classified information.

(d) In determining eligibility for access under this order, agencies may investigate and consider any matter that relates to the determination of whether access is clearly consistent with the interests of national security. No inference concerning the standards in this section may be raised solely on the basis of the sexual orientation of the employee.

(e) No negative inference concerning the standards in this section may be raised solely on the basis of mental health counseling. Such counseling can be a positive factor in eligibility determinations. However, mental health counseling, where relevant to the adjudication of access to classified information, may justify further inquiry to determine whether the standards of subsection (b) of this section are satisfied, and mental health may be considered where it directly relates to those standards.

(f) Not later than 180 days after the effective date of this order, the Security Policy Board shall develop a common set of adjudicative guidelines for determining eligibility for access to classified information, including access to special access programs.

SEC. 3.2. *Basis for Eligibility Approval.* (a) Eligibility determinations for access to classified information shall be based on information concerning the applicant or employee that is acquired through the investigation conducted pursuant to this order or otherwise available to security officials and shall be made part of the applicant's or employee's security record. Applicants or employees shall be required to provide relevant information pertaining to their background and character for use in investigating and adjudicating their eligibility for access.

(b) Not later than 180 days after the effective date of this order, the Security Policy Board shall develop a common set of investigative standards for background investigations for access to classified information. These standards may vary for the various levels of access.

(c) Nothing in this order shall prohibit an agency from utilizing any lawful investigative procedure in addition to the investigative requirements set forth in this order and its implementing regulations to resolve issues that may arise during the course of a background investigation or reinvestigation.

SEC. 3.3. *Special Circumstances.* (a) In exceptional circumstances where official functions must be performed prior to the completion of the investigative and adjudication process, temporary eligibility for access to classified information may be granted to an employee while the initial investigation is underway. When such eligibility is granted, the initial investigation shall be expedited.

(1) Temporary eligibility for access under this section shall include a justification, and the employee must be notified in writing that further access is expressly conditioned on the favorable completion of the investigation and issuance of an access eligibility approval. Access will be immediately terminated, along with any assignment requiring an access eligibility approval, if such approval is not granted.

(2) Temporary eligibility for access may be granted only by security personnel authorized by the agency head to make access eligibility determinations and shall be based on minimum investigative standards developed by the Security Policy Board not later than 180 days after the effective date of this order.

(3) Temporary eligibility for access may be granted only to particular, identified categories of classified information necessary to perform the lawful and authorized functions that are the basis for the granting of temporary access.

(b) Nothing in subsection (a) shall be construed as altering the authority of an agency head to waive requirements for granting access to classified information pursuant to statutory authority.

(c) Where access has been terminated under section 2.1(b)(4) of this order and a new need for access arises, access eligibility up to the same level shall be reapproved without further investigation as to employees who were determined to be eligible based on a favorable adjudication of an investigation completed within the prior 5 years, provided they have remained employed by the same employer during the period in question, the employee certifies in writing that there has been no change in the relevant information provided by the employee for the last background investigation, and there is no information that would tend to indicate the employee may no longer satisfy the standards established by this order for access to classified information.

(d) Access eligibility shall be reapproved for individuals who were determined to be eligible based on a favorable adjudication of an investigation completed within the prior 5 years and who have been retired or otherwise separated from United States Government employment for not more than 2 years; provided there is no indication the individual may no longer satisfy the standards of this order, the individual certifies in writing that there has been no change in the relevant information provided by the individual for the last background investigation, and an appropriate record check reveals no unfavorable information.

SEC. 3.4. *Reinvestigation Requirements.* (a) Because circumstances and characteristics may change dramatically over time and thereby alter the eligibility of employees for continued access to classified information, reinvestigations shall be conducted with the same priority and care as initial investigations.

(b) Employees who are eligible for access to classified information shall be the subject of periodic reinvestigations and may also be reinvestigated if, at any time, there is reason to believe that they may no longer meet the standards for access established in this order.

(c) Not later than 180 days after the effective date of this order, the Security Policy Board shall develop a common set of reinvestigative standards, including the frequency of reinvestigations.

PART 4—INVESTIGATIONS FOR FOREIGN GOVERNMENTS

SEC. 4. *Authority.* Agencies that conduct background investigations, including the Federal Bureau of Investigation and the Department of State, are authorized to conduct personnel security investigations in the United States when requested by a foreign government as part of its own personnel security program and with the consent of the individual.

PART 5—REVIEW OF ACCESS DETERMINATIONS

SEC. 5.1. *Determinations of Need for Access.* A determination under section 2.1(b)(4) of this order that an employee does not have, or no longer has, a need for access is a discretionary determination and shall be conclusive.

SEC. 5.2. *Review Proceedings for Denials or Revocations of Eligibility for Access.* (a) Applicants and employees who are determined to not meet the standards for access to classified information established in section 3.1 of this order shall be:

(1) provided as comprehensive and detailed a written explanation of the basis for that conclusion as the national security interests of the United States and other applicable law permit;

(2) provided within 30 days, upon request and to the extent the documents would be provided if requested under the Freedom of Information Act (5 U.S.C. 552) or the Privacy Act (3 U.S.C. 552a), as applicable, any documents, records, and reports upon which a denial or revocation is based;

(3) informed of their right to be represented by counsel or other representative at their own expense; to request any documents, records, and reports as described in section 5.2(a)(2) upon which a denial or revocation is based; and to request the entire investigative file, as permitted by the national security and other applicable law, which, if requested, shall be promptly provided prior to the time set for a written reply;

(4) provided a reasonable opportunity to reply in writing to, and to request a review of, the determination;

(5) provided written notice of and reasons for the results of the review, the identity of the deciding authority, and written notice of the right to appeal;

(6) provided an opportunity to appeal in writing to a high level panel, appointed by the agency head, which shall be comprised of at least three members, two of whom shall be selected from outside the security field. Decisions of the panel shall be in writing, and final except as provided in subsection (b) of this section; and

(7) provided an opportunity to appear personally and to present relevant documents, materials, and information at some point in the process before an adjudicative or other authority, other than the investigating entity, as determined by the agency head. A written summary or recording of such appearance shall be made part of the applicant's or employee's security record, unless such appearance occurs in the presence of the appeals panel described in subsection (a)(6) of this section.

(b) Nothing in this section shall prohibit an agency head from personally exercising the appeal authority in subsection (a)(6) of this section based upon recom-

mendations from an appeals panel. In such case, the decision of the agency head shall be final.

(c) Agency heads shall promulgate regulations to implement this section and, at their sole discretion and as resources and national security considerations permit, may provide additional review proceedings beyond those required by subsection (a) of this section. This section does not require additional proceedings, however, and creates no procedural or substantive rights.

(d) When the head of an agency or principal deputy personally certifies that a procedure set forth in this section cannot be made available in a particular case without damaging the national security interests of the United States by revealing classified information, the particular procedure shall not be made available. This certification shall be conclusive.

(e) This section shall not be deemed to limit or affect the responsibility and power of an agency head pursuant to any law or other Executive order to deny or terminate access to classified information in the interests of national security. The power and responsibility to deny or terminate access to classified information pursuant to any law or other Executive order may be exercised only where the agency head determines that the procedures prescribed in subsection (a) of this section cannot be invoked in a manner that is consistent with national security. This determination shall be conclusive.

(f)(1) This section shall not be deemed to limit or affect the responsibility and power of an agency head to make determinations of suitability for employment.

(2) Nothing in this section shall require that an agency provide the procedures prescribed in subsection (a) of this section to an applicant where a conditional offer of employment is withdrawn for reasons of suitability or any other reason other than denial of eligibility for access to classified information.

(3) A suitability determination shall not be used for the purpose of denying an applicant or employee the review proceedings of this section where there has been a denial or revocation of eligibility for access to classified information.

PART 6—IMPLEMENTATION

SEC. 6.1. *Agency Implementing Responsibilities.* Heads of agencies that grant employees access to classified information shall: (a) designate a senior agency official to direct and administer the agency's personnel security program established by this order. All such programs shall include active oversight and continuing security education and awareness programs to ensure effective implementation of this order;

(b) cooperate, under the guidance of the Security Policy Board, with other agencies to achieve practical, consistent, and effective adjudicative training and guidelines; and

(c) conduct periodic evaluations of the agency's implementation and administration of this order, including the implementation of section 1.3(a) of this order. Copies of each report shall be provided to the Security Policy Board.

SEC. 6.2. *Employee Responsibilities.* (a) Employees who are granted eligibility for access to classified information shall:

(1) protect classified information in their custody from unauthorized disclosure;

(2) report all contacts with persons, including foreign nationals, who seek in any way to obtain unauthorized access to classified information;

(3) report all violations of security regulations to the appropriate security officials; and

(4) comply with all other security requirements set forth in this order and its implementing regulations.

(b) Employees are encouraged and expected to report any information that raises doubts as to whether another employee's continued eligibility for access to classified information is clearly consistent with the national security.

SEC. 6.3. *Security Policy Board Responsibilities and Implementation.* (a) With respect to actions taken by the

Security Policy Board pursuant to sections 1.3(c), 3.1(f), 3.2(b), 3.3(a)(2), and 3.4(c) of this order, the Security Policy Board shall make recommendations to the President through the Assistant to the President for National Security Affairs for implementation.

(b) Any guidelines, standards, or procedures developed by the Security Policy Board pursuant to this order shall be consistent with those guidelines issued by the Federal Bureau of Investigation in March 1994 on Background Investigations Policy/Guidelines Regarding Sexual Orientation.

(c) In carrying out its responsibilities under this order, the Security Policy Board shall consult where appropriate with the Overseas Security Policy Board. In carrying out its responsibilities under section 1.3(c) of this order, the Security Policy Board shall obtain the concurrence of the Director of the Office of Management and Budget.

SEC. 6.4. *Sanctions.* Employees shall be subject to appropriate sanctions if they knowingly and willfully grant eligibility for, or allow access to, classified information in violation of this order or its implementing regulations. Sanctions may include reprimand, suspension without pay, removal, and other actions in accordance with applicable law and agency regulations.

PART 7—GENERAL PROVISIONS

SEC. 7.1. *Classified Information Procedures Act.* Nothing in this order is intended to alter the procedures established under the Classified Information Procedures Act (18 U.S.C. App.).

SEC. 7.2. *General.* (a) Information obtained by an agency under sections 1.2(e) or 1.3 of this order may not be disseminated outside the agency, except to:

(1) the agency employing the employee who is the subject of the records or information;

(2) the Department of Justice for law enforcement or counterintelligence purposes; or

(3) any agency if such information is clearly relevant to the authorized responsibilities of such agency.

(b) The Attorney General, at the request of the head of an agency, shall render an interpretation of this order with respect to any question arising in the course of its administration.

(c) No prior Executive orders are repealed by this order. To the extent that this order is inconsistent with any provision of any prior Executive order, this order shall control, except that this order shall not diminish or otherwise affect the requirements of Executive Order No. 10450 [5 U.S.C. 7311 note], the denial and revocation procedures provided to individuals covered by Executive Order No. 10865, as amended [set out above], or access by historical researchers and former presidential appointees under Executive Order No. 12958 [set out above] or any successor order.

(d) If any provision of this order or the application of such provision is held to be invalid, the remainder of this order shall not be affected.

(e) This Executive order is intended only to improve the internal management of the executive branch and is not intended to, and does not, create any right to administrative or judicial review, or any other right or benefit or trust responsibility, substantive or procedural, enforceable by a party against the United States, its agencies or instrumentalities, its officers or employees, or any other person.

(f) This order is effective immediately.

WILLIAM J. CLINTON.

§ 436. Requests by authorized investigative agencies

(a) Generally

(1) Any authorized investigative agency may request from any financial agency, financial institution, or holding company, or from any consumer reporting agency, such financial records, other financial information, and consumer re-

ports as may be necessary in order to conduct any authorized law enforcement investigation, counterintelligence inquiry, or security determination. Any authorized investigative agency may also request records maintained by any commercial entity within the United States pertaining to travel by an employee in the executive branch of Government outside the United States.

(2) Requests may be made under this section where—

(A) the records sought pertain to a person who is or was an employee in the executive branch of Government required by the President in an Executive order or regulation, as a condition of access to classified information, to provide consent, during a background investigation and for such time as access to the information is maintained, and for a period of not more than three years thereafter, permitting access to financial records, other financial information, consumer reports, and travel records; and

(B)(i) there are reasonable grounds to believe, based on credible information, that the person is, or may be, disclosing classified information in an unauthorized manner to a foreign power or agent of a foreign power;

(ii) information the employing agency deems credible indicates the person has incurred excessive indebtedness or has acquired a level of affluence which cannot be explained by other information known to the agency; or

(iii) circumstances indicate the person had the capability and opportunity to disclose classified information which is known to have been lost or compromised to a foreign power or an agent of a foreign power.

(3) Each such request—

(A) shall be accompanied by a written certification signed by the department or agency head or deputy department or agency head concerned, or by a senior official designated for this purpose by the department or agency head concerned (whose rank shall be no lower than Assistant Secretary or Assistant Director), and shall certify that—

(i) the person concerned is or was an employee within the meaning of paragraph (2)(A);

(ii) the request is being made pursuant to an authorized inquiry or investigation and is authorized under this section; and

(iii) the records or information to be reviewed are records or information which the employee has previously agreed to make available to the authorized investigative agency for review;

(B) shall contain a copy of the agreement referred to in subparagraph (A)(iii);

(C) shall identify specifically or by category the records or information to be reviewed; and

(D) shall inform the recipient of the request of the prohibition described in subsection (b) of this section.

(b) Disclosure of requests

Notwithstanding any other provision of law, no governmental or private entity, or officer, employee, or agent of such entity, may disclose

to any person, other than those officers, employees, or agents of such entity necessary to satisfy a request made under this section, that such entity has received or satisfied a request made by an authorized investigative agency under this section.

(c) Records or information; inspection or copying

(1) Notwithstanding any other provision of law (other than section 6103 of title 26), an entity receiving a request for records or information under subsection (a) of this section shall, if the request satisfies the requirements of this section, make available such records or information within 30 days for inspection or copying, as may be appropriate, by the agency requesting such records or information.

(2) Any entity (including any officer, employee, or agent thereof) that discloses records or information for inspection or copying pursuant to this section in good faith reliance upon the certifications made by an agency pursuant to this section shall not be liable for any such disclosure to any person under this subchapter, the constitution of any State, or any law or regulation of any State or any political subdivision of any State.

(d) Reimbursement of costs

Any agency requesting records or information under this section may, subject to the availability of appropriations, reimburse a private entity for any cost reasonably incurred by such entity in responding to such request, including the cost of identifying, reproducing, or transporting records or other data.

(e) Dissemination of records or information received

An agency receiving records or information pursuant to a request under this section may disseminate the records or information obtained pursuant to such request outside the agency only—

(1) to the agency employing the employee who is the subject of the records or information;

(2) to the Department of Justice for law enforcement or counterintelligence purposes; or

(3) with respect to dissemination to an agency of the United States, if such information is clearly relevant to the authorized responsibilities of such agency.

(f) Construction of section

Nothing in this section may be construed to affect the authority of an investigative agency to obtain information pursuant to the Right to Financial Privacy Act (12 U.S.C. 3401 et seq.) or the Fair Credit Reporting Act (15 U.S.C. 1681 et seq.).

SUBCHAPTER VII—APPLICATION OF SANCTIONS LAWS TO INTELLIGENCE ACTIVITIES

§ 441. Stay of sanctions

Notwithstanding any provision of law identified in section 441c of this title, the President may stay the imposition of an economic, cultural, diplomatic, or other sanction or related action by the United States Government concerning a foreign country, organization, or person when the President determines and reports to Congress in accordance with section 441b of this title that to proceed without delay would seriously risk the compromise of an ongoing criminal investigation directly related to the activities giving rise to the sanction or an intelligence source or method directly related to the activities giving rise to the sanction. Any such stay shall be effective for a period of time specified by the President, which period may not exceed 120 days, unless such period is extended in accordance with section 441a of this title.

§ 441a. Extension of stay

Whenever the President determines and reports to Congress in accordance with section 441b of this title that a stay of sanctions or related actions pursuant to section 441 of this title has not afforded sufficient time to obviate the risk to an ongoing criminal investigation or to an intelligence source or method that gave rise to the stay, he may extend such stay for a period of time specified by the President, which period may not exceed 120 days. The authority of this section may be used to extend the period of a stay pursuant to section 441 of this title for successive periods of not more than 120 days each.

SUBCHAPTER III—PERSONNEL SECURITY PROCEDURES IN NATIONAL SECURITY AGENCY

SUBCHAPTER REFERRED TO IN OTHER SECTIONS

This subchapter is referred to in title 5 section 2305.

§ 831. Regulations for employment security

Subject to the provisions of this subchapter, the Secretary of Defense (hereafter in this subchapter referred to as the "Secretary") shall prescribe such regulations relating to continuing security procedures as he considers necessary to assure—

(1) that no person shall be employed in, or detailed or assigned to, the National Security Agency (hereafter in this subchapter referred to as the "Agency"), or continue to be so employed, detailed, or assigned; and

(2) that no person so employed, detailed, or assigned shall have access to any classified information;

unless such employment, detail, assignment, or access to classified information is clearly consistent with the national security.

(Sept. 23, 1950, ch. 1024, title III, §301, as added Pub. L. 88-290, Mar. 26, 1964, 78 Stat. 168.)

§ 832. Full field investigation and appraisal

(a) Conditional employment; other current security clearance; circumstances authorizing employment on temporary basis

No person shall be employed in, or detailed or assigned to, the Agency unless he has been the subject of a full field investigation in connection with such employment, detail, or assignment, and is cleared for access to classified information in accordance with the provisions of this subchapter; excepting that conditional employment without access to sensitive cryptologic information or material may be tendered any applicant, under such regulations as the Secretary may prescribe, pending the completion of such full field investigation: *And provided further*, That such full field investigation at the discretion of the Secretary need not be required in the case of persons assigned or detailed to the Agency who have a current security clearance for access to sensitive cryptologic information under equivalent standards of investigation and clearance. During any period of war declared by the Congress, or during any period when the Secretary determines that a national disaster exists, or in exceptional cases in which the Secretary (or his designee for such purpose) makes a determination in writing that his action is necessary or advisable in the national interest, he may authorize the employment of any person in, or the detail or assignment of any person to, the Agency, and may grant to any such person access to classified information, on a temporary basis, pending the completion of the full field investigation and the clearance for access to classified information required by this subsection, if the Secretary determines that such action is clearly consistent with the national security.

(b) Boards of appraisal; establishment; membership; appointment; appraisal in doubtful cases; report and recommendation; qualifications of members; Secretary's clearance contrary to board's recommendation

To assist the Secretary and the Director of the Agency in carrying out their personnel security responsibilities, one or more boards of appraisal of three members each, to be appointed by the Director of the Agency, shall be established in the Agency. Such a board shall appraise the loyalty and suitability of persons for access to classified information, in those cases in which the Director of the Agency determines that there is a doubt whether their access to that information would be clearly consistent with the national security, and shall submit a report and recommendation on each such case. However, appraisal by such a board is not required before action may be taken under sections 7512 and 7532 of title 5, or any other similar provision of law. Each member of such a board shall be specially

qualified and trained for his duties as such a member, shall have been the subject of a full field investigation in connection with his appointment as such a member, and shall have been cleared by the Director for access to classified information at the time of his appointment as such a member. No person shall be cleared for access to classified information, contrary to the recommendations of any such board, unless the Secretary (or his designee for such purpose) shall make a determination in writing that such employment, detail, assignment, or access to classified information is in the national interest.

(Sept. 23, 1950, ch. 1024, title III, § 302, as added Pub. L. 88-290, Mar. 26, 1964, 78 Stat. 168.)

SUBCHAPTER IV—COMMUNIST CONTROL

§ 841. Findings and declarations of fact

The Congress finds and declares that the Communist Party of the United States, although purportedly a political party, is in fact an instrumentality of a conspiracy to overthrow the Government of the United States. It constitutes an authoritarian dictatorship within a republic, demanding for itself the rights and privileges accorded to political parties, but denying to all others the liberties guaranteed by the Constitution. Unlike political parties, which evolve their policies and programs through public means, by the reconciliation of a wide variety of individual views, and submit those policies and programs to the electorate at large for approval or disapproval, the policies and programs of the Communist Party are secretly prescribed for it by the foreign leaders of the world Communist movement. Its members have no part in determining its goals, and are not permitted to voice dissent to party objectives. Unlike members of political parties, members of the Communist Party are recruited for indoctrination with respect to its objectives and methods, and are organized, instructed, and disciplined to carry into action slavishly the assignments given them by their hierarchical chieftains. Unlike political parties, the Communist Party acknowledges no constitutional or statutory limitations upon its conduct or upon that of its members. The Communist Party is relatively small numerically, and gives scant indication of capacity ever to attain its ends by lawful political means. The peril inherent in its operation arises not from its numbers, but from its failure to acknowledge any limitation as to the nature of its activities, and its dedication to the proposition that the present constitutional Government of the United States ultimately must be brought to ruin by any available means, including resort to force and violence. Holding that doctrine, its role as the agency of a hostile foreign power renders its existence a clear present and continuing danger to the security of the United States. It is the means whereby individuals are seduced into the service of the world Communist movement, trained to do its bidding, and directed and controlled in the conspiratorial performance of their revolutionary services. Therefore, the Communist Party should be outlawed.

(Aug. 24, 1954, ch. 886, § 2, 68 Stat. 775.)

CODIFICATION

Section was enacted as part of the Communist Control Act of 1954, and not as part of the Internal Security Act of 1950 which comprises subchapters I to III of this chapter.

SHORT TITLE

Section 1 of act Aug. 24, 1954, provided: “That this Act [enacting this subchapter and section 792a of this title, amending sections 782, 784, 785, 789 to 792, and 793 of this title, and enacting provisions set out below] may be cited as the ‘Communist Control Act of 1954.’”

SEPARABILITY

Section 12 of act Aug. 24, 1954, provided: “If any provision of this title [see Short Title note above] or the application thereof to any person or circumstances is held invalid, the remainder of the title and the application

of such provisions to other persons or circumstances, shall not be affected thereby.”

The use of the word “Act”, in place of the word “title” as used in section 12 of act of Aug. 24, 1954, quoted above, was probably intended, since that act is not divided into titles.

§ 842. Proscription of Communist Party, its successors, and subsidiary organizations

The Communist Party of the United States, or any successors of such party regardless of the assumed name, whose object or purpose is to overthrow the Government of the United States, or the government of any State, Territory, District, or possession thereof, or the government of any political subdivision therein by force and violence, are not entitled to any of the rights, privileges, and immunities attendant upon legal bodies created under the jurisdiction of the laws of the United States or any political subdivision thereof; and whatever rights, privileges, and immunities which have heretofore been granted to said party or any subsidiary organization by reason of the laws of the United States or any political subdivision thereof, are terminated: *Provided, however,* That nothing in this section shall be construed as amending the Internal Security Act of 1950, as amended [50 U.S.C. 781 et seq.]

§ 1431. Authorization; official approval; Congressional action; notification of committees of certain proposed obligations, resolution of disapproval, continuity of session, computation of period

The President may authorize any department or agency of the Government which exercises functions in connection with the national defense, acting in accordance with regulations prescribed by the President for the protection of the Government, to enter into contracts or into amendments or modifications of contracts heretofore or hereafter made and to make advance payments thereon, without regard to other provisions of law relating to the making, performance, amendment, or modification of contracts, whenever he deems that such action would facilitate the national defense. The authority conferred by this section shall not be utilized to obligate the United States in an amount in excess of \$50,000 without approval by an official at or above the level of an Assistant Secretary or his Deputy, or an assistant head or his deputy, of such department or agency, or by a Contract Adjustment Board established therein. The authority conferred by this section may not be utilized to obligate the United States in any amount in excess of \$25,000,000 unless the Committees on Armed Services of the Senate and the House of Representatives have been notified in writing of such proposed obligation and 60 days of continuous session of Congress have expired following the date on which such notice was transmitted to such Committees. For purposes of this section, the continuity of a session of Congress is broken only by an adjournment of the Congress sine die at the end of a Congress, and the days on which either House is not in session because of an adjournment of more than 3 days to a day certain, or because of an adjournment sine die other than at the end of a Congress, are excluded in the computation of such 60-day period.

By virtue of the authority vested in me by the act of August 28, 1958, 72 Stat. 972, hereinafter called the act [this chapter], and as President of the United States, and deeming that such action will facilitate the national defense, it is hereby ordered as follows:

PART I—DEPARTMENT OF DEFENSE

Under such regulations, which shall be uniform to the extent practicable, as may be prescribed or approved by the Secretary of Defense:

1. The Department of Defense is authorized, within the limits of the amounts appropriated and the contract authorization provided therefor, to enter into contracts and into amendments or modifications of contracts heretofore or hereafter made, and to make advance payments thereon, without regard to the provisions of law relating to the making, performance, amendment, or modification of contracts, whenever, in the judgment of the Secretary of Defense, the Secretary of the Army, the Secretary of the Navy, or the Secretary of the Air Force, or the duly authorized representative of any such Secretary, the national defense will be facilitated thereby.

1A. (a) The limitation in paragraph 1 to amounts appropriated and the contract authorization provided therefor shall not apply to contractual provisions which provide that the United States will hold harmless and indemnify the contractor against any of the claims or losses set forth in subparagraph (b), whether resulting from the negligence or wrongful act or omission of the contractor or otherwise (except as provided in subparagraph (b)(2)). This exception from the limitations of paragraph 1 shall apply only to claims or losses arising out of or resulting from risks that the contract defines as unusually hazardous or nuclear in nature. Such a contractual provision shall be approved in advance by an official at a level not below that of the Secretary of a military department and may require each contractor so indemnified to provide and maintain financial protection of such type and in such amounts as is determined by the approving official to be appropriate under the circumstances. In deciding whether to approve the use of an indemnification provision and in determining the amount of financial protection to be provided and maintained by the indemnified contractor, the appropriate official shall take into account such factors as the availability, cost and terms of private insurance, self-insurance, other proof of financial responsibility and workmen's compensation insurance. Such approval and determination, as required by the preceding two sentences, shall be final.

(b)(1) Subparagraph (a) shall apply to claims (including reasonable expenses of litigation and settlement) or losses, not compensated by insurance or otherwise, of the following types:

(A) Claims by third persons, including employees of the contractor, for death, personal injury, or loss of, damage to, or loss of use of property;

(B) Loss of, damage to, or loss of use of property of the contractor;

(C) Loss of, damage to, or loss of use of property of the Government;

(D) Claims arising (i) from indemnification agreements between the contractor and a subcontractor or subcontractors, or (ii) from such arrangements and further indemnification arrangements between subcontractors at any tier; provided that all such arrangements were entered into pursuant to regulations prescribed or approved by the Secretaries of Defense, the Army, the Navy, or the Air Force.

(2) Indemnification and hold harmless agreements entered into pursuant to this subsection, whether between the United States and a contractor, or between a contractor and a subcontractor, or between two subcontractors, shall not cover claims or losses caused by the willful misconduct or lack of good faith on the part of any of the contractor's or subcontractor's directors or officers or principal officials which are (i) claims by the United States (other than those arising through subrogation) against the contractor or subcontractor, or (ii) losses affecting the property of such contractor or subcontractor. Regulations to be prescribed or approved by the Secretaries of Defense, the Army, the Navy or the Air Force shall define the scope of the term principal officials.

(3) The United States may discharge its obligation under a provision authorized by subparagraph (a) by making payments directly to subcontractors or to third persons to whom a contractor or subcontractor may be liable.

(c) A contractual provision made under subparagraph (a) that provides for indemnification must also provide for—

(1) notice to the United States of any claim or action against, or of any loss by, the contractor or subcontractor which is covered by such contractual provision; and

(2) control or assistance by the United States, at its election, in the settlement or defense of any such claim or action.

2. The Secretaries of Defense, the Army, the Navy, and the Air Force, respectively, may exercise the authority herein conferred and, in their discretion and by their direction, may delegate such authority to any

other military or civilian officers or officials of their respective departments, and may confer upon any such military or civilian officers or officials the power to make further delegations of such authority within their respective commands or organizations: *Provided*, That the authority herein conferred shall not be utilized to obligate the United States in an amount in excess of \$50,000 without approval by an official at or above the level of an Assistant Secretary or his Deputy, or by a departmental Contract Adjustment Board.

3. The contracts hereby authorized to be made shall include agreements of all kinds (whether in the form of letters of intent, purchase orders, or otherwise) for all types and kinds of property or services necessary, appropriate, or convenient for the national defense, or for the invention, development, or production of, or research concerning, any such property or services, including, but not limited to, aircraft, missiles, buildings, vessels, arms, armament, equipment or supplies of any kind, or any portion thereof, including plans, spare parts and equipment therefor, materials, supplies, facilities, utilities, machinery, machine tools, and any other equipment without any restriction of any kind as to type, character, location, or form.

4. The Department of Defense may by agreement modify or amend or settle claims under contracts heretofore or hereafter made, may make advance payments upon such contracts of any portion of the contract price, and may enter into agreements with contractors or obligors modifying or releasing accrued obligations of any sort, including accrued liquidated damages or liability under surety or other bonds. Amendments or modifications of contracts may be with or without consideration and may be utilized to accomplish the same things as any original contract could have accomplished hereunder, irrespective of the time or circumstances of the making, or the form, of the contract amended or modified, or of the amending or modifying contract, and irrespective of rights which may have accrued under the contract or the amendments or modifications thereof.

5. Proper records of all actions taken under the authority of the act shall be maintained within the Department of Defense. The Secretaries of Defense, the Army, the Navy, and the Air Force shall make such records available for public inspection except to the extent that they, or their duly authorized representatives, may respectively deem the disclosure of information therein to be detrimental to the national security.

6. The Department of Defense shall, by March 15 of each year, report to the Congress all actions taken within that department under the authority of the act during the preceding calendar year. With respect to actions which involve actual or potential cost to the United States in excess of \$50,000, the report shall (except as the disclosure of such information may be deemed to be detrimental to the national security)—

(a) name the contractor;

(b) state the actual cost or estimated potential cost involved;

(c) describe the property or services involved; and

(d) state further the circumstances justifying the action taken.

7. There shall be no discrimination in any act performed hereunder against any person on the ground of race, religion, color, or national origin, and all contracts entered into, amended, or modified hereunder shall contain such nondiscrimination provision as otherwise may be required by statute or Executive order.

8. No claim against the United States arising under any purchase or contract made under the authority of the act and this order shall be assigned except in accordance with the Assignment of Claims Act of 1940 (54 Stat. 1029), as amended [section 3727 of Title 31, Money and Finance, and section 15 of Title 41, Public Contracts].

9. Advance payments shall be made hereunder only upon obtaining adequate security.

10. Every contract entered into, amended, or modified pursuant to this order shall contain a warranty by the contractor in substantially the following terms:

“The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, except bonafide employees or bonafide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty the Government shall have the right to annul this contract without liability or, in its discretion, to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.”

11. Except as provided in the Act of September 27, 1966, 80 Stat. 850 [which amended section 1433 of this title, sections 2310 and 2313 of Title 10, Armed Forces, and section 254 of Title 41, Public Contracts] contracts entered into, amended, or modified pursuant to authority of this order shall include a clause to the effect that the Comptroller General of the United States or any of his duly authorized representatives shall, until the expiration of three years after final payment, have access to and the right to examine any directly pertinent books, documents, papers, and records of the contractor or any of his subcontractors engaged in the performance of, and involving transactions related to, such contracts or subcontracts. Before exercising the authority provided in the Act of September 27, 1966, 80 Stat. 850 the Secretaries of Defense, the Army, the Navy, or the Air Force, or their designees, shall first determine that all reasonable efforts have been made to include the clause prescribed above and that alternate sources of supply are not reasonably available.

12. Nothing herein contained shall be construed to constitute authorization hereunder for—

(a) the use of the cost-plus-a-percentage-of-cost system of contracting;

(b) any contract in violation of existing law relating to limitation of profits or fees;

(c) the negotiation of purchases of or contracts for property or services required by law to be procured by formal advertising and competitive bidding;

(d) the waiver of any bid, payment, performance, or other bond required by law;

(e) the amendment of a contract negotiated under section 2304(a)(15) of Title 10 of the United States Code to increase the contract price to an amount higher than the lowest rejected bid of any responsible bidder; or

(f) the formalization of an informal commitment, unless the Secretary of Defense, the Secretary of the Army, the Secretary of the Navy, or the Secretary of the Air Force, or the duly authorized representative of any such Secretary, finds that at the time the commitment was made it was impracticable to use normal procurement procedures.

13. The provisions of the Walsh-Healey Act (49 Stat. 2036), as amended [sections 35 to 45 of Title 41, Public Contracts], the Davis-Bacon Act (49 Stat. 1011), as amended [sections 276a to 276a-5 of Title 40, Public Buildings, Property, and Works], the Copeland Act (48 Stat. 948), as amended, and the Eight-Hour Law (37 Stat. 137), as amended [sections 321 to 323 of Title 40], if otherwise applicable, shall apply to contracts made and performed under the authority of this order.

14. Nothing herein contained shall prejudice anything heretofore done under Executive Order No. 9001 of December 27, 1941, or Executive Order No. 10210 of February 2, 1951, or any amendments or extensions thereof, or the continuance in force of an action heretofore taken under those orders or any amendments or extensions thereof.

15. Nothing herein contained shall prejudice any other authority which the Department of Defense may have to enter into, amend, or modify contracts, and to make advance payments.

The provisions of the National Emergencies Act [see Short Title note set out under section 1601 of this title] shall not apply to the powers and authorities conferred by this section and actions taken hereunder, see section 1651(a)(6) of this title.

§ 1433. Public record; examination of records by Comptroller General; exemptions; exceptional conditions; reports to Congress

(a) All actions under the authority of this chapter shall be made a matter of public record under regulations prescribed by the President and when deemed by him not to be detrimental to the national security.

(b) All contracts entered into, amended, or modified pursuant to authority contained in this chapter shall include a clause to the effect that the Comptroller General of the United States or any of his duly authorized representatives shall, until the expiration of three years after final payment, have access to and the right to examine any directly pertinent books, documents, papers, and records of the contractor or any of his subcontractors engaged in the performance of and involving transactions related to such contracts or subcontracts. Under regulations to be prescribed by the President, however, such clause may be omitted from contracts with foreign contractors or foreign subcontractors if the agency head determines, with the concurrence of the Comptroller General of the United States or his designee, that the omission will serve the best interests of the United States. However, the concurrence of the Comptroller General of the United States or his designee is not required for the omission of such clause—

(1) where the contractor or subcontractor is a foreign government or agency thereof or is precluded by the laws of the country involved from making its books, documents, papers, or records available for examination; and

(2) where the agency head determines, after taking into account the price and availability of the property or services from United States sources, that the public interest would be best served by the omission of the clause.

If the clause is omitted based on a determination under clause (2), a written report shall be furnished to the Congress.

DESTRUCTION OF EXISTING STOCKPILE OF LETHAL CHEMICAL AGENTS AND MUNITIONS

Section 152 of Pub. L. 104-106, as amended by Pub. L. 104-201, div. A, title I, §142, Sept. 23, 1996, 110 Stat. 2448; Pub. L. 104-208, div. A, title I, §101(b) [title VIII, §8065], Sept. 30, 1996, 110 Stat. 3009-71, 3009-102, provided that:

“(a) IN GENERAL.—The Secretary of Defense shall proceed with the program for destruction of the chemical munitions stockpile of the Department of Defense while maintaining the maximum protection of the environment, the general public, and the personnel involved in the actual destruction of the munitions. In carrying out such program, the Secretary shall use technologies and procedures that will minimize the risk to the public at each site.

“(b) INITIATION OF DEMILITARIZATION OPERATIONS.—The Secretary of Defense may not initiate destruction of the chemical munitions stockpile stored at a site until the following support measures are in place:

“(1) Support measures that are required by Department of Defense and Army chemical surety and security program regulations.

“(2) Support measures that are required by the general and site chemical munitions demilitarization plans specific to that installation.

“(3) Support measures that are required by the permits required by the Solid Waste Disposal Act (42 U.S.C. 6901 et seq.) and the Clean Air Act (42 U.S.C. 7401 et seq.) for chemical munitions demilitarization operations at that installation, as approved by the appropriate State regulatory agencies.

“(c) ASSESSMENT OF ALTERNATIVES.—(1) The Secretary of Defense shall conduct an assessment of the current chemical demilitarization program and of measures that could be taken to reduce significantly the total cost of the program, while ensuring maximum protection of the general public, the personnel involved in the demilitarization program, and the environment. The measures considered shall be limited to those that would minimize the risk to the public. The assessment shall be conducted without regard to any limitation that would otherwise apply to the conduct of such an assessment under any provision of law.

“(2) The assessment shall be conducted in coordination with the National Research Council.

“(3) Based on the results of the assessment, the Secretary shall develop appropriate recommendations for revision of the chemical demilitarization program.

“(4) Not later than March 1, 1996, the Secretary of Defense shall submit to the congressional defense committees [Committees on Armed Services and on Appropriations of the Senate and House of Representatives] an interim report assessing the current status of the chemical stockpile demilitarization program, including the results of the Army’s analysis of the physical and chemical integrity of the stockpile and implications for the chemical demilitarization program, and providing recommendations for revisions to that program that have been included in the budget request of the Department of Defense for fiscal year 1997. The Secretary shall submit to the congressional defense committees with the submission of the budget request of the Department of Defense for fiscal year 1998 a final report on the assessment conducted in accordance with paragraph (1) and recommendations for revision to the program, including an assessment of alternative demilitarization technologies and processes to the baseline incineration process and potential reconfiguration of the stockpile that should be incorporated in the program.

“(d) ASSISTANCE FOR CHEMICAL WEAPONS STOCKPILE COMMUNITIES AFFECTED BY BASE CLOSURE.—(1) The Secretary of Defense shall review and evaluate issues associated with closure and reutilization of Department of Defense facilities co-located with continuing chemical stockpile and chemical demilitarization operations.

“(2) The review shall include the following:

“(A) An analysis of the economic impacts on these communities and the unique reuse problems facing

local communities associated with ongoing chemical weapons programs.

“(B) Recommendations of the Secretary on methods for expeditious and cost-effective transfer or lease of these facilities to local communities for reuse by those communities.

“(3) The Secretary shall submit to the congressional defense committees a report on the review and evaluation under this subsection. The report shall be submitted not later than 90 days after the date of the enactment of this Act [Feb. 10, 1996].

“(e) ASSESSMENT OF ALTERNATIVE TECHNOLOGIES FOR DEMILITARIZATION OF ASSEMBLED CHEMICAL MUNITIONS.—(1) In addition to the assessment required by subsection (c), the Secretary of Defense shall conduct an assessment of the chemical demilitarization program for destruction of assembled chemical munitions and of the alternative demilitarization technologies and processes (other than incineration) that could be used for the destruction of the lethal chemical agents that are associated with these munitions, while ensuring maximum protection for the general public, the personnel involved in the demilitarization program, and the environment. The measures considered shall be limited to those that would minimize the risk to the public and reduce the total cost of the chemical agents and munitions destruction program. The assessment shall be conducted without regard to any limitation that would otherwise apply to the conduct of such assessment under any provision of law.

“(2) The assessment shall be conducted in coordination with the National Research Council.

“(3) Among the alternatives, the assessment shall include a determination of the cost of incineration of the current chemical munitions stockpile by building incinerators at each existing facility compared to the proposed cost of dismantling those same munitions, neutralizing them at each storage site (other than Tooele Army Depot or Johnston Atoll), and transporting the neutralized remains and all munitions parts to a treatment, storage, and disposal facility within the United States that has the necessary environmental permits to undertake incineration of the material.

“(4) Based on the results of the assessment, the Secretary shall develop appropriate recommendations for revision of the chemical demilitarization program.

“(5) Not later than December 31, 1997, the Secretary of Defense shall submit to Congress a report on the assessment conducted in accordance with paragraph (1) and any recommendations for revision of the chemical demilitarization program, including the continued development of alternative demilitarization technologies and processes other than incineration that could be used for the destruction of the lethal chemical agents that are associated with these assembled chemical munitions and the chemical munitions demilitarization sites for which the selected technologies should be developed.

“(f) PILOT PROGRAM FOR DEMILITARIZATION OF CHEMICAL AGENTS FOR ASSEMBLED MUNITIONS.—(1) If the Secretary of Defense makes a decision to continue the development of an alternative demilitarization technology or process (other than incineration) that could be used for the destruction of the lethal chemical agents that are associated with assembled chemical munitions, \$25,000,000 shall be available from the funds authorized to be appropriated in section 107 of the National Defense Authorization Act for Fiscal Year 1997 [Pub. L. 104-201, 110 Stat. 2440] for the chemical agents and munitions destruction program, in order to initiate a pilot program using the selected alternative technology or process for the destruction of chemical agents that are stored at these sites.

“(2) Not less than 30 days before using funds to initiate the pilot program under paragraph (1), the Secretary shall submit notice in writing to Congress of the Secretary's intent to do so.

“(3) Repealed. Pub. L. 104-208, div. A, title I, §101(b) [title VIII, §8065], Sept. 30, 1996, 110 Stat. 3009-71, 3009-102.]”

ALTERNATIVE DISPOSAL PROCESS FOR LOW-VOLUME SITES; REVISED DISPOSAL CONCEPT PLAN

Sections 174 and 175 of Pub. L. 102-484, as amended by Pub. L. 103-160, div. A, title I, §155(b), Nov. 30, 1993, 107 Stat. 1579, provided that:

“SEC. 174. ALTERNATIVE DISPOSAL PROCESS FOR LOW-VOLUME SITES.

“(a) REQUIREMENT FOR ALTERNATIVE PROCESS.—If the date by which chemical weapons destruction and demilitarization operations can be completed at a low-volume site using an alternative technology process evaluated by the Secretary of the Army falls within the deadline established by the amendment made by section 171 [amending this section] and the Secretary determines that the use of that alternative technology process for the destruction of chemical weapons at that site is significantly safer and equally or more cost-effective than the use of the baseline disassembly and incineration process, then the Secretary of the Army, as part of the requirement of section 1412(a) of Public Law 99-145 [subsec. (a) of this section], shall carry out the disposal of chemical weapons at that site using such alternative technology process. In addition, the Secretary may carry out the disposal of chemical weapons at sites other than low-volume sites using an alternative technology process (rather than the baseline process) after notifying Congress of the Secretary’s intent to do so.

“(b) APPLICABILITY OF CERTAIN PROVISIONS OF SECTION 1412.—Subsections (c), (e), (f), and (g) of section 1412 of Public Law 99-145 (50 U.S.C. 1521) shall apply to this section and to activities under this section in the same manner as if this section were part of that section 1412.

“SEC. 175. REVISED CHEMICAL WEAPONS DISPOSAL CONCEPT PLAN.

“(a) REVISED PLAN.—If, pursuant to section 174, the Secretary of the Army is required to implement an alternative technology process for destruction of chemical weapons at any low-volume site, the Secretary shall submit to Congress a revised chemical weapons disposal concept plan incorporating the alternative technology process and reflecting the revised stockpile disposal schedule developed under section 1412(b) of Public Law 99-145 (50 U.S.C. 1521(b)), as amended by section 171. In developing the revised concept plan, the Secretary should consider, to the maximum extent practicable, revisions to the program and program schedule that capitalize on the changes to the chemical demilitarization schedule resulting from the revised stockpile elimination deadline by reducing cost and decreasing program risk.

“(b) MATTERS TO BE INCLUDED.—The revised concept plan should include—

“(1) life-cycle cost estimates and schedules; and

“(2) a description of the facilities and operating procedures to be employed using the alternative technology process.

“(c) APPLICABILITY OF CERTAIN PROVISIONS OF SECTION 1412.—Subsection (c) of section 1412 of Public Law 99-145 (50 U.S.C. 1521) shall apply to the revised concept plan in the same manner as if this section were part of that section 1412.

“(d) SUBMISSION OF REVISED PLAN.—If the Secretary is required to submit a revised concept plan under this section, the Secretary shall submit the revised concept plan during the 120-day period beginning at the end of the 60-day period following the submission of the report of the Secretary required under section 173 [106 Stat. 2342].

“(e) LIMITATION.—If the Secretary is required to submit a revised concept plan under this section, no funds may be obligated for procurement of equipment or for facilities planning and design activities (other than for those preliminary planning and design activities required to comply with subsection(b)(2)) for a chemical weapons disposal facility at any low-volume site at which the Secretary intends to implement an alternative technology process until the Secretary submits the revised concept plan.”

SENSE OF CONGRESS CONCERNING INTERNATIONAL CONSULTATION AND EXCHANGE PROGRAM

Section 178 of Pub. L. 102-484 provided that: “It is the sense of Congress that the Secretary of Defense, in con-

sultation with the Secretary of State, should establish, with other nations that are anticipated to be signatories to an international agreement or treaty banning chemical weapons, a program under which consultation and exchange concerning chemical weapons disposal technology could be enhanced. Such a program shall be used to facilitate the exchange of technical information and advice concerning the disposal of chemical weapons among signatory nations and to further the development of safer, more cost-effective methods for the disposal of chemical weapons.”

“LOW-VOLUME SITE” DEFINED

Section 180 of Pub. L. 102-484 provided that: “For purposes of this subtitle [subtitle G (§§171-180) of title I of div. A of Pub. L. 102-484, amending this section and enacting provisions set out as notes above], the term ‘low-volume site’ means one of the three chemical weapons storage sites in the United States at which there is stored 5 percent or less of the total United States stockpile of unitary chemical weapons.”

MULTINATIONAL FORCE IN LEBANON RESOLUTION

Pub. L. 98-119, Oct. 12, 1983, 97 Stat. 805, provided that:

“SHORT TITLE

“SECTION 1. This joint resolution may be cited as the ‘Multinational Force in Lebanon Resolution’.

“FINDINGS AND PURPOSE

“SEC. 2. (a) The Congress finds that—

“(1) the removal of all foreign forces from Lebanon is an essential United States foreign policy objective in the Middle East;

“(2) in order to restore full control by the Government of Lebanon over its own territory, the United States is currently participating in the multinational peacekeeping force (hereafter in this resolution referred to as the ‘Multinational Force in Lebanon’) which was established in accordance with the exchange of letters between the Governments of the United States and Lebanon dated September 25, 1982;

“(3) the Multinational Force in Lebanon better enables the Government of Lebanon to establish its unity, independence, and territorial integrity;

“(4) progress toward national political reconciliation in Lebanon is necessary; and

“(5) United States Armed Forces participating in the Multinational Force in Lebanon are now in hostilities requiring authorization of their continued presence under the War Powers Resolution [50 U.S.C. 1541 et seq.].

“(b) The Congress determines that the requirements of section 4(a)(1) of the War Powers Resolution [50 U.S.C. 1543(a)(1)] became operative on August 29, 1983. Consistent with section 5(b) of the War Powers Resolution [50 U.S.C. 1544(b)], the purpose of this joint resolution is to authorize the continued participation of United States Armed Forces in the Multinational Force in Lebanon.

“(c) The Congress intends this joint resolution to constitute the necessary specific statutory authorization under the War Powers Resolution for continued participation by United States Armed Forces in the Multinational Force in Lebanon.

“AUTHORIZATION FOR CONTINUED PARTICIPATION OF UNITED STATES ARMED FORCES IN THE MULTINATIONAL FORCE IN LEBANON

“SEC. 3. The President is authorized, for purposes of section 5(b) of the War Powers Resolution [50 U.S.C. 1544(b)], to continue participation by United States Armed Forces in the Multinational Force in Lebanon, subject to the provisions of section 6 of this joint resolution. Such participation shall be limited to performance of the functions, and shall be subject to the limitations, specified in the agreement establishing the

Multinational Force in Lebanon as set forth in the exchange of letters between the Governments of the United States and Lebanon dated September 25, 1982, except that this shall not preclude such protective measures as may be necessary to ensure the safety of the Multinational Force in Lebanon.

“REPORTS TO THE CONGRESS

“SEC. 4. As required by section 4(c) of the War Powers Resolution [50 U.S.C. 1543(c)], the President shall report periodically to the Congress with respect to the situation in Lebanon, but in no event shall he report less often than once every three months. In addition to providing the information required by that section on the status, scope, and duration of hostilities involving United States Armed Forces, such reports shall describe in detail—

- “(1) the activities being performed by the Multinational Force in Lebanon;
- “(2) the present composition of the Multinational Force in Lebanon, including a description of the responsibilities and deployment of the armed forces of each participating country;
- “(3) the results of efforts to reduce and eventually eliminate the Multinational Force in Lebanon;
- “(4) how continued United States participation in the Multinational Force in Lebanon is advancing United States foreign policy interests in the Middle East; and
- “(5) what progress has occurred toward national political reconciliation among all Lebanese groups.

“STATEMENTS OF POLICY

“SEC. 5. (a) The Congress declares that the participation of the armed forces of other countries in the Multinational Force in Lebanon is essential to maintain the international character of the peacekeeping function in Lebanon.

“(b) The Congress believes that it should continue to be the policy of the United States to promote continuing discussions with Israel, Syria, and Lebanon with the objective of bringing about the withdrawal of all foreign troops from Lebanon and establishing an environment which will permit the Lebanese Armed Forces to carry out their responsibilities in the Beirut area.

“(c) It is the sense of the Congress that, not later than one year after the date of enactment of this joint resolution [Oct. 12, 1983] and at least once a year thereafter, the United States should discuss with the other members of the Security Council of the United Nations the establishment of a United Nations peacekeeping force to assume the responsibilities of the Multinational Force in Lebanon. An analysis of the implications of the response to such discussions for the continuation of the Multinational Force in Lebanon shall be included in the reports required under paragraph (3) of section 4 of this resolution.

“DURATION OF AUTHORIZATION FOR UNITED STATES PARTICIPATION IN THE MULTINATIONAL FORCE IN LEBANON

“SEC. 6. The participation of United States Armed Forces in the Multinational Force in Lebanon shall be authorized for purposes of the War Powers Resolution [50 U.S.C. 1541 et seq.] until the end of the eighteen-month period beginning on the date of enactment of this resolution [Oct. 12, 1983] unless the Congress extends such authorization, except that such authorization shall terminate sooner upon the occurrence of any one of the following:

- “(1) the withdrawal of all foreign forces from Lebanon, unless the President determines and certifies to the Congress that continued United States Armed Forces participation in the Multinational Force in Lebanon is required after such withdrawal in order to accomplish the purposes specified in the September 25, 1982, exchange of letters providing for the establishment of the Multinational Force in Lebanon; or
- “(2) the assumption by the United Nations or the Government of Lebanon of the responsibilities of the Multinational Force in Lebanon; or

“(3) the implementation of other effective security arrangements in the area; or

“(4) the withdrawal of all other countries from participation in the Multinational Force in Lebanon.

“INTERPRETATION OF THIS RESOLUTION

“SEC. 7. (a) Nothing in this joint resolution shall preclude the President from withdrawing United States Armed Forces participation in the Multinational Force in Lebanon if circumstances warrant, and nothing in this joint resolution shall preclude the Congress by joint resolution from directing such a withdrawal.

“(b) Nothing in this joint resolution modifies, limits, or supersedes any provision of the War Powers Resolution [50 U.S.C. 1541 et seq.] or the requirement of section 4(a) of the Lebanon Emergency Assistance Act of 1983, relating to congressional authorization for any substantial expansion in the number or role of United States Armed Forces in Lebanon.

“CONGRESSIONAL PRIORITY PROCEDURES FOR AMENDMENTS

“SEC. 8. (a) Any joint resolution or bill introduced to amend or repeal this Act shall be referred to the Committee on Foreign Affairs [now Committee on International Relations] of the House of Representatives or the Committee on Foreign Relations of the Senate, as the case may be. Such joint resolution or bill shall be considered by such committee within fifteen calendar days and may be reported out, together with its recommendations, unless such House shall otherwise determine pursuant to its rules.

“(b) Any joint resolution or bill so reported shall become the pending business of the House in question (in the case of the Senate the time for debate shall be equally divided between the proponents and the opponents) and shall be voted on within three calendar days thereafter, unless such House shall otherwise determine by the yeas and nays.

“(c) Such a joint resolution or bill passed by one House shall be referred to the committee of the other House named in subsection (a) and shall be reported out by such committee together with its recommendations within fifteen calendar days and shall thereupon become the pending business of such House and shall be voted upon within three calendar days, unless such House shall otherwise determine by the yeas and nays.

“(d) In the case of any disagreement between the two Houses of Congress with respect to a joint resolution or bill passed by both Houses, conferees shall be promptly appointed and the committee of conference shall make and file a report with respect to such joint resolution within six calendar days after the legislation is referred to the committee of conference. Notwithstanding any rule in either House concerning the printing of conference reports in the Record or concerning any delay in the consideration of such reports, such report shall be acted on by both Houses not later than six calendar days after the conference report is filed. In the event the conferees are unable to agree within forty-eight hours, they shall report back to their respective Houses in disagreement.”

ADHERENCE TO WAR POWERS RESOLUTION

Pub. L. 96-342, title X, §1008, Sept. 8, 1980, 94 Stat. 1122, provided that: “Whereas, the National Command Authority must have the capacity to carry out any military mission which is essential to the national security of the United States having in its hands in the Rapid Deployment Force an increased capability to extend the reach of our military power in an expedited manner; and whereas, without the significant safeguard of the War Powers Resolution (Public Law 93-148) [this chapter], United States foreign and defense policies could be subject to misinterpretation; it is therefore the sense of the Congress that the provisions of the War Powers Resolution be strictly adhered to and that the congressional consultation process specified by such Resolution be utilized strictly according to the terms of the War Powers Resolution.”

§ 1542. Consultation; initial and regular consultations

The President in every possible instance shall consult with Congress before introducing United States Armed Forces into hostilities or into situations where imminent involvement in hostilities is clearly indicated by the circumstances, and after every such introduction shall consult regularly with the Congress until United States Armed Forces are no longer engaged in hostilities or have been removed from such situations.

(Pub. L. 93-148, §3, Nov. 7, 1973, 87 Stat. 555.)

§ 1543. Reporting requirement

(a) Written report; time of submission; circumstances necessitating submission; information reported

In the absence of a declaration of war, in any case in which United States Armed Forces are introduced—

(1) into hostilities or into situations where imminent involvement in hostilities is clearly indicated by the circumstances;

(2) into the territory, airspace or waters of a foreign nation, while equipped for combat, except for deployments which relate solely to supply, replacement, repair, or training of such forces; or

(3) in numbers which substantially enlarge United States Armed Forces equipped for combat already located in a foreign nation;

the President shall submit within 48 hours to the Speaker of the House of Representatives and to the President pro tempore of the Senate a report, in writing, setting forth—

(A) the circumstances necessitating the introduction of United States Armed Forces;

(B) the constitutional and legislative authority under which such introduction took place; and

(C) the estimated scope and duration of the hostilities or involvement.

(b) Other information reported

The President shall provide such other information as the Congress may request in the fulfillment of its constitutional responsibilities with respect to committing the Nation to war and to the use of United States Armed Forces abroad.

(c) Periodic reports; semiannual requirement

Whenever United States Armed Forces are introduced into hostilities or into any situation described in subsection (a) of this section, the President shall, so long as such armed forces continue to be engaged in such hostilities or situation, report to the Congress periodically on the status of such hostilities or situation as well as on the scope and duration of such hostilities or situation, but in no event shall he report to the Congress less often than once every six months.

(Pub. L. 93-148, §4, Nov. 7, 1973, 87 Stat. 555.)

§ 1544. Congressional action

(a) Transmittal of report and referral to Congressional committees; joint request for convening Congress

If, when the report is transmitted, the Congress has adjourned sine die or has adjourned for any period in excess of three calendar days, the Speaker of the House of Representatives and the President pro tempore of the Senate, if they deem it advisable (or if petitioned by at least 30 percent of the membership of their respective Houses) shall jointly request the President to convene Congress in order that it may consider the report and take appropriate action pursuant to this section.

(b) Termination of use of United States Armed Forces; exceptions; extension period

Within sixty calendar days after a report is submitted or is required to be submitted pursuant to section 1543(a)(1) of this title, whichever is earlier, the President shall terminate any use of United States Armed Forces with respect to which such report was submitted (or required to be submitted), unless the Congress (1) has declared war or has enacted a specific authorization for such use of United States Armed Forces, (2) has extended by law such sixty-day period, or (3) is physically unable to meet as a result of an armed attack upon the United States. Such sixty-day period shall be extended for not more than an additional thirty days if the President determines and certifies to the Congress in writing that unavoidable military necessity respecting the safety of United States Armed Forces requires the continued use of such armed forces in the course of bringing about a prompt removal of such forces.

(c) Concurrent resolution for removal by President of United States Armed Forces

Notwithstanding subsection (b) of this section, at any time that United States Armed Forces are engaged in hostilities outside the territory of the United States, its possessions and territories without a declaration of war or specific statutory authorization, such forces shall be removed by the President if the Congress so directs by concurrent resolution.

IRAN AND LIBYA SANCTIONS

Pub. L. 104-172, Aug. 5, 1996, 110 Stat. 1541, provided that:

"SECTION 1. SHORT TITLE.

"This Act may be cited as the 'Iran and Libya Sanctions Act of 1996'.

"SEC. 2. FINDINGS.

"The Congress makes the following findings:

"(1) The efforts of the Government of Iran to acquire weapons of mass destruction and the means to deliver them and its support of acts of international terrorism endanger the national security and foreign policy interests of the United States and those countries with which the United States shares common strategic and foreign policy objectives.

"(2) The objective of preventing the proliferation of weapons of mass destruction and acts of international terrorism through existing multilateral and bilateral initiatives requires additional efforts to deny Iran the financial means to sustain its nuclear, chemical, biological, and missile weapons programs.

"(3) The Government of Iran uses its diplomatic facilities and quasi-governmental institutions outside of Iran to promote acts of international terrorism and assist its nuclear, chemical, biological, and missile weapons programs.

"(4) The failure of the Government of Libya to comply with Resolutions 731, 748, and 883 of the Security Council of the United Nations, its support of international terrorism, and its efforts to acquire weapons of mass destruction constitute a threat to international peace and security that endangers the national security and foreign policy interests of the United States and those countries with which it shares common strategic and foreign policy objectives.

"SEC. 3. DECLARATION OF POLICY.

"(a) POLICY WITH RESPECT TO IRAN.—The Congress declares that it is the policy of the United States to deny Iran the ability to support acts of international terrorism and to fund the development and acquisition of weapons of mass destruction and the means to deliver them by limiting the development of Iran's ability to explore for, extract, refine, or transport by pipeline petroleum resources of Iran.

"(b) POLICY WITH RESPECT TO LIBYA.—The Congress further declares that it is the policy of the United States to seek full compliance by Libya with its obliga-

tions under Resolutions 731, 748, and 883 of the Security Council of the United Nations, including ending all support for acts of international terrorism and efforts to develop or acquire weapons of mass destruction.

“SEC. 4. MULTILATERAL REGIME.

“(a) MULTILATERAL NEGOTIATIONS.—In order to further the objectives of section 3, the Congress urges the President to commence immediately diplomatic efforts, both in appropriate international fora such as the United Nations, and bilaterally with allies of the United States, to establish a multilateral sanctions regime against Iran, including provisions limiting the development of petroleum resources, that will inhibit Iran’s efforts to carry out activities described in section 2.

“(b) REPORTS TO CONGRESS.—The President shall report to the appropriate congressional committees, not later than 1 year after the date of the enactment of this Act [Aug. 5, 1996], and periodically thereafter, on the extent that diplomatic efforts described in subsection (a) have been successful. Each report shall include—

“(1) the countries that have agreed to undertake measures to further the objectives of section 3 with respect to Iran, and a description of those measures; and

“(2) the countries that have not agreed to measures described in paragraph (1), and, with respect to those countries, other measures (in addition to that provided in subsection (d)) the President recommends that the United States take to further the objectives of section 3 with respect to Iran.

“(c) WAIVER.—The President may waive the application of section 5(a) with respect to nationals of a country if—

“(1) that country has agreed to undertake substantial measures, including economic sanctions, that will inhibit Iran’s efforts to carry out activities described in section 2 and information required by subsection (b)(1) has been included in a report submitted under subsection (b); and

“(2) the President, at least 30 days before the waiver takes effect, notifies the appropriate congressional committees of his intention to exercise the waiver.

“(d) ENHANCED SANCTION.—

“(1) SANCTION.—With respect to nationals of countries except those with respect to which the President has exercised the waiver authority of subsection (c), at any time after the first report is required to be submitted under subsection (b), section 5(a) shall be applied by substituting ‘\$20,000,000’ for ‘\$40,000,000’ each place it appears, and by substituting ‘\$5,000,000’ for ‘\$10,000,000’.

“(2) REPORT TO CONGRESS.—The President shall report to the appropriate congressional committees any country with respect to which paragraph (1) applies.

“(e) INTERIM REPORT ON MULTILATERAL SANCTIONS; MONITORING.—The President, not later than 90 days after the date of the enactment of this Act, shall report to the appropriate congressional committees on—

“(1) whether the member states of the European Union, the Republic of Korea, Australia, Israel, or Japan have legislative or administrative standards providing for the imposition of trade sanctions on persons or their affiliates doing business or having investments in Iran or Libya;

“(2) the extent and duration of each instance of the application of such sanctions; and

“(3) the disposition of any decision with respect to such sanctions by the World Trade Organization or its predecessor organization.

“SEC. 5. IMPOSITION OF SANCTIONS.

“(b) MANDATORY SANCTIONS WITH RESPECT TO LIBYA.—

“(1) VIOLATIONS OF PROHIBITED TRANSACTIONS.—Except as provided in subsection (f), the President shall impose 2 or more of the sanctions described in paragraphs (1) through (6) of section 6 if the President determines that a person has, with actual knowledge, on or after the date of the enactment of this Act, exported, transferred, or otherwise provided to Libya any goods, services, technology, or other items the provision of which is prohibited under paragraph 4(b) or 5 of Resolution 748 of the Security Council of the United Nations, adopted March 31, 1992, or under paragraph 5 or 6 of Resolution 883 of the Security Council of the United Nations, adopted November 11, 1993, if the provision of such items significantly and materially—

“(A) contributed to Libya’s ability to acquire chemical, biological, or nuclear weapons or destabilizing numbers and types of advanced conventional weapons or enhanced Libya’s military or paramilitary capabilities;

“(B) contributed to Libya’s ability to develop its petroleum resources; or

“(C) contributed to Libya’s ability to maintain its aviation capabilities.

“(2) INVESTMENTS THAT CONTRIBUTE TO THE DEVELOPMENT OF PETROLEUM RESOURCES.—Except as provided in subsection (f), the President shall impose 2 or more of the sanctions described in paragraphs (1) through (6) of section 6 if the President determines that a person has, with actual knowledge, on or after the date of the enactment of this Act [Aug. 5, 1996], made an investment of \$40,000,000 or more (or any combination of investments of at least \$10,000,000 each, which in the aggregate equals or exceeds \$40,000,000 in any 12-month period), that directly and significantly contributed to the enhancement of Libya’s ability to develop its petroleum resources.

The removal of persons or entities from, and the addition of persons and entities to, the list, shall also be so published.

“(f) EXCEPTIONS.—The President shall not be required to apply or maintain the sanctions under subsection (a) or (b)—

“(1) in the case of procurement of defense articles or defense services—

“(A) under existing contracts or subcontracts, including the exercise of options for production quan-

titles to satisfy requirements essential to the national security of the United States;

“(B) if the President determines in writing that the person to which the sanctions would otherwise be applied is a sole source supplier of the defense articles or services, that the defense articles or services are essential, and that alternative sources are not readily or reasonably available; or

“(C) if the President determines in writing that such articles or services are essential to the national security under defense coproduction agreements;

“(2) in the case of procurement, to eligible products, as defined in section 308(4) of the Trade Agreements Act of 1979 (19 U.S.C. 2518(4)), of any foreign country or instrumentality designated under section 301(b)(1) of that Act (19 U.S.C. 2511(b)(1));

“(4) to—

“(3) LOANS FROM UNITED STATES FINANCIAL INSTITUTIONS.—The United States Government may prohibit any United States financial institution from making loans or providing credits to any sanctioned person totaling more than \$10,000,000 in any 12-month period unless such person is engaged in activities to relieve human suffering and the loans or credits are provided for such activities.

“(4) PROHIBITIONS ON FINANCIAL INSTITUTIONS.—The following prohibitions may be imposed against a sanctioned person that is a financial institution:

“(A) PROHIBITION ON DESIGNATION AS PRIMARY DEALER.—Neither the Board of Governors of the Federal Reserve System nor the Federal Reserve Bank of New York may designate, or permit the continuation of any prior designation of, such financial institution as a primary dealer in United States Government debt instruments.

“(B) PROHIBITION ON SERVICE AS A REPOSITORY OF GOVERNMENT FUNDS.—Such financial institution

may not serve as agent of the United States Government or serve as repository for United States Government funds.

The imposition of either sanction under subparagraph (A) or (B) shall be treated as 1 sanction for purposes of section 5, and the imposition of both such sanctions shall be treated as 2 sanctions for purposes of section 5.

“(5) PROCUREMENT SANCTION.—The United States Government may not procure, or enter into any contract for the procurement of, any goods or services from a sanctioned person.

“SEC. 7. ADVISORY OPINIONS.

“The Secretary of State may, upon the request of any person, issue an advisory opinion to that person as to whether a proposed activity by that person would subject that person to sanctions under this Act. Any person who relies in good faith on such an advisory opinion which states that the proposed activity would not subject a person to such sanctions, and any person who thereafter engages in such activity, will not be made subject to such sanctions on account of such activity.

“SEC. 8. TERMINATION OF SANCTIONS.

“(a) IRAN.—The requirement under section 5(a) to impose sanctions shall no longer have force or effect with respect to Iran if the President determines and certifies to the appropriate congressional committees that Iran—

“(1) has ceased its efforts to design, develop, manufacture, or acquire—

“(A) a nuclear explosive device or related materials and technology;

“(B) chemical and biological weapons; and

“(C) ballistic missiles and ballistic missile launch technology; and

“(b) LIBYA.—The requirement under section 5(b) to impose sanctions shall no longer have force or effect with respect to Libya if the President determines and certifies to the appropriate congressional committees that Libya has fulfilled the requirements of United Nations Security Council Resolution 731, adopted January 21, 1992, United Nations Security Council Resolution 748, adopted March 31, 1992, and United Nations Security Council Resolution 883, adopted November 11, 1993.

“(a) DELAY OF SANCTIONS.—

“(1) CONSULTATIONS.—If the President makes a determination described in section 5(a) or 5(b) with respect to a foreign person, the Congress urges the President to initiate consultations immediately with the government with primary jurisdiction over that foreign person with respect to the imposition of sanctions under this Act.

“(2) ACTIONS BY GOVERNMENT OF JURISDICTION.—In order to pursue consultations under paragraph (1) with the government concerned, the President may delay imposition of sanctions under this Act for up to 90 days. Following such consultations, the President shall immediately impose sanctions unless the President determines and certifies to the Congress that the government has taken specific and effective actions, including, as appropriate, the imposition of appropriate penalties, to terminate the involvement of the foreign person in the activities that resulted in the determination by the President under section 5(a) or 5(b) concerning such person.

“(3) ADDITIONAL DELAY IN IMPOSITION OF SANCTIONS.—The President may delay the imposition of

sanctions for up to an additional 90 days if the President determines and certifies to the Congress that the government with primary jurisdiction over the person concerned is in the process of taking the actions described in paragraph (2).

“(4) REPORT TO CONGRESS.—Not later than 90 days after making a determination under section 5(a) or 5(b), the President shall submit to the appropriate congressional committees a report on the status of consultations with the appropriate foreign government under this subsection, and the basis for any determination under paragraph (3).

“(b) DURATION OF SANCTIONS.—A sanction imposed under section 5 shall remain in effect—

“(1) for a period of not less than 2 years from the date on which it is imposed; or

“(c) PRESIDENTIAL WAIVER.—

“(1) AUTHORITY.—The President may waive the requirement in section 5 to impose a sanction or sanctions on a person described in section 5(c), and may waive the continued imposition of a sanction or sanctions under subsection (b) of this section, 30 days or more after the President determines and so reports to the appropriate congressional committees that it is important to the national interest of the United States to exercise such waiver authority.

“SEC. 586F. DECLARATIONS REGARDING IRAQ’S LONG-STANDING VIOLATIONS OF INTERNATIONAL LAW.

“(a) IRAQ’S VIOLATIONS OF INTERNATIONAL LAW.—The Congress determines that—

“(1) the Government of Iraq has demonstrated repeated and blatant disregard for its obligations under international law by violating the Charter of the United Nations, the Protocol for the Prohibition of the Use in War of Asphyxiating, Poisonous or Other Gases, and of Bacteriological Methods of Warfare (done at Geneva, June 17, 1925), as well as other international treaties;

“(2) the Government of Iraq is a party to the International Covenant on Civil and Political Rights and the International Covenant on Economic, Social, and Cultural Rights and is obligated under the Covenants, as well as the Universal Declaration of Human Rights, to respect internationally recognized human rights;

“(4) Amnesty International, Middle East Watch, and other independent human rights organizations have documented extensive, systematic, and continuing human rights abuses by the Government of Iraq, including summary executions, mass political killings, disappearances, widespread use of torture, arbitrary arrests and prolonged detention without trial of thousands of political opponents, forced relocation

and deportation, denial of nearly all civil and political rights such as freedom of association, assembly, speech, and the press, and the imprisonment, torture, and execution of children;

“(5) since 1987, the Government of Iraq has intensified its severe repression of the Kurdish minority of Iraq, deliberately destroyed more than 3,000 villages and towns in the Kurdish regions, and forcibly expelled more than 500,000 people, thus effectively depopulating the rural areas of Iraqi Kurdistan;

“(6) Iraq has blatantly violated international law by initiating use of chemical weapons in the Iran-Iraq war;

“(7) Iraq has also violated international law by using chemical weapons against its own Kurdish citizens, resulting in tens of thousands of deaths and more than 65,000 refugees;

“(8) Iraq continues to expand its chemical weapons capability, and President Saddam Hussein has threatened to use chemical weapons against other nations;

“(9) persuasive evidence exists that Iraq is developing biological weapons in violation of international law;

“(10) there are strong indications that Iraq has taken steps to produce nuclear weapons and has attempted to smuggle from the United States, in violation of United States law, components for triggering devices used in nuclear warheads whose manufacture would contravene the Treaty on the Non-Proliferation of Nuclear Weapons, to which Iraq is a party; and

“(11) Iraqi President Saddam Hussein has threatened to use terrorism against other nations in violation of international law and has increased Iraq’s support for the Palestine Liberation Organization and other Palestinian groups that have conducted terrorist acts.

“(c) SUPPORT FOR INTERNATIONAL TERRORISM.—(1) The Congress determines that Iraq is a country which has repeatedly provided support for acts of international terrorism, a country which grants sanctuary from prosecution to individuals or groups which have committed an act of international terrorism, and a country which otherwise supports international terrorism. The provisions of law specified in paragraph (2) and all other provisions of law that impose sanctions against a country which has repeatedly provided support for acts of international terrorism, which grants sanctuary from prosecution to an individual or group which has committed an act of international terrorism, or which otherwise supports international terrorism shall be fully enforced against Iraq.

“(C) sections 555 and 556 of this Act [104 Stat. 2021, 2022] (and the corresponding sections of predecessor foreign operations appropriations Acts); and

“(D) section 555 of the International Security and Development Cooperation Act of 1985 [99 Stat. 227].

“(d) MULTILATERAL COOPERATION.—The Congress calls on the President to seek multilateral cooperation—

“(1) to deny dangerous technologies to Iraq;

“(2) to induce Iraq to respect internationally recognized human rights; and

“(3) to induce Iraq to allow appropriate international humanitarian and human rights organizations to have access to Iraq and Kuwait, including the areas in northern Iraq traditionally inhabited by Kurds.

I, JIMMY CARTER, President of the United States, find that the situation in Iran constitutes an unusual and extraordinary threat to the national security, foreign policy and economy of the United States and hereby declare a national emergency to deal with that threat.

I hereby order blocked all property and interests in property of the Government of Iran, its instrumentalities and controlled entities and the Central Bank of Iran which are or become subject to the jurisdiction of the United States or which are in or come within the possession or control of persons subject to the jurisdiction of the United States.

CONTINUATION OF NATIONAL EMERGENCY DECLARED BY EX. ORD. NO. 12170

Notice of President of the United States, dated Nov. 9, 1998, 63 F.R. 63125, provided:

On November 14, 1979, by Executive Order 12170 [set out above], the President declared a national emergency to deal with the threat to the national security, foreign policy, and economy of the United States constituted by the situation in Iran. Notices of the continuation of this national emergency have been transmitted annually by the President to the Congress and the Federal Register. The most recent notice appeared in the Federal Register on October 1, 1997. Because our relations with Iran have not yet returned to normal, and the process of implementing the January 19, 1981, agreements with Iran is still underway, the national emergency declared on November 14, 1979, must continue in effect beyond November 14, 1998. Therefore, in accordance with section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)), I am continuing the national emergency with respect to Iran. This notice shall be published in the Federal Register and transmitted to the Congress.

WILLIAM J. CLINTON.

CONTINUATION OF NATIONAL EMERGENCY DECLARED BY
EX. ORD. NO. 12543

Notice of President of the United States, dated Dec. 30, 1998, 64 F.R. 383, provided:

On January 7, 1986, by Executive Order 12543 [set out above], President Reagan declared a national emergency to deal with the unusual and extraordinary threat to the national security and foreign policy of the United States constituted by the actions and policies of the Government of Libya. On January 8, 1986, by Executive Order 12544 [set out below], the President took additional measures to block Libyan assets in the United States. Every President has transmitted to the Congress and the Federal Register a notice continuing this emergency each year since 1986.

The crisis between the United States and Libya that led to the declaration of a national emergency on January 7, 1986, has not been resolved. The Government of Libya has continued its actions and policies in support of terrorism, despite the calls by the United Nations Security Council, in Resolutions 731 (1992), 748 (1992), and 883 (1993), that it demonstrate by concrete actions its renunciation of terrorism. Therefore, in accordance with section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)), I am continuing the national emergency with respect to Libya. This notice shall be published in the Federal Register and transmitted to the Congress.

WILLIAM J. CLINTON.

EX. ORD. NO. 12544. BLOCKING LIBYAN GOVERNMENT
PROPERTY IN THE UNITED STATES OR HELD BY U.S.
PERSONS

Ex. Ord. No. 12544, Jan. 8, 1986, 51 F.R. 1235, provided: By the authority vested in me as President by the Constitution and laws of the United States, including the International Emergency Economic Powers Act (50 U.S.C. 1701 *et seq.*), the National Emergencies Act (50 U.S.C. 1601 *et seq.*) and section 301 of title 3 of the United States Code, in order to take steps with respect to Libya additional to those set forth in Executive Order No. 12543 of January 7, 1986 [set out above], to deal with the threat to the national security and foreign policy of the United States referred to in that Order.

I, RONALD REAGAN, President of the United States, hereby order blocked all property and interests in property of the Government of Libya, its agencies, instrumentalities and controlled entities and the Central Bank of Libya that are in the United States, that hereafter come within the United States or that are or hereafter come within the possession or control of U.S. persons, including overseas branches of U.S. persons.

The Secretary of the Treasury, in consultation with the Secretary of State, is authorized to employ all powers granted to me by the International Emergency Economic[sic] Power[sic] Act, 50 U.S.C. 1701 *et seq.*, to carry out the provisions of this Order.

This Order is effective immediately and shall be transmitted to the Congress and published in the Federal Register.

EX. ORD. NO. 12707. TERMINATION OF EMERGENCY WITH
RESPECT TO NICARAGUA

Ex. Ord. No. 12707, Mar. 13, 1990, 55 F.R. 9707, provided: By the authority vested in me as President by the Constitution and laws of the United States of America, including the International Emergency Economic Powers Act (50 U.S.C. 1701 *et seq.*), the National Emergencies Act (50 U.S.C. 1601 *et seq.*), chapter 12 of title 50 of the United States Code (50 U.S.C. 191 *et seq.*), and section 301 of title 3 of the United States Code.

I, GEORGE BUSH, President of the United States of America, find that the February 25, 1990, democratic election in Nicaragua has ended the unusual and extraordinary threat to the national security and foreign policy of the United States previously posed by the policies and actions of the Sandinista government in that country, and the need to continue the national emergency declared in Executive Order No. 12513 of May 1, 1985, to deal with that threat.

I hereby revoke Executive Order No. 12513 and terminate the national emergency declared in that order with respect to Nicaragua.

Pursuant to section 202 of the National Emergencies Act (50 U.S.C. 1622), termination of the national emergency with respect to Nicaragua shall not affect any action taken or proceeding pending and not finally concluded or determined at the effective date of this order, or any action or proceeding based on any act committed prior to the effective date of this order, or any rights or duties that matured or penalties that were incurred prior to the effective date of this order.

This order shall take effect immediately.

GEORGE BUSH.

EX. ORD. NO. 12710. TERMINATION OF EMERGENCY WITH RESPECT TO PANAMA

Ex. Ord. No. 12710, Apr. 5, 1990, 55 F.R. 13099, provided: By the authority vested in me as President by the Constitution and laws of the United States of America, including the International Emergency Economic Powers Act (50 U.S.C. 1701 *et seq.*) (hereinafter referred to as "IEEPA"), the National Emergencies Act (50 U.S.C. 1601 *et seq.*) (hereinafter referred to as "the NEA"), chapter 12 of title 50 of the United States Code (50 U.S.C. 191 *et seq.*), and section 301 of title 3 of the United States Code.

I, GEORGE BUSH, President of the United States of America, find that the restoration of a democratically elected government in Panama has ended the unusual and extraordinary threat to the national security, foreign policy, and economy of the United States previously posed by the policies and actions of Manuel Antonio Noriega in that country, and the need to continue the national emergency declared in Executive Order No. 12635 of April 8, 1988, to deal with that threat.

I hereby revoke Executive Order No. 12635 and terminate the national emergency declared in that order with respect to Panama.

Pursuant to section 202 of the NEA (50 U.S.C. 1622), termination of the national emergency with respect to Panama shall not affect any action taken or proceeding pending not finally concluded or determined as of the effective date of this order, or any action or proceeding based on any act committed prior to the effective date of this order, or any rights or duties that matured or penalties that were incurred prior to the effective date of this order. Pursuant to section 207 (50 U.S.C. 1706) of IEEPA, I hereby determine that the continuation of prohibitions with regard to transactions involving property in which the Government of Panama has an interest is necessary on account of claims involving Panama.

SECTION 2. The following are prohibited, except to the extent provided in regulations which may hereafter be issued pursuant to this Order:

(g) Any transaction by a United States person relating to travel by any United States citizen or permanent resident alien to Iraq, or to activities by any such person within Iraq, after the date of this Order, other than transactions necessary to effect such person's departure from Iraq, or travel for journalistic activity by persons regularly employed in such capacity by a news-gathering organization; and

(h) Any transaction by any United States person which evades or avoids, or has the purpose of evading or avoiding, any of the prohibitions set forth in this Order.

For purposes of this Order, the term "United States person" means any United States citizen, permanent resident alien, juridical person organized under the laws of the United States, or any person in the United States.

[Ex. Ord. No. 12722 was revoked by Ex. Ord. No. 12724, §6, Aug. 9, 1990, 55 F.R. 33090, set out below, to the extent inconsistent with Ex. Ord. No. 12724.]

CONTINUATION OF NATIONAL EMERGENCY DECLARED BY EX. ORD. NO. 12722

Notice of President of the United States, dated July 28, 1998, 63 F.R. 41175, provided:

On August 2, 1990, by Executive Order 12722 [set out above], President Bush declared a national emergency to deal with the unusual and extraordinary threat to the national security and foreign policy of the United States constituted by the actions and policies of the Government of Iraq. By Executive Orders 12722 of August 2, 1990, and 12724 of August 9, 1990 [set out below], the President imposed trade sanctions on Iraq and blocked Iraqi government assets. Because the Government of Iraq has continued its activities hostile to

United States interests in the Middle East, the national emergency declared on August 2, 1990, and the measures adopted on August 2 and August 9, 1990, to deal with that emergency must continue in effect beyond August 2, 1998. Therefore, in accordance with section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)), I am continuing the national emergency with respect to Iraq.

This notice shall be published in the Federal Register and transmitted to the Congress.

EX. ORD. NO. 12771. REVOKING EARLIER ORDERS WITH RESPECT TO KUWAIT

Ex. Ord. No. 12771, July 25, 1991, 56 F.R. 35993, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, including the International Emergency Economic Powers Act (50 U.S.C. 1701 *et seq.*), the National Emergencies Act (50 U.S.C. 1601 *et seq.*), section 301 of title 3 of the United States Code, and United Nations Participation Act [22 U.S.C. 287 *et seq.*] (22 U.S.C. 287c).

I, GEORGE BUSH, President of the United States of America, find that the expulsion from Kuwait of Iraq's occupation forces, the restoration of Kuwait to its citizens, and the reinstatement of the lawful Government of Kuwait eliminate the need for Executive Order No. 12723 of August 2, 1990, entitled "Blocking Kuwaiti Government Property," and Executive Order No. 12725 of August 9, 1990, entitled "Blocking Kuwaiti Government Property and Prohibiting Transactions With Kuwait." Those orders were issued to protect the assets of the Government of Kuwait which were subject to United States jurisdiction, and to prevent the transfer of benefits by United States persons to Iraq based upon its invasion of Kuwait. Those orders also implemented the foreign policy and protected the national security of the United States, in conformity with applicable resolutions of the United Nations Security Council. Finding continuation of these orders unnecessary, I hereby order:

SECTION 1. Executive Order No. 12723 and Executive Order No. 12725 are hereby revoked. This revocation shall not affect the national emergency declared in Executive Order No. 12722 [set out above] to deal with the unusual and extraordinary threat to the national security and foreign policy of the United States posed by the policies and action of the Government of Iraq.

SEC. 2. This revocation shall not affect:

(a) any action taken or proceeding pending and not finally concluded or determined on the effective date of this order;

(b) any action or proceeding based on any act committed prior to the effective date of this order; or

(c) any rights or duties that matured or penalties that were incurred prior to the effective date of this order.

SEC. 3. This order shall take effect immediately.

GEORGE BUSH.

GEORGE BUSH.

CONTINUATION OF NATIONAL EMERGENCY DECLARED BY EX. ORD. NO. 12808

Notice of President of the United States, dated May 28, 1998, 63 F.R. 29527, provided:

On May 30, 1992, by Executive Order 12808 [set out above], President Bush declared a national emergency to deal with the unusual and extraordinary threat to the national security, foreign policy, and economy of the United States constituted by the actions and policies of the Governments of Serbia and Montenegro, blocking all property and interests in property of those Governments. President Bush took additional measures to prohibit trade and other transactions with the Federal Republic of Yugoslavia (Serbia and Montenegro) by Executive Order 12810 and 12831 [set out below], issued on June 5, 1992, and January 15, 1993, respectively. On April 25, 1993, I issued Executive Order 12846 [set out below], blocking the property and interests in property of all commercial, industrial, or public utility undertakings or entities organized or located in the Federal Republic of Yugoslavia (Serbia and Montenegro), and prohibiting trade-related transactions by United States persons involving those areas of Bosnia and Herzegovina controlled by Bosnian Serb forces and the United Nations Protected Areas in the Republic of Croatia. On October 25, 1994, because of the actions and policies of the Bosnian Serbs, I expanded the scope of

the national emergency by issuing Executive Order 12934 [set out below] to block the property of the Bosnian Serb forces and the authorities in the territory that they control within Bosnia and Herzegovina, as well as the property of any entity organized or located in, or controlled by any person in, or resident in, those areas.

On December 27, 1995, I issued Presidential Determination No. 96-7 [set out above], directing the Secretary of the Treasury, *inter alia*, to suspend the application of sanctions imposed on the Federal Republic of Yugoslavia (Serbia and Montenegro) pursuant to the above-referenced Executive orders and to continue to block property previously blocked until provision is made to address claims or encumbrances, including the claims of the other successor states of the former Yugoslavia. This sanctions relief, in conformity with United Nations Security Council Resolution 1022 of November 22, 1995 (hereinafter the "Resolution"), was an essential factor motivating Serbia and Montenegro's acceptance of the General Framework Agreement for Peace in Bosnia and Herzegovina initialed by the parties in Dayton on November 21, 1995, and signed in Paris on December 14, 1995 (hereinafter the "Peace Agreement"). The sanctions imposed on the Federal Republic of Yugoslavia (Serbia and Montenegro) were accordingly suspended prospectively, effective January 16, 1996. Sanctions imposed on the Bosnian Serb forces and authorities and on the territory that they control within Bosnia and Herzegovina were subsequently suspended prospectively, effective May 10, 1996, also in conformity with the Peace Agreement and the Resolution. Sanctions against both the Federal Republic of Yugoslavia (Serbia and Montenegro) and the Bosnian Serbs were subsequently terminated by United Nations Security Council Resolution 1074 of October 1, 1996. This termination, however, did not end the requirement of the Resolution that blocked funds and assets that are subject to claims and encumbrances remain blocked, until unblocked in accordance with applicable law.

In the last year, further substantial progress has been achieved to bring about a settlement of the conflict in the former Yugoslavia acceptable to the parties. Another set of elections occurred in Bosnia and Herzegovina, as provided for in the Peace Agreement, and the Bosnian Serb forces have continued to respect the zones of separation as provided in the Peace Agreement. The ultimate disposition of the various remaining categories of blocked assets is being addressed on a case-by-case basis.

Until the status of all remaining blocked property is resolved, the Peace Agreement implemented, and the terms of the Resolution met, the national emergency declared on May 30, 1992, as expanded in scope on October 25, 1994, and the measures adopted pursuant thereto to deal with that emergency must continue beyond May 30, 1998.

Therefore, in accordance with section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)), I am continuing the national emergency with respect to the Federal Republic of Yugoslavia (Serbia and Montenegro) and the Bosnian Serb forces and those areas of Bosnia and Herzegovina under the control of the Bosnian Serb forces. This notice shall be published in the Federal Register and transmitted to the Congress.

WILLIAM J. CLINTON.

EX. ORD. NO. 12865. PROHIBITING CERTAIN TRANSACTIONS WITH RESPECT TO UNITA

Ex. Ord. No. 12865, Sept. 26, 1993, 58 F.R. 51005, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, including the International Emergency Economic Powers Act (50 U.S.C. 1701 *et seq.*), the National Emergencies Act (50 U.S.C. 1601 *et seq.*), section 5 of the United Nations Participation Act of 1945, as amended (22 U.S.C. 287c), and section 301 of title 3, United States Code, and in view of United Nations Security Council Resolution No. 864 of September 15, 1993,

I, WILLIAM J. CLINTON, President of the United States of America, take note of the United Nations Security Council's determination that, as a result of UNITA's military actions, the situation in Angola constitutes a threat to international peace and security, and find that the actions and policies of UNITA, in continuing military actions, repeated attempts to seize additional territory and failure to withdraw its troops from locations that it has occupied since the resumption of hostilities, in repeatedly attacking United Nations personnel working to provide humanitarian assistance, in holding foreign nationals against their will, in refusing to accept the results of the democratic elections held in Angola in 1992, and in failing to abide by the "Acordos de Paz," constitute an unusual and extraordinary threat to the foreign policy of the United States, and hereby declare a national emergency to deal with that threat.

I hereby order:

SECTION 1. The following are prohibited, notwithstanding the existence of any rights or obligations conferred or imposed by any international agreement or contract entered into or any license or permit granted before the effective date of this order, except to the ex-

tent provided in regulations, orders, directives, or licenses which may hereafter be issued pursuant to this order:

(a) The sale or supply by United States persons or from the United States, or using U.S.-registered vessels or aircraft, of arms and related materiel of all types, including weapons and ammunition, military vehicles and equipment and spare parts for the aforementioned, as well as petroleum and petroleum products, regardless of origin:

(1) to UNITA;

(2) to the territory of Angola, other than through points of entry to be designated by the Secretary of the Treasury, or any activity by United States persons or in the United States which promotes or is calculated to promote such sale or supply.

(b) Any transaction by any United States person that evades or avoids, or has the purpose of evading or avoiding, or attempts to violate, any of the prohibitions set forth in this order.

SEC. 2. For purposes of this order:

(a) The term "United States person" means any United States citizen, permanent resident alien, juridical person organized under the laws of the United States (including foreign branches), or person in the United States;

(b) The term "UNITA" includes:

(1) the Uniao Nacional para a Independencia Total de Angola (UNITA), known in English as the "National Union for the Total Independence of Angola;"

(2) the Forças Armadas para a Libertação de Angola (FALA), known in English as the "Armed Forces for the Liberation of Angola;" and

(3) any person acting or purporting to act for or on behalf of any of the foregoing, including the Free Angola Information Service, Inc.

SEC. 3. The Secretary of the Treasury, in consultation with the Secretary of State, is hereby authorized to take such actions, including the promulgation of rules and regulations, and to employ all powers granted to the President by the International Emergency Economic Powers Act [50 U.S.C. 1701 *et seq.*] and the United Nations Participation Act [22 U.S.C. 287 *et seq.*] as may be necessary to carry out the purpose of this order. The Secretary of the Treasury may redelegate any of these functions to other officers and agencies of the United States Government.

SEC. 4. Nothing contained in the order shall be construed to supersede the requirements established under the Arms Export Control Act (22 U.S.C. 2751 *et seq.*) and the Export Administration Act (50 U.S.C. App. 2401 *et seq.*) to obtain licenses for the exportation from the United States or from a third country of any goods, data, or services subject to the export jurisdiction of the Department of State or the Department of Commerce.

SEC. 5. All Federal agencies are hereby directed to take all appropriate measures within their authority to carry out the provisions of this order, including suspension or termination of licenses or other authorizations in effect as of the date of this order.

SEC. 6. Nothing contained in this order shall create any right or benefit, substantive or procedural, enforceable by any party against the United States, its agencies or instrumentalities, its officers or employees, or any other person.

SEC. 7. (a) This order shall take effect immediately.

(b) This order shall be transmitted to the Congress and published in the Federal Register.

WILLIAM J. CLINTON.

CONTINUATION OF NATIONAL EMERGENCY DECLARED BY
EX. ORD. NO. 12865

Notice of President of the United States, dated Sept. 23, 1998, 63 F.R. 51509, provided:

On September 26, 1993, by Executive Order 12865 [set out above], I declared a national emergency to deal with the unusual and extraordinary threat to the foreign policy of the United States constituted by the ac-

tions and policies of the National Union for the Total Independence of Angola ("UNITA"), prohibiting the sale or supply by United States persons or from the United States, or using U.S. registered vessels or aircraft, of arms, related materiel of all types, petroleum, and petroleum products to the territory of Angola, other than through designated points of entry. The order also prohibits the sale or supply of such commodities to UNITA. On December 12, 1997, in order to take additional steps with respect to the national emergency declared in Executive Order 12865, I issued Executive Order 13069 [set out below], closing all UNITA offices in the United States and imposing additional sanctions with regard to the sale or supply of aircraft or aircraft parts, the granting of take-off, landing and overflight permission, and the provision of certain aircraft-related services. Most recently, on August 19, 1998, in order to take further steps with respect to the national emergency declared in Executive Order 12865, I issued Executive Order 13098 [set out below], blocking all property and interests in property of UNITA and designated UNITA officials and adult members of their immediate families, prohibiting the importation of certain diamonds exported from Angola, and imposing additional sanctions with regard to the sale or supply of equipment used in mining, motorized vehicles, watercraft, spare parts for motorized vehicles or watercraft, mining services, and ground or waterborne transportation services.

Because of our continuing international obligations and because of the prejudicial effect that discontinuation of the sanctions would have on the Angolan peace process, the national emergency declared on September 26, 1993, and the measures adopted pursuant thereto to deal with that emergency, must continue in effect beyond September 26, 1998. Therefore, in accordance with section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)), I am continuing the national emergency with respect to UNITA.

This notice shall be published in the Federal Register and transmitted to the Congress.

WILLIAM J. CLINTON.

EX. ORD. NO. 12924. CONTINUATION OF EXPORT CONTROL REGULATIONS

Ex. Ord. No. 12924, Aug. 19, 1994, 59 F.R. 43437, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, including but not limited to section 203 of the International Emergency Economic Powers Act ("Act") (50 U.S.C. 1702), I, WILLIAM J. CLINTON, President of the United States of America, find that the unrestricted access of foreign parties to U.S. goods, technology, and technical data and the existence of certain boycott practices of foreign nations, in light of the expiration of the Export Administration Act of 1979, as amended (50 U.S.C. App. 2401 *et seq.*), constitute an unusual and extraordinary threat to the national security, foreign policy, and economy of the United States and hereby declare a national emergency with respect to that threat.

Accordingly, in order (a) to exercise the necessary vigilance over exports and activities affecting the national security of the United States; (b) to further significantly the foreign policy of the United States, including its policy with respect to cooperation by U.S. persons with certain foreign boycott activities, and to fulfill its international responsibilities; and (c) to protect the domestic economy from the excessive drain of scarce materials and reduce the serious economic impact of foreign demand, it is hereby ordered as follows:

SECTION 1. To the extent permitted by law, the provisions of the Export Administration Act of 1979, as amended, and the provisions for administration of the Export Administration Act of 1979, as amended, shall be carried out under this order so as to continue in full force and effect and amend, as necessary, the export control system heretofore maintained by the Export Administration regulations issued under the Export Administration Act of 1979, as amended. The delegations of authority set forth in Executive Order No. 12002 of July 7, 1977 [50 App. U.S.C. 2403 note], as amended by Executive Order No. 12755 of March 12, 1991; Executive Order No. 12214 of May 2, 1980 [50 App. U.S.C. 2403 note]; Executive Order No. 12735 of November 16, 1990; and Executive Order No. 12851 of June 11, 1993 [22 U.S.C. 2797 note], shall be incorporated in this order and shall apply to the exercise of authorities under this order.

SEC. 2. All rules and regulations issued or continued in effect by the Secretary of Commerce under the authority of the Export Administration Act of 1979, as amended [50 App. U.S.C. 2401 et seq.], including those published in Title 15, Subtitle B, Chapter VII, Subchapter C, of the Code of Federal Regulations, Parts 768 through 799, and all orders, regulations, licenses, and other forms of administrative action issued, taken, or continued in effect pursuant thereto, shall, until amended or revoked by the Secretary of Commerce, remain in full force and effect as if issued or taken pursuant to this order, except that the provisions of sections 203(b)(2) and 206 of the Act (50 U.S.C. 1702(b)(2) and 1705) shall control over any inconsistent provisions in the regulations. Nothing in this section shall affect the continued applicability of administrative sanctions provided for by the regulations described above.

SEC. 3. Provisions for administration of section 38(e) of the Arms Export Control Act (22 U.S.C. 2778(e)) may be made and shall continue in full force and effect until amended or revoked under the authority of section 203 of the Act (50 U.S.C. 1702). To the extent permitted by

SEC. 4. Executive Order No. 12923 of June 30, 1994, is revoked, and that declaration of emergency is rescinded. The revocation of Executive Order No. 12923 shall not affect any violation of any rules, regulations, orders, licenses, and other forms of administrative action under that order that occurred during the period the order was in effect.

SEC. 5. This order shall be effective as of midnight between August 20, 1994, and August 21, 1994, and shall remain in effect until terminated.

WILLIAM J. CLINTON.

Notice of President of the United States, dated Aug. 15, 1995, 60 F.R. 42767.

EXECUTIVE ORDER NO. 12930

Ex. Ord. No. 12930, Sept. 29, 1994, 59 F.R. 50475, which directed Secretary of Commerce to take measures to restrict participation by United States persons in weapons proliferation activities, was revoked by Ex. Ord. No. 12938, §10, Nov. 14, 1994, 59 F.R. 59099, set out below.

EX. ORD. NO. 12932. TERMINATION OF EMERGENCY WITH
RESPECT TO HAITI

Ex. Ord. No. 12932, Oct. 14, 1994, 59 F.R. 52403, provided:

By the authority vested in me as President by the Constitution and laws of the United States of America, including the International Emergency Economic Powers Act (50 U.S.C. 1701 *et seq.*), the National Emergencies Act ("NEA") (50 U.S.C. 1601 *et seq.*), section 5 of the United Nations Participation Act of 1945, as amended (22 U.S.C. 287c), and section 301 of title 3, United States Code, and taking into consideration United Nations Security Council Resolution 944 of September 29, 1994,

I, WILLIAM J. CLINTON, President of the United States of America, find that the restoration of a democratically elected government in Haiti has ended the unusual and extraordinary threat to the national security, foreign policy, and economy of the United States

previously posed by the policies and actions of the *de facto* regime in Haiti and the need to continue the national emergency declared in Executive Order No. 12775 of October 4, 1991, to deal with that threat.

I hereby revoke Executive Order Nos. 12775, 12779, 12853, 12872, 12914, 12917, 12920, and 12922 and terminate the national emergency declared in Executive Order No. 12775 with respect to Haiti.

Pursuant to section 202 of the NEA (50 U.S.C. 1622), termination of the national emergency with respect to Haiti shall not affect any action taken or proceeding pending not finally concluded or determined as of the effective date of this order, or any action or proceeding based on any act committed prior to the effective date of this order, or any rights or duties that matured or penalties that were incurred prior to the effective date of this order.

This order shall take effect at 12:01 a.m. eastern daylight time on October 16, 1994.

WILLIAM J. CLINTON.

EX. ORD. NO. 12938. PROLIFERATION OF WEAPONS OF MASS DESTRUCTION

Ex. Ord. No. 12938, Nov. 14, 1994, 59 F.R. 59099, as amended by Ex. Ord. No. 13094, §1, July 28, 1998, 63 F.R. 40803, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, including the International Emergency Economic Powers Act (50 U.S.C. 1701 et seq.), the National Emergencies Act (50 U.S.C. 1601 et seq.), the Arms Export Control Act, as amended (22 U.S.C. 2751 et seq.), Executive Orders Nos. 12851 [22 U.S.C. 2797 note] and 12924 [set out above], and section 301 of title 3, United States Code,

I, WILLIAM J. CLINTON, President of the United States of America, find that the proliferation of nuclear, biological, and chemical weapons ("weapons of mass destruction") and of the means of delivering such weapons, constitutes an unusual and extraordinary threat to the national security, foreign policy, and economy of the United States, and hereby declare a national emergency to deal with that threat.

Accordingly, I hereby order:

SECTION 1. *International Negotiations.* It is the policy of the United States to lead and seek multilaterally

coordinated efforts with other countries to control the proliferation of weapons of mass destruction and the means of delivering such weapons. Accordingly, the Secretary of State shall cooperate in and lead multilateral efforts to stop the proliferation of weapons of mass destruction and their means of delivery.

SEC. 2. *Imposition of Controls.* As provided herein, the Secretary of State and the Secretary of Commerce shall use their respective authorities, including the Arms Export Control Act [22 U.S.C. 2751 et seq.] and the International Emergency Economic Powers Act [50 U.S.C. 1701 et seq.], to control any exports, to the extent they are not already controlled by the Department of Energy and the Nuclear Regulatory Commission, that either Secretary determines would assist a country in acquiring the capability to develop, produce, stockpile, deliver, or use weapons of mass destruction or their means of delivery. The Secretary of State shall pursue early negotiations with foreign governments to adopt effective measures comparable to those imposed under this order.

SEC. 3. *Department of Commerce Controls.* (a) The Secretary of Commerce shall prohibit the export of any goods, technology, or services subject to the Secretary's export jurisdiction that the Secretary of Commerce determines, in consultation with the Secretary of State, the Secretary of Defense, and other appropriate officials, would assist a foreign country in acquiring the capability to develop, produce, stockpile, deliver, or use weapons of mass destruction or their means of delivery. The Secretary of State shall pursue early negotiations with foreign governments to adopt effective measures comparable to those imposed under this section.

(b) Subsection (a) of this section will not apply to exports relating to a particular category of weapons of mass destruction (i.e., nuclear, chemical, or biological weapons) if their destination is a country with whose government the United States has entered into a bilateral or multilateral arrangement for the control of that category of weapons of mass destruction-related goods (including delivery systems) and technology, or maintains domestic export controls comparable to controls that are imposed by the United States with respect to that category of goods and technology, or that are otherwise deemed adequate by the Secretary of State.

(c) The Secretary of Commerce shall require validated licenses to implement this order and shall coordinate any license applications with the Secretary of State and the Secretary of Defense.

(d) The Secretary of Commerce, in consultation with the Secretary of State, shall take such actions, including the promulgation of rules, regulations, and amendments thereto, as may be necessary to continue to regulate the activities of United States persons in order to prevent their participation in activities that could contribute to the proliferation of weapons of mass destruction or their means of delivery, as provided in the Export Administration Regulations, set forth in Title 15, Chapter VII, Subchapter C, of the Code of Federal Regulations, Parts 768 to 799 inclusive.

SEC. 4. *Measures Against Foreign Persons.*

(a) *Determination by Secretary of State; Imposition of Measures.* Except to the extent provided in section 203(b) of the International Emergency Economic Powers Act (50 U.S.C. 1702(b)), where applicable, if the Secretary of State determines that a foreign person, on or after November 16, 1990, the effective date of Executive Order 12735, the predecessor order to Executive Order 12938, has materially contributed or attempted to contribute materially to the efforts of any foreign country, project, or entity of proliferation concern to use, acquire, design, develop, produce, or stockpile weapons of mass destruction or missiles capable of delivering such weapons, the measures set forth in subsections (b), (c), and (d) of this section shall be imposed on that foreign person to the extent determined by the Secretary of State in consultation with the implementing agency and other relevant agencies. Nothing in this section is intended to preclude the imposition on that foreign

person of other measures or sanctions available under this order or under other authorities.

(b) *Procurement Ban.* No department or agency of the United States Government may procure, or enter into any contract for the procurement of, any goods, technology, or services from any foreign person described in subsection (a) of this section.

(c) *Assistance Ban.* No department or agency of the United States Government may provide any assistance to any foreign person described in subsection (a) of this section, and no such foreign person shall be eligible to participate in any assistance program of the United States Government.

(d) *Import Ban.* The Secretary of the Treasury shall prohibit the importation into the United States of goods, technology, or services produced or provided by any foreign person described in subsection (a) of this section, other than information or informational materials within the meaning of section 203(b)(3) of the International Emergency Economic Powers Act (50 U.S.C. 1702(b)(3)).

(e) *Termination.* Measures pursuant to this section may be terminated against a foreign person if the Secretary of State determines that there is reliable evidence that such foreign person has ceased all activities referred to in subsection (a) of this section.

(f) *Exceptions.* Departments and agencies of the United States Government, acting in consultation with the Secretary of State, may, by license, regulation, order, directive, exception, or otherwise, provide for:

(i) Procurement contracts necessary to meet U.S. operational military requirements or requirements under defense production agreements; intelligence requirements; sole source suppliers, spare parts, components, routine servicing and maintenance of products for the United States Government; and medical and humanitarian items; and

(ii) Performance pursuant to contracts in force on the effective date of this order under appropriate circumstances.

SEC. 5. *Sanctions Against Foreign Countries.* (a) In addition to the sanctions imposed on foreign countries as provided in the Chemical and Biological Weapons Control and Warfare Elimination Act of 1991 [22 U.S.C. 5601 et seq.], sanctions also shall be imposed on a foreign country as specified in subsection (b) of this section, if the Secretary of State determines that the foreign country has, on or after the effective date of this order or its predecessor, Executive Order No. 12735 of November 16, 1990, (1) used chemical or biological weapons in violation of international law; (2) made substantial preparations to use chemical or biological weapons in violation of international law; or (3) developed, produced, stockpiled, or otherwise acquired chemical or biological weapons in violation of international law.

(b) The following sanctions shall be imposed on any foreign country identified in subsection (a)(1) of this section unless the Secretary of State determines, on grounds of significant foreign policy or national security, that any individual sanction should not be applied. The sanctions specified in this section may be made applicable to the countries identified in subsections (a)(2) or (a)(3) when the Secretary of State determines that such action will further the objectives of this order pertaining to proliferation. The sanctions specified in subsection (b)(2) below shall be imposed with the concurrence of the Secretary of the Treasury.

(1) *Foreign Assistance.* No assistance shall be provided to that country under the Foreign Assistance Act of 1961 [22 U.S.C. 2151 et seq.], or any successor act, or the Arms Export Control Act [22 U.S.C. 2751 et seq.], other than assistance that is intended to benefit the people of that country directly and that is not channeled through governmental agencies or entities of that country.

(2) *Multilateral Development Bank Assistance.* The United States shall oppose any loan or financial or technical assistance to that country by international financial institutions in accordance with section 701 of the International Financial Institutions Act (22 U.S.C. 262d).

(3) *Denial of Credit or Other Financial Assistance.* The United States shall deny to that country any credit or financial assistance by any department, agency, or instrumentality of the United States Government.

(4) *Prohibition of Arms Sales.* The United States Government shall not, under the Arms Export Control Act, sell to that country any defense articles or defense services or issue any license for the export of items on the United States Munitions List.

(5) *Exports of National Security-Sensitive Goods and Technology.* No exports shall be permitted of any goods or technologies controlled for national security reasons under the Export Administration Regulations.

(6) *Further Export Restrictions.* The Secretary of Commerce shall prohibit or otherwise substantially restrict exports to that country of goods, technology, and services (excluding agricultural commodities and products otherwise subject to control).

(7) *Import Restrictions.* Restrictions shall be imposed on the importation into the United States of articles (that may include petroleum or any petroleum product) that are the growth, product, or manufacture of that country.

(8) *Landing Rights.* At the earliest practicable date, the Secretary of State shall terminate, in a manner consistent with international law, the authority of any air carrier that is controlled in fact by the government of that country to engage in air transportation (as defined in section 101(10) of the Federal Aviation Act of 1958 (49 U.S.C. App. 1301(10) [see 49 U.S.C. 40102(5)]).

SEC. 6. *Duration.* Any sanctions imposed pursuant to sections 4 or 5 of this order shall remain in force until the Secretary of State determines that lifting any sanction is in the foreign policy or national security interests of the United States or, as to sanctions under section 4 of this order, until the Secretary has made the determination under section 4(e).

SEC. 7. *Implementation.* The Secretary of State, the Secretary of the Treasury, and the Secretary of Commerce are hereby authorized and directed to take such actions, including the promulgation of rules and regulations, as may be necessary to carry out the purposes of this order. These actions, and in particular those in sections 4 and 5 of this order, shall be made in consultation with the Secretary of Defense and, as appropriate, other agency heads and shall be implemented in accordance with procedures established pursuant to Executive Order No. 12851 [22 U.S.C. 2797 note]. The Secretary concerned may redelegate any of these functions to other officers in agencies of the Federal Government. All heads of departments and agencies of the United States Government are directed to take all appropriate measures within their authority to carry out the provisions of this order, including the suspension or termination of licenses or other authorizations.

SEC. 8. *Preservation of Authorities.* Nothing in this order is intended to affect the continued effectiveness of any rules, regulations, orders, licenses, or other forms of administrative action issued, taken, or continued in effect heretofore or hereafter under the authority of the International Emergency Economic Powers Act [International Emergency Economic Powers Act, 50 U.S.C. 1701 et seq.], the Export Administration Act [50 App. U.S.C. 2401 et seq.], the Arms Export Control Act [22 U.S.C. 2751 et seq.], the Nuclear Non-proliferation Act [22 U.S.C. 3201 et seq.], Executive Order No. 12730 of September 30, 1990 [50 U.S.C. 1701 note], Executive Order No. 12735 of November 16, 1990, Executive Order No. 12924 of August 18, 1994 [50 U.S.C. 1701 note], and Executive Order No. 12930 of September 29, 1994.

SEC. 9. *Judicial Review.* This order is not intended to create, nor does it create, any right or benefit, substantive or procedural, enforceable at law by a party against the United States, its agencies, officers, or any other person.

CONTINUATION OF NATIONAL EMERGENCY DECLARED BY
EX. ORD. NO. 12938

Notice of President of the United States, dated Nov. 12, 1998, 63 F.R. 63589, provided:

On November 14, 1994, by Executive Order 12938 [set out above], I declared a national emergency with respect to the unusual and extraordinary threat to the national security, foreign policy, and economy of the United States posed by the proliferation of nuclear, biological, and chemical weapons ("weapons of mass destruction") and the means of delivering such weapons. Because the proliferation of weapons of mass destruction and the means of delivering them continues to pose an unusual and extraordinary threat to the national security, foreign policy, and economy of the United States, the national emergency first declared on November 14, 1994, and extended on November 14, 1995, November 12, 1996, and November 13, 1997, must continue in effect beyond November 14, 1998. Therefore, in accordance with section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)), I am continuing the national emergency declared in Executive Order 12938.

This notice shall be published in the Federal Register and transmitted to the Congress.

WILLIAM J. CLINTON.

Prior continuations of national emergency declared by Ex. Ord. No. 12938 were contained in the following:

Notice of President of the United States, dated Nov. 12, 1997, 62 F.R. 60993.

EX. ORD. NO. 12947. PROHIBITING TRANSACTIONS WITH
TERRORISTS WHO THREATEN TO DISRUPT MIDDLE EAST
PEACE PROCESS

Ex. Ord. No. 12947, Jan. 23, 1995, 60 F.R. 5079, as amended by Ex. Ord. No. 13099, §§1, 2, Aug. 20, 1998, 63 F.R. 45167, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, including the International Emergency Economic Powers Act (50 U.S.C. 1701 *et seq.*) (IEEPA), the National Emergencies Act (50 U.S.C. 1601 *et seq.*), and section 301 of title 3, United States Code,

I, WILLIAM J. CLINTON, President of the United States of America, find that grave acts of violence committed by foreign terrorists that disrupt the Middle East peace process constitute an unusual and extraordinary threat to the national security, foreign policy, and economy of the United States, and hereby declare a national emergency to deal with that threat.

I hereby order:

SECTION 1. Except to the extent provided in section 203(b)(3) and (4) of IEEPA (50 U.S.C. 1702(b)(3) and (4)) and in regulations, orders, directives, or licenses that may be issued pursuant to this order, and notwithstanding any contract entered into or any license or permit granted prior to the effective date: (a) all property and interests in property of:

(i) the persons listed in the Annex to this order;

(ii) foreign persons designated by the Secretary of State, in coordination with the Secretary of the Treasury and the Attorney General, because they are found:

(A) to have committed, or to pose a significant risk of committing, acts of violence that have the purpose or effect of disrupting the Middle East peace process, or

(B) to assist in, sponsor, or provide financial, material, or technological support for, or services in support of, such acts of violence; and

(iii) persons determined by the Secretary of the Treasury, in coordination with the Secretary of State

and the Attorney General, to be owned or controlled by, or to act for or on behalf of, any of the foregoing persons, that are in the United States, that hereafter come within the United States, or that hereafter come within the possession or control of United States persons, are blocked;

(b) any transaction or dealing by United States persons or within the United States in property or interests in property of the persons designated in or pursuant to this order is prohibited, including the making or receiving of any contribution of funds, goods, or services to or for the benefit of such persons;

(c) any transaction by any United States person or within the United States that evades or avoids, or has the purpose of evading or avoiding, or attempts to violate, any of the prohibitions set forth in this order, is prohibited.

SEC. 2. For the purposes of this order: (a) the term "person" means an individual or entity;

(b) the term "entity" means a partnership, association, corporation, or other organization, group, or subgroup;

(c) the term "United States person" means any United States citizen, permanent resident alien, entity organized under the laws of the United States (including foreign branches), or any person in the United States; and

(d) the term "foreign person" means any citizen or national of a foreign state (including any such individual who is also a citizen or national of the United States) or any entity not organized solely under the laws of the United States or existing solely in the United States, but does not include a foreign state.

SEC. 3. I hereby determine that the making of donations of the type specified in section 203(b)(2)(A) of IEEPA (50 U.S.C. 1702(b)(2)(A)) by United States persons to persons designated in or pursuant to this order would seriously impair my ability to deal with the national emergency declared in this order, and hereby prohibit such donations as provided by section 1 of this order.

SEC. 4. (a) The Secretary of the Treasury, in consultation with the Secretary of State and, as appropriate, the Attorney General, is hereby authorized to take such actions, including the promulgation of rules and regulations, and to employ all powers granted to me by IEEPA as may be necessary to carry out the purposes of this order. The Secretary of the Treasury may redelegate any of these functions to other officers and agencies of the United States Government. All agencies of the United States Government are hereby directed to take all appropriate measures within their authority to carry out the provisions of this order.

(b) Any investigation emanating from a possible violation of this order, or of any license, order, or regulation issued pursuant to this order, shall first be coordinated with the Federal Bureau of Investigation (FBI), and any matter involving evidence of a criminal violation shall be referred to the FBI for further investigation. The FBI shall timely notify the Department of the Treasury of any action it takes on such referrals.

SEC. 5. Nothing contained in this order shall create any right or benefit, substantive or procedural, enforceable by any party against the United States, its agencies or instrumentalities, its officers or employees, or any other person.

CONTINUATION OF NATIONAL EMERGENCY DECLARED BY
 EX. ORD. NO. 12947

Notice of President of the United States, dated Jan. 20, 1999, 64 F.R. 3393, provided:

On January 23, 1995, by Executive Order 12947 [set out above], I declared a national emergency to deal with the unusual and extraordinary threat to the national security, foreign policy, and economy of the United States constituted by grave acts of violence committed by foreign terrorists that disrupt the Middle East peace process. By Executive Order 12947 of January 23, 1995, I blocked the assets in the United States, or in the control of United States persons, of foreign terrorists who threaten to disrupt the Middle East peace process. I also prohibited transactions or dealings by United States persons in such property. On August 20, 1998, by Executive Order 13099 [set out below], I identified four additional persons, including Usama bin Ladin, that threaten to disrupt the Middle East peace process. I have annually transmitted notices of the continuation of this national emergency to the Congress and the Federal Register. Last year's notice of continuation was published in the Federal Register on January 22, 1998. Because terrorist activities continue to threaten the Middle East peace process and vital interests of the United States in the Middle East, the national emergency declared on January 23, 1995, and the measures that took effect on January 24, 1995, to deal with that emergency must continue in effect beyond January 23, 1999. Therefore, in accordance with section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)), I am continuing the national emergency with respect to foreign terrorists who threaten to disrupt the Middle East peace process.

This notice shall be published in the Federal Register and transmitted to the Congress.

EX. ORD. NO. 12957. PROHIBITING CERTAIN TRANSACTIONS WITH RESPECT TO DEVELOPMENT OF IRANIAN PETROLEUM RESOURCES

Ex. Ord. No. 12957, Mar. 15, 1995, 60 F.R. 14615, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, including the International Emergency Economic Powers Act (50 U.S.C. 1701 *et seq.*), the National Emergencies Act (50 U.S.C. 1601 *et seq.*), and section 301 of title 3, United States Code,

I, WILLIAM J. CLINTON, President of the United States of America, find that the actions and policies of

the Government of Iran constitute an unusual and extraordinary threat to the national security, foreign policy, and economy of the United States, and hereby declare a national emergency to deal with that threat.

I hereby order:

SECTION 1. The following are prohibited, except to the extent provided in regulations, orders, directives, or licenses that may be issued pursuant to this order, and notwithstanding any contract entered into or any license or permit granted prior to the effective date of this order: (a) the entry into or performance by a United States person, or the approval by a United States person of the entry into or performance by an entity owned or controlled by a United States person, of (i) a contract that includes overall supervision and management responsibility for the development of petroleum resources located in Iran, or (ii) a guaranty of another person's performance under such a contract;

[Sections 1 and 2 of Ex. Ord. No. 12957 were revoked by Ex. Ord. No. 12959, § 5, May 6, 1995, 60 F.R. 24758, set out below, to the extent inconsistent with Ex. Ord. No. 12959.]

CONTINUATION OF NATIONAL EMERGENCY DECLARED BY
 EX. ORD. NO. 12957

Notice of President of the United States, dated Mar. 10, 1999, 64 F.R. 12239, provided:

On March 15, 1995, by Executive Order 12957 [set out above], I declared a national emergency with respect to Iran pursuant to the International Emergency Economic Powers Act (50 U.S.C. 1701-1706) to deal with the

threat to the national security, foreign policy, and economy of the United States constituted by the actions and policies of the Government of Iran, including its support for international terrorism, efforts to undermine the Middle East peace process, and acquisition of weapons of mass destruction and the means to deliver them. On May 6, 1995, I issued Executive Order 12959 [set out below] imposing more comprehensive sanctions to further respond to this threat, and on August 19, 1997, I issued Executive Order 13059 [set out below] consolidating and clarifying these previous orders. The last notice of continuation was published in the Federal Register on March 6, 1998.

Because the actions and policies of the Government of Iran continue to threaten the national security, foreign policy, and economy of the United States, the national emergency declared on March 15, 1995, must continue in effect beyond March 15, 1999. Therefore, in accordance with section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)), I am continuing the national emergency with respect to Iran. Because the emergency declared by Executive Order 12957 constitutes an emergency separate from that declared on November 14, 1979, by Executive Order 12170 [set out above], this renewal is distinct from the emergency renewal of November 1998. This notice shall be published in the Federal Register and transmitted to the Congress.

WILLIAM J. CLINTON.

Prior continuations of national emergency declared by Ex. Ord. No. 12957 were contained in the following: Notice of President of the United States, dated Mar. 4, 1998, 63 F.R. 11099.

Notice of President of the United States, dated Mar. 5, 1997, 62 F.R. 10409.

(e) the term "new investment" means (i) a commitment or contribution of funds or other assets, or (ii) a loan or other extension of credit.

SEC. 3. The Secretary of the Treasury, in consultation with the Secretary of State, is hereby authorized to take such actions, including the promulgation of rules and regulations, the requirement of reports, including reports by United States persons on oil transactions engaged in by their foreign affiliates with Iran or the Government of Iran, and to employ all powers granted to the President by IEEPA and ISDCA [Pub. The Secretary of the Treasury may redelegate any of these functions to other officers and agencies of the United States Government. All agencies of the United States Government are hereby directed to take all appropriate measures within their authority to carry out the provisions of this order.

SEC. 4. The Secretary of the Treasury may not authorize the exportation or reexportation to Iran, the Government of Iran, or an entity owned or controlled by the Government of Iran of any goods, technology, or services subject to export license application requirements of another agency of the United States Government, if authorization of the exportation or reexportation by that agency would be prohibited by law.

SEC. 5. Sections 1 and 2 of Executive Order No. 12613 of October 29, 1987 [formerly set out above], and sections 1 and 2 of Executive Order No. 12957 of March 15, 1995 [set out above], are hereby revoked to the extent inconsistent with this order. Otherwise, the provisions of this order supplement the provisions of Executive Orders No. 12613 and 12957.

SEC. 6. Nothing contained in this order shall create any right or benefit, substantive or procedural, enforceable by any party against the United States, its agencies or instrumentalities, its officers or employees, or any other person.

SEC. 7. The measures taken pursuant to this order are in response to actions of the Government of Iran occurring after the conclusion of the 1981 Algiers Accords, and are intended solely as a response to those later actions.

(a) any transaction or dealing by United States persons or within the United States in property or interests in property of the persons designated in or pursuant to this order;

(b) any transaction by any United States person or within the United States that evades or avoids, or has the purpose of evading or avoiding, or attempts to violate, any of the prohibitions set forth in this order.

(e) the term "narcotics trafficking" means any activity undertaken illicitly to cultivate, produce, manufacture, distribute, sell, finance or transport, or otherwise assist, abet, conspire, or collude with others in illicit activities relating to, narcotic drugs, including, but not limited to, cocaine.

SEC. 4. The Secretary of the Treasury, in consultation with the Attorney General and the Secretary of State, is hereby authorized to take such actions, including the promulgation of rules and regulations, and to employ

all powers granted to the President by IEEPA as may be necessary to carry out this order. CONTINUATION OF NATIONAL EMERGENCY DECLARED BY
EX. ORD. NO. 12978

Notice of President of the United States, dated Oct. 19, 1998, 63 F.R. 56079, provided:

On October 21, 1995, by Executive Order 12978 [set out above], I declared a national emergency to deal with the unusual and extraordinary threat to the national security, foreign policy, and economy of the United States constituted by the actions of significant foreign narcotics traffickers centered in Colombia, and the unparalleled violence, corruption, and harm that they cause in the United States and abroad. The order blocks all property and interests in property of foreign persons listed in an Annex to the order [not set out in the Code], as well as foreign persons determined to play a significant role in international narcotics trafficking centered in Colombia, to materially assist in, or provide financial or technological support for or goods or services in support of, the narcotics trafficking activities of persons designated in or pursuant to the order, or to be owned or controlled by, or to act for or on behalf of, persons designated in or pursuant to the order. The order also prohibits any transaction or dealing by United States persons or within the United States in such property or interests in property. Because the activities of significant narcotics traffickers centered in Colombia continue to threaten the national security, foreign policy, and economy of the United States and to cause unparalleled violence, corruption, and harm in the United States and abroad, the national emergency declared on October 21, 1995, and the measures adopted pursuant thereto to deal with that emergency, must continue in effect beyond October 21, 1998. Therefore, in accordance with section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)), I am continuing the national emergency for 1 year with respect to significant narcotics traffickers centered in Colombia.

This notice shall be published in the Federal Register and transmitted to the Congress.

(e) the term "resources located in Burma" means any resources, including natural, agricultural, commercial, financial, industrial, and human resources, located within the territory of Burma, including the territorial

sea, or located within the exclusive economic zone or continental shelf of Burma;

(f) the term "economic development of resources located in Burma" shall not be construed to include not-for-profit educational, health, or other humanitarian programs or activities.

SEC. 5. I hereby delegate to the Secretary of State the functions vested in me under section 570(c) and (d) of the Act, to be exercised in consultation with the heads of other agencies of the United States Government as appropriate.

SEC. 6. The Secretary of the Treasury, in consultation with the Secretary of State, is hereby authorized to take such actions, including the promulgation of rules and regulations, and to employ all powers granted to me by section 570(b) of the Act and by IEEPA, as may be necessary to carry out the purposes of this order. CONTINUATION OF NATIONAL EMERGENCY DECLARED BY EX. ORD. NO. 13067

Notice of President of the United States, dated Oct. 27, 1998, 63 F.R. 58617, provided:

On November 3, 1997, by Executive Order 13067 [set out above], I declared a national emergency to deal with the unusual and extraordinary threat to the national security and foreign policy of the United States constituted by the actions and policies of the Government of Sudan. By Executive Order 13067, I imposed trade sanctions on Sudan and blocked Sudanese government assets. Because the Government of Sudan has continued its activities hostile to United States interests, the national emergency declared on November 3,

1997, and the measures adopted on that date to deal with that emergency must continue in effect beyond November 3, 1998. Therefore, in accordance with section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)), I am continuing the national emergency for 1 year with respect to Sudan.

This notice shall be published in the Federal Register and transmitted to the Congress.

WILLIAM J. CLINTON.

§ 1802. **Electronic surveillance authorization without court order; certification by Attorney General; reports to Congressional committees; transmittal under seal; duties and compensation of communication common carrier; applications; jurisdiction of court**

(a)(1) Notwithstanding any other law, the President, through the Attorney General, may authorize electronic surveillance without a court order under this subchapter to acquire foreign intelligence information for periods of up to one year if the Attorney General certifies in writing under oath that—

(A) the electronic surveillance is solely directed at—

(i) the acquisition of the contents of communications transmitted by means of communications used exclusively between or among foreign powers, as defined in section 1801(a)(1), (2), or (3) of this title; or

(ii) the acquisition of technical intelligence, other than the spoken communications of individuals, from property or premises under the open and exclusive control of a foreign power, as defined in section 1801(a)(1), (2), or (3) of this title;

(B) there is no substantial likelihood that the surveillance will acquire the contents of any communication to which a United States person is a party; and

(C) the proposed minimization procedures with respect to such surveillance meet the definition of minimization procedures under section 1801(h) of this title; and

if the Attorney General reports such minimization procedures and any changes thereto to the House Permanent Select Committee on Intelligence and the Senate Select Committee on Intelligence at least thirty days prior to their effective date, unless the Attorney General determines immediate action is required and notifies the committees immediately of such minimization procedures and the reason for their becoming effective immediately.

(2) An electronic surveillance authorized by this subsection may be conducted only in accordance with the Attorney General’s certification and the minimization procedures adopted by him. The Attorney General shall assess compliance with such procedures and shall report such assessments to the House Permanent Select Committee on Intelligence and the Senate Select Committee on Intelligence under the provisions of section 1808(a) of this title.

(3) The Attorney General shall immediately transmit under seal to the court established under section 1803(a) of this title a copy of his certification. Such certification shall be maintained under security measures established by the Chief Justice with the concurrence of the Attorney General, in consultation with the Director of Central Intelligence, and shall remain sealed unless—

(A) an application for a court order with respect to the surveillance is made under sections 1801(h)(4) and 1804 of this title; or

(B) the certification is necessary to determine the legality of the surveillance under section 1806(f) of this title.

(4) With respect to electronic surveillance authorized by this subsection, the Attorney General may direct a specified communication common carrier to—

(A) furnish all information, facilities, or technical assistance necessary to accomplish the electronic surveillance in such a manner as will protect its secrecy and produce a minimum of interference with the services that such carrier is providing its customers; and

(B) maintain under security procedures approved by the Attorney General and the Director of Central Intelligence any records concerning the surveillance or the aid furnished which such carrier wishes to retain.

The Government shall compensate, at the prevailing rate, such carrier for furnishing such aid.

(b) Applications for a court order under this subchapter are authorized if the President has, by written authorization, empowered the Attorney General to approve applications to the court having jurisdiction under section 1803 of this title, and a judge to whom an application is made may, notwithstanding any other law, grant an order, in conformity with section 1805 of this title, approving electronic surveillance of a foreign power or an agent of a foreign power for the purpose of obtaining foreign intelligence information, except that the court shall not have jurisdiction to grant any order approving electronic surveillance directed solely as described in paragraph (1)(A) of subsection (a) of this section unless such surveillance may involve the acquisition of communications of any United States person.

If any judge so designated denies an application for an order authorizing electronic surveillance under this chapter, such judge shall provide immediately for the record a written

(b) Court of review; record, transmittal to Supreme Court

The Chief Justice shall publicly designate three judges, one of whom shall be publicly designated as the presiding judge, from the United States district courts or courts of appeals who together shall comprise a court of review which shall have jurisdiction to review the denial of any application made under this chapter. (a) Submission by Federal officer; approval of Attorney General; contents

Each application for an order approving electronic surveillance under this subchapter shall be made by a Federal officer in writing upon oath or affirmation to a judge having jurisdiction under section 1803 of this title. Each application shall require the approval of the Attorney General based upon his finding that it satisfies the criteria and requirements of such application as set forth in this subchapter. It shall include—

(1) the identity of the Federal officer making the application;

(2) the authority conferred on the Attorney General by the President of the United States and the approval of the Attorney General to make the application;

(3) the identity, if known, or a description of the target of the electronic surveillance;

(4) a statement of the facts and circumstances relied upon by the applicant to justify his belief that—

(A) the target of the electronic surveillance is a foreign power or an agent of a foreign power; and

(B) each of the facilities or places at which the electronic surveillance is directed is being used, or is about to be used, by a foreign power or an agent of a foreign power;

(A) that the certifying official deems the information sought to be foreign intelligence information;

(B) that the purpose of the surveillance is to obtain foreign intelligence information;

(C) that such information cannot reasonably be obtained by normal investigative techniques;

(D) that designates the type of foreign intelligence information being sought according to the categories described in section 1801(e) of this title; and

(E) including a statement of the basis for the certification that—

(i) the information sought is the type of foreign intelligence information designated; and

(ii) such information cannot reasonably be obtained by normal investigative techniques;

(8) a statement of the means by which the surveillance will be effected and a statement whether physical entry is required to effect the surveillance;

(10) a statement of the period of time for which the electronic surveillance is required to be maintained, and if the nature of the intelligence gathering is such that the approval of the use of electronic surveillance under this subchapter should not automatically terminate when the described type of information has first been obtained, a description of facts

supporting the belief that additional information of the same type will be obtained thereafter; and

(11) whenever more than one electronic, mechanical or other surveillance device is to be used with respect to a particular proposed electronic surveillance, the coverage of the devices involved and what minimization procedures apply to information acquired by each device.

(b) Exclusion of certain information respecting foreign power targets

Whenever the target of the electronic surveillance is a foreign power, as defined in section 1801(a)(1), (2), or (3) of this title, and each of the facilities or places at which the surveillance is directed is owned, leased, or exclusively used by that foreign power, the application need not contain the information required by paragraphs (6), (7)(E), (8), and (11) of subsection (a) of this section, but shall state whether physical entry is required to effect the surveillance and shall contain such information about the surveillance techniques and communications or other information concerning United States persons likely to be obtained as may be necessary to assess the proposed minimization procedures.

(c) Additional affidavits or certifications

The Attorney General may require any other affidavit or certification from any other officer in connection with the application.

(d) Additional information

The judge may require the applicant to furnish such other information as may be necessary to make the determinations required by section 1805 of this title.

(Pub. L. 95-511, title I, §104, Oct. 25, 1978, 92 Stat. 1788.)

DESIGNATION OF CERTAIN OFFICIALS TO MAKE CERTIFICATIONS

For designation of certain officials to make certifications required by subsec. (a)(7) of this section, see Ex. Ord. No. 12139, May 23, 1979, 44 F.R. 30311, set out under section 1802 of this title.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 1802, 1805 of this title.

§ 1805. Issuance of order

(a) Necessary findings

Upon an application made pursuant to section 1804 of this title, the judge shall enter an ex parte order as requested or as modified approving the electronic surveillance if he finds that—

(1) the President has authorized the Attorney General to approve applications for electronic surveillance for foreign intelligence information;

(2) the application has been made by a Federal officer and approved by the Attorney General;

(3) on the basis of the facts submitted by the applicant there is probable cause to believe that—

(A) the target of the electronic surveillance is a foreign power or an agent of a foreign power: *Provided*, That no United States

person may be considered a foreign power or an agent of a foreign power solely upon the basis of activities protected by the first amendment to the Constitution of the United States; and

(B) each of the facilities or places at which the electronic surveillance is directed is being used, or is about to be used, by a foreign power or an agent of a foreign power;

(4) the proposed minimization procedures meet the definition of minimization procedures under section 1804(h) of this title; and

(5) the application which has been filed contains all statements and certifications required by section 1804 of this title and, if the target is a United States person, the certification or certifications are not clearly erroneous on the basis of the statement made under section 1804(a)(7)(E) of this title and any other information furnished under section 1804(d) of this title.

(b) Specifications and directions of orders

An order approving an electronic surveillance under this section shall—

(1) specify—

(A) the identity, if known, or a description of the target of the electronic surveillance;

(B) the nature and location of each of the facilities or places at which the electronic surveillance will be directed;

(C) the type of information sought to be acquired and the type of communications or activities to be subjected to the surveillance;

(D) the means by which the electronic surveillance will be effected and whether physical entry will be used to effect the surveillance;

(E) the period of time during which the electronic surveillance is approved; and

(F) whenever more than one electronic, mechanical, or other surveillance device is to be used under the order, the authorized coverage of the devices involved and what minimization procedures shall apply to information subject to acquisition by each device; and

(2) direct—

(A) that the minimization procedures be followed;

(B) that, upon the request of the applicant, a specified communication or other common carrier, landlord, custodian, or other specified person furnish the applicant forthwith all information, facilities, or technical assistance necessary to accomplish the electronic surveillance in such a manner as will protect its secrecy and produce a minimum of interference with the services that such carrier, landlord, custodian, or other person is providing that target of electronic surveillance;

(C) that such carrier, landlord, custodian, or other person maintain under security procedures approved by the Attorney General and the Director of Central Intelligence any records concerning the surveillance or the aid furnished that such person wishes to retain; and

(D) that the applicant compensate, at the prevailing rate, such carrier, landlord, custodian, or other person for furnishing such aid.

(c) Exclusion of certain information respecting foreign power targets

Whenever the target of the electronic surveillance is a foreign power, as defined in section 1801(a)(1), (2), or (3) of this title, and each of the facilities or places at which the surveillance is directed is owned, leased, or exclusively used by that foreign power, the order need not contain the information required by subparagraphs (C), (D), and (F) of subsection (b)(1) of this section, but shall generally describe the information sought, the communications or activities to be subjected to the surveillance, and the type of electronic surveillance involved, including whether physical entry is required.

(d) Duration of order; extensions; review of circumstances under which information was acquired, retained or disseminated

(1) An order issued under this section may approve an electronic surveillance for the period necessary to achieve its purpose, or for ninety days, whichever is less, except that an order under this section shall approve an electronic surveillance targeted against a foreign power, as defined in section 1801(a)(1), (2), or (3) of this title, for the period specified in the application or for one year, whichever is less.

(2) Extensions of an order issued under this subchapter may be granted on the same basis as an original order upon an application for an extension and new findings made in the same manner as required for an original order, except that an extension of an order under this chapter for a surveillance targeted against a foreign power, as defined in section 1801(a)(5) or (6) of this title, or against a foreign power as defined in section 1801(a)(4) of this title that is not a United States person, may be for a period not to exceed one year if the judge finds probable cause to believe that no communication of any individual United States person will be acquired during the period.

(3) At or before the end of the period of time for which electronic surveillance is approved by an order or an extension, the judge may assess compliance with the minimization procedures by reviewing the circumstances under which information concerning United States persons was acquired, retained, or disseminated.

(e) Emergency orders

Notwithstanding any other provision of this subchapter, when the Attorney General reasonably determines that—

(1) an emergency situation exists with respect to the employment of electronic surveillance to obtain foreign intelligence information before an order authorizing such surveillance can with due diligence be obtained; and

(2) the factual basis for issuance of an order under this subchapter to approve such surveillance exists;

he may authorize the emergency employment of electronic surveillance if a judge having jurisdiction under section 1803 of this title is informed by the Attorney General or his designee at the time of such authorization that the deci-

sion has been made to employ emergency electronic surveillance and if an application in accordance with this subchapter is made to that judge as soon as practicable, but not more than twenty-four hours after the Attorney General authorizes such surveillance. If the Attorney General authorizes such emergency employment of electronic surveillance, he shall require that the minimization procedures required by this subchapter for the issuance of a judicial order be followed. In the absence of a judicial order approving such electronic surveillance, the surveillance shall terminate when the information sought is obtained, when the application for the order is denied, or after the expiration of twenty-four hours from the time of authorization by the Attorney General, whichever is earliest. In the event that such application for approval is denied, or in any other case where the electronic surveillance is terminated and no order is issued approving the surveillance, no information obtained or evidence derived from such surveillance shall be received in evidence or otherwise disclosed in any trial, hearing, or other proceeding in or before any court, grand jury, department, office, agency, regulatory body, legislative committee, or other authority of the United States, a State, or political subdivision thereof, and no information concerning any United States person acquired from such surveillance shall subsequently be used or disclosed in any other manner by Federal officers or employees without the consent of such person, except with the approval of the Attorney General if the information indicates a threat of death or serious bodily harm to any person. A denial of the application made under this subsection may be reviewed as provided in section 1803 of this title.

(f) Testing of electronic equipment; discovering unauthorized electronic surveillance; training of intelligence personnel

Notwithstanding any other provision of this subchapter, officers, employees, or agents of the United States are authorized in the normal course of their official duties to conduct electronic surveillance not targeted against the communications of any particular person or persons, under procedures approved by the Attorney General, solely to—

(1) test the capability of electronic equipment, if—

(A) it is not reasonable to obtain the consent of the persons incidentally subjected to the surveillance;

(B) the test is limited in extent and duration to that necessary to determine the capability of the equipment;

(C) the contents of any communication acquired are retained and used only for the purpose of determining the capability of the equipment, and are destroyed before or immediately upon completion of the test; and:

(D) *Provided*, That the test may exceed ninety days only with the prior approval of the Attorney General;

(2) determine the existence and capability of electronic surveillance equipment being used by persons not authorized to conduct electronic surveillance, if—

(A) it is not reasonable to obtain the consent of persons incidentally subjected to the surveillance;

(B) such electronic surveillance is limited in extent and duration to that necessary to determine the existence and capability of such equipment; and

(C) any information acquired by such surveillance is used only to enforce chapter 119 of title 18, or section 605 of title 47, or to protect information from unauthorized surveillance; or

(3) train intelligence personnel in the use of electronic surveillance equipment, if—

(A) it is not reasonable to—

(i) obtain the consent of the persons incidentally subjected to the surveillance;

(ii) train persons in the course of surveillances otherwise authorized by this subchapter; or

(iii) train persons in the use of such equipment without engaging in electronic surveillance;

(B) such electronic surveillance is limited in extent and duration to that necessary to train the personnel in the use of the equipment; and

(C) no contents of any communication acquired are retained or disseminated for any purpose, but are destroyed as soon as reasonably possible.

(g) Retention of certifications, applications and orders

Certifications made by the Attorney General pursuant to section 1802(a) of this title and applications made and orders granted under this subchapter shall be retained for a period of at least ten years from the date of the certification or application.

(Pub. L. 95-511, title I, §105, Oct. 25, 1978, 92 Stat. 1790; Pub. L. 98-549, §6(b)(3), Oct. 30, 1984, 98 Stat. 2804.)

AMENDMENTS

1984—Subsec. (f)(2)(C). Pub. L. 98-549 substituted “section 705” for “section 605” in the original to accommodate renumbering of sections in subchapter VI (section 601 et seq.) of chapter 5 of Title 47, Telegraphs, Telephones, and Radiotelegraphs, by section 6(a) of Pub. L. 98-549. Because both sections translate as “section 605 of Title 47”, the amendment by Pub. L. 98-549 resulted in no change in text.

EFFECTIVE DATE OF 1984 AMENDMENT

Amendment by Pub. L. 98-549 effective 60 days after Oct. 30, 1984, except where otherwise expressly provided, see section 9(a) of Pub. L. 98-549, set out as a note under section 521 of Title 47, Telegraphs, Telephones, and Radiotelegraphs.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 1801, 1802, 1804, 1806, 1842 of this title; title 47 section 1002.

§ 1806. Use of information

(a) Compliance with minimization procedures; privileged communications; lawful purposes

Information acquired from an electronic surveillance conducted pursuant to this subchapter concerning any United States person may be

used and disclosed by Federal officers and employees without the consent of the United States person only in accordance with the minimization procedures required by this subchapter. No otherwise privileged communication obtained in accordance with, or in violation of, the provisions of this subchapter shall lose its privileged character. No information acquired from an electronic surveillance pursuant to this subchapter may be used or disclosed by Federal officers or employees except for lawful purposes.

(b) Statement for disclosure

No information acquired pursuant to this subchapter shall be disclosed for law enforcement purposes unless such disclosure is accompanied by a statement that such information, or any information derived therefrom, may only be used in a criminal proceeding with the advance authorization of the Attorney General.

(c) Notification by United States

Whenever the Government intends to enter into evidence or otherwise use or disclose in any trial, hearing, or other proceeding in or before any court, department, officer, agency, regulatory body, or other authority of the United States, against an aggrieved person, any information obtained or derived from an electronic surveillance of that aggrieved person pursuant to the authority of this subchapter, the Government shall, prior to the trial, hearing, or other proceeding or at a reasonable time prior to an effort to so disclose or so use that information or submit it in evidence, notify the aggrieved person and the court or other authority in which the information is to be disclosed or used that the Government intends to so disclose or so use such information.

(d) Notification by States or political subdivisions

Whenever any State or political subdivision thereof intends to enter into evidence or otherwise use or disclose in any trial, hearing, or other proceeding in or before any court, department, officer, agency, regulatory body, or other authority of a State or a political subdivision thereof, against an aggrieved person any information obtained or derived from an electronic surveillance of that aggrieved person pursuant to the authority of this subchapter, the State or political subdivision thereof shall notify the aggrieved person, the court or other authority in which the information is to be disclosed or used, and the Attorney General that the State or political subdivision thereof intends to so disclose or so use such information.

(e) Motion to suppress

Any person against whom evidence obtained or derived from an electronic surveillance to which he is an aggrieved person is to be, or has been, introduced or otherwise used or disclosed in any trial, hearing, or other proceeding in or before any court, department, officer, agency, regulatory body, or other authority of the United States, a State, or a political subdivision thereof, may move to suppress the evidence obtained or derived from such electronic surveillance on the grounds that—

- (1) the information was unlawfully acquired;
- or

- (2) the surveillance was not made in conformity with an order of authorization or approval.

Such a motion shall be made before the trial, hearing, or other proceeding unless there was no opportunity to make such a motion or the person was not aware of the grounds of the motion.

(f) In camera and ex parte review by district court

Whenever a court or other authority is notified pursuant to subsection (c) or (d) of this section, or whenever a motion is made pursuant to subsection (e) of this section, or whenever any motion or request is made by an aggrieved person pursuant to any other statute or rule of the United States or any State before any court or other authority of the United States or any State to discover or obtain applications or orders or other materials relating to electronic surveillance or to discover, obtain, or suppress evidence or information obtained or derived from electronic surveillance under this chapter, the United States district court or, where the motion is made before another authority, the United States district court in the same district as the authority, shall, notwithstanding any other law, if the Attorney General files an affidavit under oath that disclosure or an adversary hearing would harm the national security of the United States, review in camera and ex parte the application, order, and such other materials relating to the surveillance as may be necessary to determine whether the surveillance of the aggrieved person was lawfully authorized and conducted. In making this determination, the court may disclose to the aggrieved person, under appropriate security procedures and protective orders, portions of the application, order, or other materials relating to the surveillance only where such disclosure is necessary to make an accurate determination of the legality of the surveillance.

(g) Suppression of evidence; denial of motion

If the United States district court pursuant to subsection (f) of this section determines that the surveillance was not lawfully authorized or conducted, it shall, in accordance with the requirements of law, suppress the evidence which was unlawfully obtained or derived from electronic surveillance of the aggrieved person or otherwise grant the motion of the aggrieved person. If the court determines that the surveillance was lawfully authorized and conducted, it shall deny the motion of the aggrieved person except to the extent that due process requires discovery or disclosure.

(h) Finality of orders

Orders granting motions or requests under subsection (g) of this section, decisions under this section that electronic surveillance was not lawfully authorized or conducted, and orders of the United States district court requiring review or granting disclosure of applications, orders, or other materials relating to a surveillance shall be final orders and binding upon all courts of the United States and the several States except a United States court of appeals and the Supreme Court.

(i) Destruction of unintentionally acquired information

In circumstances involving the unintentional acquisition by an electronic, mechanical, or other surveillance device of the contents of any radio communication, under circumstances in which a person has a reasonable expectation of privacy and a warrant would be required for law enforcement purposes, and if both the sender and all intended recipients are located within the United States, such contents shall be destroyed upon recognition, unless the Attorney General determines that the contents indicate a threat of death or serious bodily harm to any person.

(j) Notification of emergency employment of electronic surveillance; contents; postponement, suspension or elimination

If an emergency employment of electronic surveillance is authorized under section 1805(e) of this title and a subsequent order approving the surveillance is not obtained, the judge shall cause to be served on any United States person named in the application and on such other United States persons subject to electronic surveillance as the judge may determine in his discretion it is in the interest of justice to serve, notice of—

- (1) the fact of the application;
- (2) the period of the surveillance; and
- (3) the fact that during the period information was or was not obtained.

On an ex parte showing of good cause to the judge the serving of the notice required by this subsection may be postponed or suspended for a period not to exceed ninety days. Thereafter, on a further ex parte showing of good cause, the court shall forego ordering the serving of the notice required under this subsection.

(3) “Foreign Intelligence Surveillance Court” means the court established by section 1803(a) of this title.

(4) “Minimization procedures” with respect to physical search, means—

(A) specific procedures, which shall be adopted by the Attorney General, that are reasonably designed in light of the purposes and technique of the particular physical search, to minimize the acquisition and retention, and prohibit the dissemination, of nonpublicly available information concerning unconsenting United States persons consistent with the need of the United States to obtain, produce, and disseminate foreign intelligence information;

(B) procedures that require that nonpublicly available information, which is not foreign intelligence information, as defined in section 1801(e)(1) of this title, shall not be disseminated in a manner that identifies any United States person, without such person's consent, unless such person's identity is necessary to understand such foreign intelligence information or assess its importance;

§ 1822. Authorization of physical searches for foreign intelligence purposes

(a) Presidential authorization

(1) Notwithstanding any other provision of law, the President, acting through the Attorney General, may authorize physical searches without a court order under this subchapter to acquire foreign intelligence information for periods of up to one year if—

(A) the Attorney General certifies in writing under oath that—

(i) the physical search is solely directed at premises, information, material, or property used exclusively by, or under the open and exclusive control of, a foreign power or powers (as defined in section 1801(a)(1), (2), or (3) of this title);

(ii) there is no substantial likelihood that the physical search will involve the premises, information, material, or property of a United States person; and

(iii) the proposed minimization procedures with respect to such physical search meet the definition of minimization procedures under paragraphs (1) through (4)¹ of section 1821(4) of this title; and

(B) the Attorney General reports such minimization procedures and any changes thereto to the Permanent Select Committee on Intelligence of the House of Representatives and the Select Committee on Intelligence of the Senate at least 30 days before their effective date, unless the Attorney General determines that immediate action is required and notifies the committees immediately of such minimization procedures and the reason for their becoming effective immediately.

(2) A physical search authorized by this subsection may be conducted only in accordance with the certification and minimization procedures adopted by the Attorney General. The Attorney General shall assess compliance with such procedures and shall report such assessments to the Permanent Select Committee on Intelligence of the House of Representatives and the Select Committee on Intelligence of the Senate under the provisions of section 1826 of this title.

(3) The Attorney General shall immediately transmit under seal to the Foreign Intelligence Surveillance Court a copy of the certification. Such certification shall be maintained under security measures established by the Chief Justice of the United States with the concurrence of the Attorney General, in consultation with the Director of Central Intelligence, and shall remain sealed unless—

(A) an application for a court order with respect to the physical search is made under section 1821(4) of this title and section 1823 of this title; or

(B) the certification is necessary to determine the legality of the physical search under section 1825(g) of this title.

(4)(A) With respect to physical searches authorized by this subsection, the Attorney Gen-

eral may direct a specified landlord, custodian, or other specified person to—

(i) furnish all information, facilities, or assistance necessary to accomplish the physical search in such a manner as will protect its secrecy and produce a minimum of interference with the services that such landlord, custodian, or other person is providing the target of the physical search; and

(ii) maintain under security procedures approved by the Attorney General and the Director of Central Intelligence any records concerning the search or the aid furnished that such person wishes to retain.

(B) The Government shall compensate, at the prevailing rate, such landlord, custodian, or other person for furnishing such aid.

(b) Application for order; authorization

Applications for a court order under this subchapter are authorized if the President has, by written authorization, empowered the Attorney General to approve applications to the Foreign Intelligence Surveillance Court. Notwithstanding any other provision of law, a judge of the court to whom application is made may grant an order in accordance with section 1824 of this title approving a physical search in the United States of the premises, property, information, or material of a foreign power or an agent of a foreign power for the purpose of collecting foreign intelligence information.

(c) Jurisdiction of Foreign Intelligence Surveillance Court

The Foreign Intelligence Surveillance Court shall have jurisdiction to hear applications for and grant orders approving a physical search for the purpose of obtaining foreign intelligence information anywhere within the United States under the procedures set forth in this subchapter, except that no judge shall hear the same application which has been denied previously by another judge designated under section 1803(a) of this title. If any judge so designated denies an application for an order authorizing a physical search under this subchapter, such judge shall provide immediately for the record a written statement of each reason for such decision and, on motion of the United States, the record shall be transmitted, under seal, to the court of review established under section 1803(b) of this title.

(d) Court of review; record; transmittal to Supreme Court

The court of review established under section 1803(b) of this title shall have jurisdiction to review the denial of any application made under this subchapter. If such court determines that the application was properly denied, the court shall immediately provide for the record a written statement of each reason for its decision and, on petition of the United States for a writ of certiorari, the record shall be transmitted under seal to the Supreme Court, which shall have jurisdiction to review such decision.

(e) Expeditious conduct of proceedings; security measures for maintenance of records

Judicial proceedings under this subchapter shall be concluded as expeditiously as possible.

§ 1824. Issuance of order

(a) Necessary findings

Upon an application made pursuant to section 1823 of this title, the judge shall enter an ex parte order as requested or as modified approving the physical search if the judge finds that—

- (1) the President has authorized the Attorney General to approve applications for physical searches for foreign intelligence purposes;
- (2) the application has been made by a Federal officer and approved by the Attorney General;
- (3) on the basis of the facts submitted by the applicant there is probable cause to believe that—

(B) the premises or property to be searched is owned, used, possessed by, or is in transit to or from an agent of a foreign power or a foreign power;

(4) the proposed minimization procedures meet the definition of minimization contained in this subchapter; and

(5) the application which has been filed contains all statements and certifications required by section 1823 of this title, and, if the target is a United States person, the certification or certifications are not clearly erroneous on the basis of the statement made under section 1823(a)(7)(E) of this title and any other information furnished under section 1823(c) of this title.

(b) Specifications and directions of orders

An order approving a physical search under this section shall—

(1) specify—

(B) the nature and location of each of the premises or property to be searched;

(C) the type of information, material, or property to be seized, altered, or reproduced;

(C) that such landlord, custodian, or other person maintain under security procedures approved by the Attorney General and the Director of Central Intelligence any records concerning the search or the aid furnished that such person wishes to retain;

(3) At or before the end of the period of time for which a physical search is approved by an order or an extension, or at any time after a physical search is carried out, the judge may assess compliance with the minimization procedures by reviewing the circumstances under which information concerning United States persons was acquired, retained, or disseminated.

(d) Emergency orders

(1)(A) Notwithstanding any other provision of this subchapter, whenever the Attorney General reasonably makes the determination specified in subparagraph (B), the Attorney General may authorize the execution of an emergency physical search if—

(ii) an application in accordance with this subchapter is made to that judge as soon as practicable but not more than 24 hours after the Attorney General authorizes such search.

(B) The determination referred to in subparagraph (A) is a determination that—

(i) an emergency situation exists with respect to the execution of a physical search to obtain foreign intelligence information before an order authorizing such search can with due diligence be obtained, and

(ii) the factual basis for issuance of an order under this subchapter to approve such a search exists.

(2) If the Attorney General authorizes an emergency search under paragraph (1), the Attorney General shall require that the minimization procedures required by this subchapter for the issuance of a judicial order be followed.

(A) the date on which the information sought is obtained;

(B) the date on which the application for the order is denied; or

(C) the expiration of 24 hours from the time of authorization by the Attorney General.

A denial of the application made under this subsection may be reviewed as provided in section 1822 of this title.

(e) Retention of applications and orders

Applications made and orders granted under this subchapter shall be retained for a period of at least 10 years from the date of the application.

§ 1825. Use of information

(a) Compliance with minimization procedures; lawful purposes

Information acquired from a physical search conducted pursuant to this subchapter concerning any United States person may be used and disclosed by Federal officers and employees without the consent of the United States person only in accordance with the minimization procedures required by this subchapter. No information acquired from a physical search pursuant to this subchapter may be used or disclosed by Federal officers or employees except for lawful purposes.

(b) Notice of search and identification of property seized, altered, or reproduced

Where a physical search authorized and conducted pursuant to section 1824 of this title involves the residence of a United States person, and, at any time after the search the Attorney General determines there is no national security interest in continuing to maintain the secrecy of the search, the Attorney General shall provide notice to the United States person whose residence was searched of the fact of the search conducted pursuant to this chapter and shall identify any property of such person seized, altered, or reproduced during such search.

(c) Statement for disclosure

No information acquired pursuant to this subchapter shall be disclosed for law enforcement purposes unless such disclosure is accompanied by a statement that such information, or any information derived therefrom, may only be used in a criminal proceeding with the advance authorization of the Attorney General.

(d) Notification by United States

Whenever the United States intends to enter into evidence or otherwise use or disclose in any trial, hearing, or other proceeding in or before any court, department, officer, agency, regulatory body, or other authority of the United States, against an aggrieved person, any information obtained or derived from a physical search pursuant to the authority of this subchapter, the United States shall, prior to the trial, hearing, or the other proceeding or at a reasonable time prior to an effort to so disclose or so use that information or submit it in evidence, notify the aggrieved person and the court or other authority in which the information is to be disclosed or used that the United States intends to so disclose or so use such information.

(e) Notification by States or political subdivisions

Whenever any State or political subdivision thereof intends to enter into evidence or otherwise use or disclose in any trial, hearing, or other proceeding in or before any court, department, officer, agency, regulatory body, or other

(f) Motion to suppress

(1) Any person against whom evidence obtained or derived from a physical search to which he is an aggrieved person is to be, or has been, introduced or otherwise used or disclosed in any trial, hearing, or other proceeding in or before any court, department, officer, agency, regulatory body, or other authority of the United States, a State, or a political subdivision thereof, may move to suppress the evidence obtained or derived from such search on the grounds that—

(A) the information was unlawfully acquired; or

(g) In camera and ex parte review by district court

Whenever a court or other authority is notified pursuant to subsection (d) or (e) of this section, or whenever a motion is made pursuant to subsection (f) of this section, or whenever any motion or request is made by an aggrieved person pursuant to any other statute or rule of the United States or any State before any court or other authority of the United States or any State to discover or obtain applications or orders or other materials relating to a physical search authorized by this subchapter or to discover, obtain, or suppress evidence or information obtained or derived from a physical search authorized by this subchapter, the United States district court or, where the motion is made before another authority, the United States district court in the same district as the authority shall, notwithstanding any other provision of law, if the Attorney General files an affidavit under oath that disclosure or any adversary hearing would harm the national security of the United States, review in camera and ex parte the application, order, and such other materials relating to the physical search as may be necessary to determine whether the physical search of the aggrieved person was lawfully authorized and conducted. In making this determination, the court may disclose to the aggrieved person, under appropriate security procedures and protective orders, portions of the application, order, or other materials relating to the physical search, or may require the Attorney General to provide to the aggrieved person a summary of such materials, only where such disclo-

sure is necessary to make an accurate determination of the legality of the physical search.

(h) Suppression of evidence; denial of motion

If the United States district court pursuant to subsection (g) of this section determines that the physical search was not lawfully authorized or conducted, it shall, in accordance with the requirements of law, suppress the evidence which was unlawfully obtained or derived from the physical search of the aggrieved person or otherwise grant the motion of the aggrieved person. If the court determines that the physical search was lawfully authorized or conducted, it shall deny the motion of the aggrieved person except to the extent that due process requires discovery or disclosure.

(i) Finality of orders

Orders granting motions or requests under subsection (h) of this section, decisions under this section that a physical search was not lawfully authorized or conducted, and orders of the United States district court requiring review or granting disclosure of applications, orders, or other materials relating to the physical search shall be final orders and binding upon all courts of the United States and the several States except a United States Court of Appeals or the Supreme Court.

(a) Requirements for authorization

Notwithstanding any other provision of this subchapter, when the Attorney General makes a determination described in subsection (b) of this section, the Attorney General may authorize the installation and use of a pen register or trap and trace device on an emergency basis to gather foreign intelligence information or information concerning international terrorism if—

(1) a judge referred to in section 1842(b) of this title is informed by the Attorney General or his designee at the time of such authorization that the decision has been made to install and use the pen register or trap and trace device, as the case may be, on an emergency basis; and

(2) an application in accordance with section 1842 of this title is made to such judge as soon as practicable, but not more than 48 hours, after the Attorney General authorizes the installation and use of the pen register or trap and trace device, as the case may be, under this section.

(b) Determination of emergency and factual basis

A determination under this subsection is a reasonable determination by the Attorney General that—

(1) an emergency requires the installation and use of a pen register or trap and trace device to obtain foreign intelligence information or information concerning international terrorism before an order authorizing the installation and use of the pen register or trap and trace device, as the case may be, can with due diligence be obtained under section 1842 of this title; and

(2) the factual basis for issuance of an order under such section 1842 of this title to approve the installation and use of the pen register or

trap and trace device, as the case may be, exists.

(c) Effect of absence of order

(1) In the absence of an order applied for under subsection (a)(2) of this section approving the installation and use of a pen register or trap and trace device authorized under this section, the installation and use of the pen register or trap and trace device, as the case may be, shall terminate at the earlier of—

(A) when the information sought is obtained;

(B) when the application for the order is denied under section 1842 of this title; or

(C) 48 hours after the time of the authorization by the Attorney General.

(2) In the event that an application for an order applied for under subsection (a)(2) of this section is denied, or in any other case where the installation and use of a pen register or trap and trace device under this section is terminated and no order under section 1842 of this title is issued approving the installation and use of the pen register or trap and trace device, as the case may be, no information obtained or evidence derived from the use of the pen register or trap and trace device, as the case may be, shall be received in evidence or otherwise disclosed in any trial, hearing, or other proceeding in or before any court, grand jury, department, office, agency, regulatory body, legislative committee, or other authority of the United States, a State, or political subdivision thereof, and no information concerning any United States person acquired from the use of the pen register or trap and trace device, as the case may be, shall subsequently be used or disclosed in any other manner by Federal officers or employees without the consent of such person, except with the approval of the Attorney General if the information indicates a threat of death or serious bodily harm to any person.

§ 1844. Authorization during time of war

Notwithstanding any other provision of law, the President, through the Attorney General, may authorize the use of a pen register or trap and trace device without a court order under this subchapter to acquire foreign intelligence information for a period not to exceed 15 calendar days following a declaration of war by Congress.

(Pub. L. 95-511, title IV, §404, as added Pub. L. 105-272, title VI, §601(2), Oct. 20, 1998, 112 Stat. 2408.)

§ 1845. Use of information

(a) In general

(1) Information acquired from the use of a pen register or trap and trace device installed pursuant to this subchapter concerning any United States person may be used and disclosed by Federal officers and employees without the consent of the United States person only in accordance with the provisions of this section.

(2) No information acquired from a pen register or trap and trace device installed and used

pursuant to this subchapter may be used or disclosed by Federal officers or employees except for lawful purposes.

(b) Disclosure for law enforcement purposes

No information acquired pursuant to this subchapter shall be disclosed for law enforcement purposes unless such disclosure is accompanied by a statement that such information, or any information derived therefrom, may only be used in a criminal proceeding with the advance authorization of the Attorney General.

(c) Notification of intended disclosure by United States

Whenever the United States intends to enter into evidence or otherwise use or disclose in any trial, hearing, or other proceeding in or before any court, department, officer, agency, regulatory body, or other authority of the United States against an aggrieved person any information obtained or derived from the use of a pen register or trap and trace device pursuant to this subchapter, the United States shall, before the trial, hearing, or the other proceeding or at a reasonable time before an effort to so disclose or so use that information or submit it in evidence, notify the aggrieved person and the court or other authority in which the information is to be disclosed or used that the United States intends to so disclose or so use such information.

(d) Notification of intended disclosure by State or political subdivision

Whenever any State or political subdivision thereof intends to enter into evidence or otherwise use or disclose in any trial, hearing, or other proceeding in or before any court, department, officer, agency, regulatory body, or other authority of the State or political subdivision thereof against an aggrieved person any information obtained or derived from the use of a pen register or trap and trace device pursuant to this subchapter, the State or political subdivision thereof shall notify the aggrieved person, the court or other authority in which the information is to be disclosed or used, and the Attorney General that the State or political subdivision thereof intends to so disclose or so use such information.

(e) Motion to suppress

(1) Any aggrieved person against whom evidence obtained or derived from the use of a pen register or trap and trace device is to be, or has been, introduced or otherwise used or disclosed in any trial, hearing, or other proceeding in or before any court, department, officer, agency, regulatory body, or other authority of the United States, or a State or political subdivision thereof, may move to suppress the evidence obtained or derived from the use of the pen register or trap and trace device, as the case may be, on the grounds that—

(A) the information was unlawfully acquired; or

(B) the use of the pen register or trap and trace device, as the case may be, was not made in conformity with an order of authorization or approval under this subchapter.

(2) A motion under paragraph (1) shall be made before the trial, hearing, or other proceeding un-

less there was no opportunity to make such a motion or the aggrieved person concerned was not aware of the grounds of the motion.

(f) In camera and ex parte review

(1) Whenever a court or other authority is notified pursuant to subsection (c) or (d) of this section, whenever a motion is made pursuant to subsection (e) of this section, or whenever any motion or request is made by an aggrieved person pursuant to any other statute or rule of the United States or any State before any court or other authority of the United States or any State to discover or obtain applications or orders or other materials relating to the use of a pen register or trap and trace device authorized by this subchapter or to discover, obtain, or suppress evidence or information obtained or derived from the use of a pen register or trap and trace device authorized by this subchapter, the United States district court or, where the motion is made before another authority, the United States district court in the same district as the authority shall, notwithstanding any other provision of law and if the Attorney General files an affidavit under oath that disclosure or any adversary hearing would harm the national security of the United States, review in camera and ex parte the application, order, and such other materials relating to the use of the pen register or trap and trace device, as the case may be, as may be necessary to determine whether the use of the pen register or trap and trace device, as the case may be, was lawfully authorized and conducted.

(2) In making a determination under paragraph (1), the court may disclose to the aggrieved person, under appropriate security procedures and protective orders, portions of the application, order, or other materials relating to the use of the pen register or trap and trace device, as the case may be, or may require the Attorney General to provide to the aggrieved person a summary of such materials, only where such disclosure is necessary to make an accurate determination of the legality of the use of the pen register or trap and trace device, as the case may be.

(g) Effect of determination of lawfulness

(1) If the United States district court determines pursuant to subsection (f) of this section that the use of a pen register or trap and trace device was not lawfully authorized or conducted, the court may, in accordance with the requirements of law, suppress the evidence which was unlawfully obtained or derived from the use of the pen register or trap and trace device, as the case may be, or otherwise grant the motion of the aggrieved person.

(2) If the court determines that the use of the pen register or trap and trace device, as the case may be, was lawfully authorized or conducted, it may deny the motion of the aggrieved person except to the extent that due process requires discovery or disclosure.

(h) Binding final orders

Orders granting motions or requests under subsection (g) of this section, decisions under this section that the use of a pen register or trap and trace device was not lawfully authorized or

conducted, and orders of the United States district court requiring review or granting disclosure of applications, orders, or other materials relating to the installation and use of a pen register or trap and trace device shall be final orders and binding upon all courts of the United States and the several States except a United States Court of Appeals or the Supreme Court.

§ 1901. Short title, findings, and purposes**(a) Short title**

This chapter may be cited as the “David L. Boren National Security Education Act of 1991”.

(b) Findings

The Congress makes the following findings:

(1) The security of the United States is and will continue to depend on the ability of the United States to exercise international leadership.

(2) The ability of the United States to exercise international leadership is, and will increasingly continue to be, based on the political and economic strength of the United States, as well as on United States military strength around the world.

(3) Recent changes in the world pose threats of a new kind to international stability as Cold War tensions continue to decline while economic competition, regional conflicts, terrorist activities, and weapon proliferations have dramatically increased.

(4) The future national security and economic well-being of the United States will depend substantially on the ability of its citizens to communicate and compete by knowing the languages and cultures of other countries.

(5) The Federal Government has an interest in ensuring that the employees of its departments and agencies with national security responsibilities are prepared to meet the challenges of this changing international environment.

(6) The Federal Government also has an interest in taking actions to alleviate the problem of American undergraduate and graduate students being inadequately prepared to meet the challenges posed by increasing global interaction among nations.

(7) American colleges and universities must place a new emphasis on improving the teaching of foreign languages, area studies, counterproliferation studies, and other international fields to help meet those challenges.

(c) Purposes

The purposes of this chapter are as follows:

(1) To provide the necessary resources, accountability, and flexibility to meet the national security education needs of the United States, especially as such needs change over time.

(2) To increase the quantity, diversity, and quality of the teaching and learning of subjects in the fields of foreign languages, area studies, counterproliferation studies, and other international fields that are critical to the Nation’s interest.

(3) To produce an increased pool of applicants for work in the departments and agencies of the United States Government with national security responsibilities.

(4) To expand, in conjunction with other Federal programs, the international experience, knowledge base, and perspectives on which the United States citizenry, Government employees, and leaders rely.

(5) To permit the Federal Government to advocate the cause of international education.

§ 1902. Scholarship, fellowship, and grant program

(a) Program required

(1) In general

The Secretary of Defense shall carry out a program for—

(A) awarding scholarships to undergraduate students who—

(i) are United States citizens in order to enable such students to study, for at least one academic semester or equivalent term, in foreign countries that are critical countries (as determined under section 1903(d)(4)(A) of this title) in those languages and study areas where deficiencies exist (as identified in the assessments undertaken pursuant to section 1906(d) of this title); and

(ii) pursuant to subsection (b)(2)(A) of this section, enter into an agreement to work in a national security position or work in the field of higher education in the area of study for which the scholarship was awarded;

(B) awarding fellowships to graduate students who—

(i) are United States citizens to enable such students to pursue education as part of a graduate degree program of a United States institution of higher education in the disciplines of foreign languages, area studies, counterproliferation studies, and other international fields relating to the national security interests of the United States that are critical areas of those disciplines (as determined under section 1903(d)(4)(B) of this title) and in which deficiencies exist (as identified in the assessments undertaken pursuant to section 1906(d) of this title); and

(ii) pursuant to subsection (b)(2)(B) of this section, enter into an agreement to work in a national security position or work in the field of education in the area of study for which the fellowship was awarded; and

(C) awarding grants to institutions of higher education to enable such institutions to establish, operate, or improve programs in foreign languages, area studies, counterproliferation studies, and other international fields that are critical areas of those disciplines (as determined under section 1903(d)(4)(C) of this title).

(2) Funding allocations

Of the amount available for obligation out of the National Security Education Trust Fund for any fiscal year for the purposes stated in paragraph (1), the Secretary shall have a goal of allocating—

(4) Contract authority

The Secretary may enter into one or more contracts, with private national organizations having an expertise in foreign languages, area studies, counterproliferation studies, and other international fields, for the awarding of the scholarships, fellowships, and grants described in paragraph (1) in accordance with the provisions of this chapter. The Secretary may enter into such contracts without regard to section 5 of title 41 or any other provision of law that requires the use of competitive procedures. In addition, the Secretary may enter into personal service contracts for periods up to one year for program administration, except that not more than 10 such contracts may be in effect at any one time.

(b) Service agreement

In awarding a scholarship or fellowship under the program, the Secretary or contract organization referred to in subsection (a)(4) of this section, as the case may be, shall require a recipient of any fellowship or any scholarship to enter into an agreement that, in return for such assistance, the recipient—

(1) will maintain satisfactory academic progress, as determined in accordance with regulations issued by the Secretary, and agrees that failure to maintain such progress shall constitute grounds upon which the Secretary or contract organization referred to in subsection (a)(4) of this section may terminate such assistance;

(2) will—

(A) not later than eight years after such recipient's completion of the study for which scholarship assistance was provided under the program, and in accordance with regulations issued by the Secretary—

(i) work in a national security position for a period specified by the Secretary, which period shall be no longer than the period for which scholarship assistance was provided; or

(ii) if the recipient demonstrates to the Secretary (in accordance with such regulations) that no national security position is available, work in the field of higher education in a discipline relating to the foreign country, foreign language, area study, counterproliferation study, or international field of study for which the scholarship was awarded, for a period specified by the Secretary, which period shall be determined in accordance with clause (i); or

(B) upon completion of such recipient's education under the program, and in accordance with such regulations—

(i) work in a national security position for a period specified by the Secretary, which period shall be not less than one and not more than three times the period for which the fellowship assistance was provided; or

(ii) if the recipient demonstrates to the Secretary (in accordance with such regulations) that no national security position is available upon the completion of the degree, work in the field of higher education in a discipline relating to the foreign country, foreign language, area study, counterproliferation study, or international field of study for which the fellowship was awarded, for a period specified by the Secretary, which period shall be established in accordance with clause (i); and

PART B—CONTRIBUTIONS

§ 2021. Contributions to fund

(a) In general

(1) Participant's contributions

Except as provided in subsection (d) of this section, 7 percent of the basic pay received by a participant for any pay period shall be deducted and withheld from the pay of that participant and contributed to the fund.

(2) Agency contributions

An equal amount shall be contributed to the fund for that pay period from the appropriation or fund which is used for payment of the participant's basic pay.

(3) Deposits to the fund

The amounts deducted and withheld from basic pay, together with the amounts so contributed from the appropriation or fund, shall be deposited by the Director to the credit of the fund.

(b) Consent of participant to deductions from pay

Each participant shall be deemed to consent and agree to such deductions from basic pay, and payment less such deductions shall be a full and complete discharge and acquittance of all claims and demands whatsoever for all regular services during the period covered by such payment, except the right to the benefits to which the participant is entitled under this subchapter, notwithstanding any law, rule, or regulation affecting the individual's pay.

(c) Treatment of contributions after 35 years of service

(1) Accrual of interest

Amounts deducted and withheld from the basic pay of a participant under this section for pay periods after the first day of the first pay period beginning after the day on which the participant completes 35 years of creditable service computed under sections 2081 and 2082 of this title (excluding service credit for unused sick leave under section 2031(a)(2) of this title) shall accrue interest. Such interest shall accrue at the rate of 3 percent a year through December 31, 1984, and thereafter at the rate computed under section 8334(e) of title 5, and shall be compounded annually

from the date on which the amount is so deducted and withheld until the date of the participant's retirement or death.

(2) Use of amounts withheld after 35 years of service

(A) Use for deposits due under section 2082(b)

Amounts described in paragraph (1), including interest accrued on such amounts, shall be applied upon the participant's retirement or death toward any deposit due under section 2082(b) of this title.

(B) Lump-sum payment

Any balance of such amounts not so required for such a deposit shall be refunded to the participant in a lump sum after the participant's separation (or, in the event of a death in service, to a beneficiary in order of precedence specified in subsection¹ 2071(c) of this title), subject to prior notification of a current spouse, if any, unless the participant establishes to the satisfaction of the Director, in accordance with regulations which the Director may prescribe, that the participant does not know, and has taken all reasonable steps to determine, the whereabouts of the current spouse.

(C) Purchases of additional elective benefits

In lieu of such a lump-sum payment, the participant may use such amounts—

(i) to purchase an additional annuity in accordance with section 2121 of this title; or

(ii) provide any additional survivor benefit for a current or former spouse or spouses.

(d) Offset for social security taxes

(1) Persons covered

In the case of a participant who was a participant subject to this subchapter before January 1, 1984, and whose service—

(A) is employment for the purposes of title II of the Social Security Act [42 U.S.C. 401 et seq.] and chapter 21 of title 26, and

(B) is not creditable service for any purpose under subchapter III of this chapter or chapter 84 of title 5,

there shall be deducted and withheld from the basic pay of the participant under this section during any pay period only the amount computed under paragraph (2).

(2) Reduction in contribution

The amount deducted and withheld from the basic pay of a participant during any pay period pursuant to paragraph (1) shall be the excess of—

(A) the amount determined by multiplying the percent applicable to the participant under subsection (a) of this section by the basic pay payable to the participant for that pay period, over

(B) the amount of the taxes deducted and withheld from such basic pay under section 3101(a) of title 26 (relating to old-age, sur-

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 2031, 2091, 2111 of this title.

PART C—COMPUTATION OF ANNUITIES

§ 2031. Computation of annuities

(a) Annuity of participant

(1) Computation of annuity

The annuity of a participant is the product of—

- (A) the participant’s high-3 average pay (as defined in paragraph (4)); and
- (B) the number of years, not exceeding 35, of service credit (determined in accordance with sections 2081 and 2082 of this title) multiplied by 2 percent.

(2) Credit for unused sick leave

The total service of a participant who retires on an immediate annuity (except under section 2051 of this title) or who dies leaving a survivor or survivors entitled to an annuity shall include (without regard to the 35-year limitation prescribed in paragraph (1)) the days of unused sick leave to the credit of the participant. Days of unused sick leave may not be counted in determining average basic pay or eligibility for an annuity under this subchapter. A deposit shall not be required for days of unused sick leave credited under this paragraph.

(3) Crediting of part-time service

(A) In general

In the case of a participant whose service includes service on a part-time basis performed after April 6, 1986, the participant’s annuity shall be the sum of the amounts determined under subparagraphs (B) and (C).

(B) Computation of pre-April 7, 1986, annuity

The portion of an annuity referred to in subparagraph (A) with respect to service before April 7, 1986, shall be the amount computed under paragraph (1) using the participant’s length of service before that date (increased by the unused sick leave to the credit of the participant at the time of retirement) and the participant’s high-3 average pay.

(C) Computation of post-April 6, 1986, annuity

The portion of an annuity referred to in subparagraph (A) with respect to service after April 6, 1986, shall be the product of—

- (i) the amount computed under paragraph (1), using the participant’s length of service after that date and the participant’s high-3 average pay, as determined by using the annual rate of basic pay that would be payable for full-time service; and
- (ii) the ratio which the participant’s actual service after April 6, 1986 (as determined by prorating the participant’s total service after that date to reflect the service that was performed on a part-time basis) bears to the total service after that date that would be creditable for the participant if all the service had been performed on a full-time basis.

(D) Treatment of employment on temporary or intermittent basis

Employment on a temporary or intermittent basis shall not be considered to be serv-

ice on a part-time basis for purposes of this paragraph.

(4) High-3 average pay defined

For purposes of this subsection, a participant's high-3 average pay is the amount of the participant's average basic pay for the highest 3 consecutive years of the participant's service for which full contributions have been made to the fund.

(5) Computation of service

In determining the aggregate period of service upon which an annuity is to be based, any fractional part of a month shall not be counted.

(b) Spouse or former spouse survivor annuity

(1) Reduction in participant's annuity to provide spouse or former spouse survivor annuity

(A) General rule

Except to the extent provided otherwise under a written election under subparagraph (B) or (C), if at the time of retirement a participant or former participant is married (or has a former spouse who has not remarried before attaining age 55), the participant shall receive a reduced annuity and provide a survivor annuity for the participant's spouse under this subsection or former spouse under section 2032(b) of this title, or a combination of such annuities, as the case may be.

(B) Joint election for waiver or reduction of spouse survivor annuity

A married participant or former participant and the participant's spouse may jointly elect in writing at the time of retirement to waive a survivor annuity for that spouse under this section or to reduce such survivor annuity under this section by designating a portion of the annuity of the participant as the base for the survivor annuity. If the marriage is dissolved following an election for such a reduced annuity and the spouse qualifies as a former spouse, the base used in calculating any annuity of the former spouse under section 2032(b) of this title may not exceed the portion of the participant's annuity designated under this subparagraph.

(C) Joint election of participant and former spouse

If a participant or former participant has a former spouse, such participant and the participant's former spouse may jointly elect by spousal agreement under section 2094(b) of this title to waive, reduce, or increase a survivor annuity under section 2032(b) of this title for that former spouse. Any such election must be made (i) before the end of the 12-month period beginning on the date on which the divorce or annulment involving that former spouse becomes final, or (ii) at the time of retirement of the participant, whichever is later.

(D) Unilateral elections in absence of spouse or former spouse

The Director may prescribe regulations under which a participant or former partici-

pant may make an election under subparagraph (B) or (C) without the participant's spouse or former spouse if the participant establishes to the satisfaction of the Director that the participant does not know, and has taken all reasonable steps to determine, the whereabouts of the spouse or former spouse.

(2) Amount of reduction in participant's annuity

The annuity of a participant or former participant providing a survivor annuity under this section (or section 2032(b) of this title), excluding any portion of the annuity not designated or committed as a base for any survivor annuity, shall be reduced by 2½ percent of the first \$3,600 plus 10 percent of any amount over \$3,600. The reduction under this paragraph shall be calculated before any reduction under section 2032(a)(5) of this title.

(3) Amount of surviving spouse annuity

(A) In general

If a retired participant receiving a reduced annuity under this subsection dies and is survived by a spouse, a survivor annuity shall be paid to the surviving spouse. The amount of the annuity shall be equal to 55 percent of (i) the full amount of the participant's annuity computed under subsection (a) of this section, or (ii) any lesser amount elected as the base for the survivor annuity under paragraph (1)(B).

(B) Limitation

Notwithstanding subparagraph (A), the amount of the annuity calculated under subparagraph (A) for a surviving spouse in any case in which there is also a surviving former spouse of the retired participant who qualifies for an annuity under section 2032(b) of this title may not exceed 55 percent of the portion (if any) of the base for survivor annuities which remains available under section 2032(b)(4)(B) of this title.

(C) Effective date and termination of annuity

An annuity payable from the fund to a surviving spouse under this paragraph shall commence on the day after the retired participant dies and shall terminate on the last day of the month before the surviving spouse's death or remarriage before attaining age 55. If such survivor annuity is terminated because of remarriage, it shall be restored at the same rate commencing on the date such remarriage is dissolved by death, annulment, or divorce if any lump sum paid upon termination of the annuity is returned to the fund.

(c) 18-month open period after retirement to provide spouse coverage

(1) Survivor annuity elections

(A) Election when spouse coverage waived at time of retirement

A participant or former participant who retires after March 31, 1992 and who—

(i) is married at the time of retirement; and

(ii) elects at that time (in accordance with subsection (b) of this section) to waive a survivor annuity for the spouse,

may, during the 18-month period beginning on the date of the retirement of the participant, elect to have a reduction under subsection (b) of this section made in the annuity of the participant (or in such portion thereof as the participant may designate) in order to provide a survivor annuity for the participant's spouse.

(B) Election when reduced spouse annuity elected

A participant or former participant who retires after March 31, 1992, and—

(i) who, at the time of retirement, is married, and

(ii) who, at that time designates (in accordance with subsection (b) of this section) that a portion of the annuity of such participant is to be used as the base for a survivor annuity,

may, during the 18-month period beginning on the date of the retirement of such participant, elect to have a greater portion of the annuity of such participant so used.

(2) Deposit required

(A) Requirement

An election under paragraph (1) shall not be effective unless the amount specified in subparagraph (B) is deposited into the fund before the end of that 18-month period.

(B) Amount of deposit

The amount to be deposited with respect to an election under this subsection is the amount equal to the sum of the following:

(i) Additional cost to system

The additional cost to the system that is associated with providing a survivor annuity under subsection (b) of this section and that results from such election, taking into account—

(I) the difference (for the period between the date on which the annuity of the participant or former participant commences and the date of the election) between the amount paid to such participant or former participant under this subchapter and the amount which would have been paid if such election had been made at the time the participant or former participant applied for the annuity; and

(II) the costs associated with providing for the later election.

(ii) Interest

Interest on the additional cost determined under clause (i), computed using the interest rate specified or determined under section 8334(e) of title 5 for the calendar year in which the amount to be deposited is determined.

(3) Voiding of previous elections

An election by a participant or former participant under this subsection voids prospectively any election previously made in the case of such participant under subsection (b) of this section.

(4) Reductions in annuity

An annuity that is reduced in connection with an election under this subsection shall be

reduced by the same percentage reductions as were in effect at the time of the retirement of the participant or former participant whose annuity is so reduced.

(5) Rights and obligations resulting from reduced annuity election

Rights and obligations resulting from the election of a reduced annuity under this subsection shall be the same as the rights and obligations that would have resulted had the participant involved elected such annuity at the time of retirement.

(d) Annuities for surviving children

(1) Participants dying before April 1, 1992

In the case of a retired participant who died before April 1, 1992, and who is survived by a child or children—

(A) if the retired participant was survived by a spouse, there shall be paid from the fund to or on behalf of each such surviving child an annuity determined under paragraph (3)(A); and

(B) if the retired participant was not survived by a spouse, there shall be paid from the fund to or on behalf of each such surviving child an annuity determined under paragraph (3)(B).

(2) Participants dying on or after April 1, 1992

In the case of a retired participant who dies on or after April 1, 1992, and who is survived by a child or children—

(A) if the retired participant is survived by a spouse or former spouse who is the natural or adoptive parent of a surviving child of the participant, there shall be paid from the fund to or on behalf of each such surviving child an annuity determined under paragraph (3)(A); and

(B) if the retired participant is not survived by a spouse or former spouse who is the natural or adoptive parent of a surviving child of the participant, there shall be paid to or on behalf of each such surviving child an annuity determined under paragraph (3)(B).

(3) Amount of annuity

(A) The annual amount of an annuity for the surviving child of a participant covered by paragraph (1)(A) or (2)(A) of this subsection (or covered by paragraph (1)(A) or (2)(A) of section 2052(c) of this title) is the smallest of the following:

(i) 60 percent of the participant's high-3 average pay, as determined under subsection (a)(4) of this section, divided by the number of children.

(ii) \$900, as adjusted under section 2131 of this title.

(iii) \$2,700, as adjusted under section 2131 of this title, divided by the number of children.

(B) The amount of an annuity for the surviving child of a participant covered by paragraph (1)(B) or (2)(B) of this subsection (or covered by paragraph (1)(B) or (2)(B) of section 2052(c) of this title) is the smallest of the following:

(i) 75 percent of the participant's high-3 average pay, as determined under subsection

(a)(4) of this section, divided by the number of children.

(ii) \$1,080, as adjusted under section 2131 of this title.

(iii) \$3,240, as adjusted under section 2131 of this title, divided by the number of children.

(4) Recomputation of child annuities

(A) In the case of a child annuity payable under paragraph (1), upon the death of a surviving spouse or the termination of the annuity of a child, the annuities of any remaining children shall be recomputed and paid as though the spouse or child had not survived the retired participant.

(B) In the case of a child annuity payable under paragraph (2), upon the death of a surviving spouse or former spouse or termination of the annuity of a child, the annuities of any remaining children shall be recomputed and paid as though the spouse, former spouse, or child had not survived the retired participant. If the annuity of a surviving child who has not been receiving an annuity is initiated or resumed, the annuities of any other children shall be recomputed and paid from that date as though the annuities of all currently eligible children were then being initiated.

(5) "Former spouse" defined

For purposes of this subsection, the term "former spouse" includes any former wife or husband of the retired participant, regardless of the length of marriage or the amount of creditable service completed by the participant.

(e) Commencement and termination of child annuities

(1) Commencement

An annuity payable to a child under subsection (d) of this section, or under section 2052(c) of this title, shall begin on the day after the date on which the participant or retired participant dies or, in the case of an individual over the age of 18 who is not a child within the meaning of section 2002(b) of this title, shall begin or resume on the first day of the month in which the individual later becomes or again becomes a student as described in section 2002(b) of this title. Such annuity may not commence until any lump-sum that has been paid is returned to the fund.

(2) Termination

Such an annuity shall terminate on the last day of the month before the month in which the recipient of the annuity dies or no longer qualifies as a child (as defined in section 2002(b) of this title).

(f) Participants not married at time of retirement

(1) Designation of persons with insurable interest

(A) Authority to make designation

Subject to the rights of former spouses under subsection (b) of this section and section 2032 of this title, at the time of retirement an unmarried participant found by the Director to be in good health may elect to receive an annuity reduced in accordance

with subparagraph (B) and designate in writing an individual having an insurable interest in the participant to receive an annuity under the system after the participant's death. The amount of such an annuity shall be equal to 55 percent of the participant's reduced annuity.

(B) Reduction in participant's annuity

The annuity payable to the participant making such election shall be reduced by 10 percent of an annuity computed under subsection (a) of this section and by an additional 5 percent for each full 5 years the designated individual is younger than the participant. The total reduction under this subparagraph may not exceed 40 percent.

(C) Commencement of survivor annuity

The annuity payable to the designated individual shall begin on the day after the retired participant dies and terminate on the last day of the month before the designated individual dies.

(D) Recomputation of participant's annuity on death of designated individual

An annuity which is reduced under this paragraph shall, effective the first day of the month following the death of the designated individual, be recomputed and paid as if the annuity had not been so reduced.

(2) Election of survivor annuity upon subsequent marriage

A participant who is unmarried at the time of retirement and who later marries may irrevocably elect, in a signed writing received by the Director within one year after the marriage, to receive a reduced annuity as provided in subsection (b) of this section. Such election and reduction shall be effective on the first day of the month beginning 9 months after the date of marriage. The election voids prospectively any election previously made under paragraph (1).

(g) Effect of divorce after retirement

(1) Recomputation of retired participant's annuity upon divorce

An annuity which is reduced under this section (or any similar prior provision of law) to provide a survivor annuity for a spouse shall, if the marriage of the retired participant to such spouse is dissolved, be recomputed and paid for each full month during which a retired participant is not married (or is remarried, if there is no election in effect under paragraph (2)) as if the annuity had not been so reduced, subject to any reduction required to provide a survivor annuity under subsection (b) or (c) of section 2032 of this title or under section 2036 of this title.

(2) Election of survivor annuity upon subsequent remarriage

(A) In general

Upon remarriage, the retired participant may irrevocably elect, by means of a signed writing received by the Director within one year after such remarriage, to receive a reduced annuity for the purpose of providing

an annuity for the new spouse of the retired participant in the event such spouse survives the retired participant. Such reduction shall be equal to the reduction in effect immediately before the dissolution of the previous marriage (unless such reduction is adjusted under section 2032(b)(5) of this title or elected under subparagraph (B)).

(B) When annuity previously not (or not fully) reduced

(i) Election

If the retired participant's annuity was not reduced (or was not fully reduced) to provide a survivor annuity for the participant's spouse or former spouse as of the time of retirement, the retired participant may make an election under the first sentence of subparagraph (A) upon remarriage to a spouse other than the spouse at the time of retirement. For any remarriage that occurred before August 14, 1991, the retired participant may make such an election within 2 years after such date.

(ii) Deposit required

(I) The retired participant shall, within one year after the date of the remarriage (or by August 14, 1993 for any remarriage that occurred before August 14, 1991), deposit in the fund an amount determined by the Director, as nearly as may be administratively feasible, to reflect the amount by which the retired participant's annuity would have been reduced if the election had been in effect since the date the annuity commenced, plus interest.

(II) The annual rate of interest for each year during which the retired participant's annuity would have been reduced if the election had been in effect since the date the annuity commenced shall be 6 percent.

(III) If the retired participant does not make the deposit, the Director shall collect such amount by offset against the participant's annuity, up to a maximum of 25 percent of the net annuity otherwise payable to the retired participant, and the retired participant is deemed to consent to such offset.

(IV) The deposit required by this subparagraph may be made by the surviving spouse of the retired participant.

(C) Effects of election

An election under this paragraph and the reduction in the participant's annuity shall be effective on the first day of the month beginning 9 months after the date of remarriage. A survivor annuity elected under this paragraph shall be treated in all respects as a survivor annuity under subsection (b) of this section.

(h) Coordination of annuities

(1) Surviving spouse

A surviving spouse whose survivor annuity was terminated because of remarriage before attaining age 55 shall not be entitled under subsection (b)(3)(C) of this section to the restoration of that survivor annuity payable from the fund unless the surviving spouse elects to

receive it instead of any other survivor annuity to which the surviving spouse may be entitled under the system or any other retirement system for Government employees by reason of the remarriage.

(2) Former spouse

A surviving former spouse of a participant or retired participant shall not become entitled under section 2032(b) or 2034 of this title to a survivor annuity or to the restoration of a survivor annuity payable from the fund unless the surviving former spouse elects to receive it instead of any other survivor annuity to which the surviving former spouse may be entitled under this or any other retirement system for Government employees on the basis of a marriage to someone other than the participant.

(3) Surviving spouse of post-retirement marriage

A surviving spouse who married a participant after the participant's retirement shall be entitled to a survivor annuity payable from the fund only upon electing that annuity instead of any other survivor annuity to which the surviving spouse may be entitled under this or any other retirement system for Government employees on the basis of a marriage to someone other than the retired participant.

(i) Supplemental survivor annuities

(1) Spouse of recalled annuitant

A married recalled annuitant who reverts to retired status with entitlement to a supplemental annuity under section 2111(b) of this title shall, unless the annuitant and the annuitant's spouse jointly elect in writing to the contrary at the time of reversion to retired status, have the supplemental annuity reduced by 10 percent to provide a supplemental survivor annuity for the annuitant's spouse. Such supplemental survivor annuity shall be equal to 55 percent of the supplemental annuity of the annuitant.

(2) Regulations

The Director shall prescribe regulations to provide for the application of paragraph (1) of this subsection and of subsection (b) of section 2111 of this title in any case in which an annuitant has a former spouse who was married to the recalled annuitant at any time during the period of recall service and who qualifies for an annuity under section 2032(b) of this title.

(j) Offset of annuities by amount of social security benefit

Notwithstanding any other provision of this subchapter, an annuity (including a disability annuity) payable under this subchapter to an individual described in sections 2021(d)(1) and 2151(c)(1) of this title and any survivor annuity payable under this subchapter on the basis of the service of such individual shall be reduced in a manner consistent with section 8349 of title 5, under conditions consistent with the conditions prescribed in that section.

(k) Information from other agencies

(1) Other agencies

For the purpose of ensuring the accuracy of the information used in the determination of

eligibility for and the computation of annuities payable from the fund under this subchapter, at the request of the Director—

(A) the Secretary of Defense shall provide information on retired or retainer pay paid under title 10;

(B) the Secretary of Veterans Affairs shall provide information on pensions or compensation paid under title 38;

(C) the Secretary of Health and Human Services shall provide information contained in the records of the Social Security Administration; and

(D) the Secretary of Labor shall provide information on benefits paid under subchapter I of chapter 81 of title 5.

(2) Limitation on information requested

The Director shall request only such information as the Director determines is necessary.

(3) Limitation on uses of information

The Director, in consultation with the officials from whom information is requested, shall ensure that information made available under this subsection is used only for the purposes authorized.

(I) Information on rights under system

The Director shall, on an annual basis—

(1) inform each retired participant of the participant's right of election under subsections (c), (f)(2), and (g) of this section; and

(2) to the maximum extent practicable, inform spouses and former spouses of participants, former participants, and retired participants of their rights under this chapter.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 403n, 2002, 2021, 2032, 2033, 2034, 2051, 2052, 2053, 2054, 2055, 2071, 2082, 2111, 2131 of this title.

§ 2032. Annuities for former spouses

(a) Former spouse share of participant's annuity

(1) Pro rata share

Unless otherwise expressly provided by a spousal agreement or court order under section 2094(b) of this title, a former spouse of a participant, former participant, or retired participant is entitled to an annuity—

(A) if married to the participant, former participant, or retired participant throughout the creditable service of the participant, equal to 50 percent of the annuity of the participant; or

(B) if not married to the participant throughout such creditable service, equal to that proportion of 50 percent of such annuity that is the proportion that the number of days of the marriage of the former spouse to the participant during periods of creditable service of such participant under this subchapter bears to the total number of days of such creditable service.

(2) Disqualification upon remarriage before age 55

A former spouse is not qualified for an annuity under this subsection if before the commencement of that annuity the former spouse remarries before becoming 55 years of age.

(3) Commencement of annuity

The annuity of a former spouse under this subsection commences on the day the participant upon whose service the annuity is based becomes entitled to an annuity under this subchapter or on the first day of the month after the divorce or annulment involved becomes final, whichever is later.

(4) Termination of annuity

The annuity of such former spouse and the right thereto terminate on—

(A) the last day of the month before the month in which the former spouse dies or remarries before 55 years of age; or

(B) the date on which the annuity of the participant terminates (except in the case of an annuity subject to paragraph (5)(B)).

(5) Treatment of participant's annuity

(A) Reduction in participant's annuity

The annuity payable to any participant shall be reduced by the amount of an annuity under this subsection paid to any former spouse based upon the service of that participant. Such reduction shall be disregarded in calculating—

(i) the survivor annuity for any spouse, former spouse, or other survivor under this subchapter; and

(ii) any reduction in the annuity of the participant to provide survivor benefits under subsection (b) of this section or under section 2031(b) of this title.

(B) Treatment when annuitant returns to service

If an annuitant whose annuity is reduced under subparagraph (A) is recalled to service under section 2111 of this title, or reinstated or reappointed, in the case of a recovered disability annuitant, or if any annuitant is reemployed as provided for under sections 2112 and 2113 of this title, the pay of that annuitant shall be reduced by the same amount as the annuity would have been reduced if it had continued. Amounts equal to the reductions under this subparagraph shall be deposited in the Treasury of the United States to the credit of the fund.

(6) Disability annuitant

Notwithstanding paragraph (3), in the case of a former spouse of a disability annuitant—

(A) the annuity of that former spouse shall commence on the date on which the participant would qualify on the basis of the participant's creditable service for an annuity under this subchapter (other than a disability annuity) or the date on which the disability annuity begins, whichever is later, and

(B) the amount of the annuity of the former spouse shall be calculated on the basis of the annuity for which the participant would otherwise so qualify.

(7) Election of benefits

A former spouse of a participant, former participant, or retired participant shall not become entitled under this subsection to an annuity payable from the fund unless the former spouse elects to receive it instead of any survivor annuity to which the former spouse may be entitled under this or any other retirement system for Government employees on the basis of a marriage to someone other than the participant.

(8) Limitation in case of multiple former spouse annuities

No spousal agreement or court order under section 2094(b) of this title involving a participant may provide for an annuity or a combination of annuities under this subsection that exceeds the annuity of the participant.

(b) Former spouse survivor annuity

(1) Pro rata share

Subject to any election under section 2031(b)(1)(B) and (C) of this title and unless otherwise expressly provided by a spousal agreement or court order under section 2094(b) of this title, if an annuitant is survived by a former spouse, the former spouse shall be entitled—

(A) if married to the annuitant throughout the creditable service of the annuitant, to a survivor annuity equal to 55 percent of the unreduced amount of the annuitant's annuity, as computed under section 2031(a) of this title; and

(B) if not married to the annuitant throughout such creditable service, to a survivor annuity equal to that proportion of 55 percent of the unreduced amount of such annuity that is the proportion that the number of days of the marriage of the former spouse to the participant during periods of creditable service of such participant under this subchapter bears to the total number of days of such creditable service.

(2) Disqualification upon remarriage before age 55

A former spouse shall not be qualified for an annuity under this subsection if before the commencement of that annuity the former spouse remarries before becoming 55 years of age.

(3) Commencement, termination, and restoration of annuity

An annuity payable from the fund under this subchapter to a surviving former spouse under this subsection shall commence on the day after the annuitant dies and shall terminate on the last day of the month before the former spouse's death or remarriage before attaining age 55. If such a survivor annuity is terminated because of remarriage, it shall be restored at the same rate commencing on the date such remarriage is dissolved by death, annulment, or divorce if any lump sum paid upon termination of the annuity is returned to the fund.

(4) Survivor annuity amount

(A) Maximum amount

The maximum survivor annuity or combination of survivor annuities under this subsection (and section 2031(b)(3) of this title) with respect to any participant may not exceed 55 percent of the full amount of the participant's annuity, as calculated under section 2031(a) of this title.

(B) Limitation on other survivor annuities based on service of same participant

Once a survivor annuity has been provided under this subsection for any former spouse, a survivor annuity for another individual may thereafter be provided under this subsection (or section 2031(b)(3) of this title) with respect to the participant only for that portion (if any) of the maximum available which is not committed for survivor benefits for any former spouse whose prospective right to such annuity has not terminated by reason of death or remarriage.

(C) Finality of court order upon death of participant

After the death of a participant or retired participant, a court order under section 2094(b) of this title may not adjust the amount of the annuity of a former spouse of that participant or retired participant under this section.

(5) Effect of termination of former spouse entitlement

(A) Recomputation of participant's annuity

If a former spouse of a retired participant dies or remarries before attaining age 55, the

annuity of the retired participant, if reduced to provide a survivor annuity for that former spouse, shall be recomputed and paid, effective on the first day of the month beginning after such death or remarriage, as if the annuity had not been so reduced, unless an election is in effect under subparagraph (B).

(B) Election of spouse annuity

Subject to paragraph (4)(B), the participant may elect in writing within one year after receipt of notice of the death or remarriage of the former spouse to continue the reduction in order to provide a higher survivor annuity under section 2031(b)(3) of this title for any spouse of the participant.

(c) Optional additional survivor annuities for other former spouse or surviving spouse

(1) In general

In the case of any participant providing a survivor annuity under subsection (b) of this section for a former spouse—

(A) such participant may elect, or

(B) a spousal agreement or court order under section 2094(b) of this title may provide for,

an additional survivor annuity under this subsection for any other former spouse or spouse surviving the participant, if the participant satisfactorily passes a physical examination as prescribed by the Director.

(2) Limitation

Neither the total amount of survivor annuity or annuities under this subsection with respect to any participant, nor the survivor annuity or annuities for any one surviving spouse or former spouse of such participant under this section or section 2031 of this title, may exceed 55 percent of the unreduced amount of the participant's annuity, as computed under section 2031(a) of this title.

(3) Contribution for additional annuities

(A) Provision of additional survivor annuity

In accordance with regulations which the Director shall prescribe, the participant involved may provide for any annuity under this subsection—

(i) by a reduction in the annuity or an allotment from the basic pay of the participant;

(ii) by a lump-sum payment or installment payments to the fund; or

(iii) by any combination thereof.

(B) Actuarial equivalence to benefit

The present value of the total amount to accrue to the fund under subparagraph (A) to provide any annuity under this subsection shall be actuarially equivalent in value to such annuity, as calculated upon such tables of mortality as may from time to time be prescribed for this purpose by the Director.

(C) Effect of former spouse's death or disqualification

If a former spouse predeceases the participant or remarries before attaining age 55 (or, in the case of a spouse, the spouse predeceases the participant or does not qualify

as a former spouse upon dissolution of the marriage)—

(i) if an annuity reduction or pay allotment under subparagraph (A) is in effect for that spouse or former spouse, the annuity shall be recomputed and paid as if it had not been reduced or the pay allotment terminated, as the case may be; and

(ii) any amount accruing to the fund under subparagraph (A) shall be refunded, but only to the extent that such amount may have exceeded the actuarial cost of providing benefits under this subsection for the period such benefits were provided, as determined under regulations prescribed by the Director.

(D) Recomputation upon death or remarriage of former spouse

Under regulations prescribed by the Director, an annuity shall be recomputed (or a pay allotment terminated or adjusted), and a refund provided (if appropriate), in a manner comparable to that provided under subparagraph (C), in order to reflect a termination or reduction of future benefits under this subsection for a spouse in the event a former spouse of the participant dies or remarries before attaining age 55 and an increased annuity is provided for that spouse in accordance with this section.

(4) Commencement and termination of additional survivor annuity

An annuity payable under this subsection to a spouse or former spouse shall commence on the day after the participant dies and shall terminate on the last day of the month before the spouse's or the former spouse's death or remarriage before attaining age 55.

(5) Nonapplicability of COLA provision

Section 2131 of this title does not apply to an annuity under this subsection, unless authorized under regulations prescribed by the Director.

“(c) HEALTH BENEFITS.—[Amended section 403p of this title.]

(1) If the participant or former participant has not retired under such system on or before November 15, 1982, an election under this section may be made at any time before retirement.

(2) If the participant or former participant has retired under such system on or before November 15, 1982, an election under this section may be made within such period after November 15, 1982, as the Director may prescribe.

§ 2035. Retirement annuity for certain former spouses**(a) Retirement annuity**

An individual who was a former spouse of a participant, former participant, or retired participant on November 15, 1982, and any former spouse divorced after November 15, 1982, from a participant or former participant who retired before November 15, 1982, shall be entitled, except to the extent such former spouse is disqualified under subsection (b) of this section, to an annuity—

(3) Election of benefits

A former spouse of a participant or retired participant shall not become entitled under this section to an annuity or to the restoration of an annuity payable from the fund unless the former spouse elects to receive it instead of any survivor annuity to which the former spouse may be entitled under this or any other retirement system for Government employees on the basis of a marriage to someone other than the participant.

An annuity under this section shall not be payable unless appropriate written application is provided to the Director, complete with any supporting documentation which the Director may by regulation require, not later than June 2, 1990. SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 2031, 2071 of this title.

PART D—BENEFITS ACCRUING TO CERTAIN PARTICIPANTS

§ 2051. Retirement for disability or incapacity; medical examination; recovery

(a) Disability retirement

(1) Eligibility

A participant who has become disabled shall, upon the participant's own application or upon order of the Director, be retired on an annuity computed under subsection (b) of this section.

(2) Standard for disability determination

A participant shall be considered to be disabled only if the participant—

(A) is found by the Director to be unable, because of disease or injury, to render useful and efficient service in the participant's position; and

(B) is not qualified for reassignment, under procedures prescribed by the Director, to a vacant position in the Agency at the same grade or level and in which the participant would be able to render useful and efficient service.

(3) Time limit for application

(A) One year requirement

A claim may be allowed under this section only if the application is submitted before the participant is separated from the Agency or within one year thereafter.

(B) Waiver for mentally incompetent participant

The time limitation may be waived by the Director for a participant who, at the date of separation from the Agency or within one year thereafter, is mentally incompetent, if the application is filed with the Agency within one year from the date of restoration of the participant to competency or the appointment of a fiduciary, whichever is earlier.

(b) Computation of disability annuity**(1) In general**

Except as provided in paragraph (2), an annuity payable under subsection (a) of this section shall be computed under section 2031(a) of this title. However, if the disabled or incapacitated participant has less than 20 years of service credit toward retirement under the system at the time of retirement, the annuity shall be computed on the assumption that the participant has had 20 years of service, but the additional service credit that may accrue to a participant under this paragraph may not exceed the difference between the participant's age at the time of retirement and age 60.

(2) Coordination with military retired pay and veterans' compensation and pension

If a participant retiring under this section is receiving retired pay or retainer pay for military service (except that specified in section 2082(e)(3) of this title) or Department of Veterans Affairs compensation or pension in lieu of such retired or retainer pay, the annuity of that participant shall be computed under section 2031(a) of this title, excluding credit for such military service from that computation. If the amount of the annuity so computed, plus the retired or retainer pay which is received, or which would be received but for the application of the limitation in section 5532 of title 5, or the Department of Veterans Affairs compensation or pension in lieu of such retired or retainer pay, is less than the annuity that would be payable under this section in the absence of the previous sentence, an amount equal to the difference shall be added to the annuity payable under section 2031(a) of this title.

(c) Medical examinations**(1) Medical examination required for determination of disability**

In each case, the participant shall be given a medical examination by one or more duly qualified physicians or surgeons designated by the Director to conduct examinations, and disability shall be determined by the Director on the basis of the advice of such physicians or surgeons.

(2) Annual reexaminations until age 60

Unless the disability is permanent, like examinations shall be made annually until the annuitant becomes age 60. If the Director determines on the basis of the advice of one or more duly qualified physicians or surgeons conducting such examinations that an annuitant has recovered to the extent that the annuitant can return to duty, the annuitant may apply for reinstatement or reappointment in the Agency within one year from the date the annuitant's recovery is determined.

(3) Reinstatement

Upon application, the Director may reinstate any such recovered disability annuitant in the grade held at time of retirement, or the Director may, taking into consideration the age, qualifications, and experience of such annuitant, and the present grade of the annu-

itant's contemporaries in the Agency, appoint the annuitant to a grade higher than the one held before retirement.

(4) Termination of disability annuity

Payment of the annuity shall continue until a date one year after the date of examination showing recovery or until the date of reinstatement or reappointment in the Agency, whichever is earlier.

(5) Payment of fees

Fees for examinations under this subsection, together with reasonable traveling and other expenses incurred in order to submit to examination, may be paid out of the fund.

(6) Suspension of annuity pending required examination

If the annuitant fails to submit to examination as required under this section, payment of the annuity shall be suspended until continuance of the disability is satisfactorily established.

(7) Termination of annuity upon restoration of earning capacity

If the annuitant receiving a disability retirement annuity is restored to earning capacity before becoming age 60, payment of the annuity terminates on reemployment by the Government or 180 days after the end of the calendar year in which earning capacity is restored, whichever is earlier. Earning capacity shall be considered to be restored if in any calendar year the income of the annuitant from wages or self-employment, or both, equals at least 80 percent of the current rate of pay for the grade and step the annuitant held at the time of retirement.

(d) Treatment of recovered disability annuitant who is not reinstated**(1) Separation**

If a recovered or restored disability annuitant whose annuity is discontinued is for any reason not reinstated or reappointed in the Agency, the annuitant shall be considered, except for service credit, to have been separated within the meaning of section 2054 of this title as of the date of termination of the disability annuity.

(2) Retirement

After such termination, the recovered or restored annuitant shall be entitled to the benefits of section 2054 or 2071(a) of this title, except that the annuitant may elect voluntary retirement under section 2053 of this title, if qualified thereunder, or may be placed by the Director in an involuntary retirement status under section 2055(a) of this title, if qualified thereunder. Retirement rights under this paragraph shall be based on the provisions of this subchapter in effect as of the date on which the disability annuity is discontinued.

(3) Further disability before age 62

If, based on a current medical examination, the Director determines that a recovered annuitant has, before reaching age 62, again become totally disabled due to recurrence of the disability for which the annuitant was origi-

nally retired, the annuitant's terminated disability annuity (same type and rate) shall be reinstated from the date of such medical examination. If a restored-to-earning-capacity annuitant has not medically recovered from the disability for which retired and establishes to the Director's satisfaction that the annuitant's income from wages and self-employment in any calendar year before reaching age 62 was less than 80 percent of the rate of pay for the grade and step the annuitant held at the time of retirement, the annuitant's terminated disability annuity (same type and rate) shall be reinstated from the first of the next following year. If the annuitant has been allowed an involuntary or voluntary retirement annuity in the meantime, the annuitant's reinstated disability annuity shall be substituted for it unless the annuitant elects to retain the former benefit.

(e) Coordination of benefits

(1) Workers' compensation

A participant is not entitled to receive for the same period of time—

- (A) an annuity under this subchapter, and
- (B) compensation for injury to, or disability of, such participant under subchapter I of chapter 81 of title 5, other than compensation payable under section 8107 of such title.

(2) Survivor annuities

An individual is not entitled to receive an annuity under this subchapter and a concurrent benefit under subchapter I of chapter 81 of title 5 on account of the death of the same person.

(3) Greater benefit

Paragraphs (1) and (2) do not bar the right of a claimant to the greater benefit conferred by either this subchapter or subchapter I of chapter 81 of title 5.

(f) Offset from survivor annuity for workers' compensation payment

(1) Refund to Department of Labor

If an individual is entitled to an annuity under this subchapter and the individual receives a lump-sum payment for compensation under section 8135 of title 5 based on the disability or death of the same person, so much of the compensation as has been paid for a period extended beyond the date payment of the annuity commences, as determined by the Secretary of Labor, shall be refunded to the Department for credit to the Employees' Compensation Fund. Before the individual may receive the annuity, the individual shall—

- (A) refund to the Secretary of Labor the amount representing the commuted compensation payments for the extended period; or
- (B) authorize the deduction of the amount from the annuity.

(2) Source of deduction

Deductions from the annuity may be made from accrued or accruing payments. The amounts deducted and withheld from the annuity shall be transmitted to the Secretary for reimbursement to the Employees' Compensation Fund.

(3) Prorating deduction

If the Secretary finds that the financial circumstances of an individual entitled to an annuity under this subchapter warrant deferred refunding, deductions from the annuity may be prorated against and paid from accruing payments in such manner as the Secretary determines appropriate.

PART E—LUMP-SUM PAYMENTS

§ 2071. Lump-sum payments

(a) Entitlement to lump-sum credit

Subject to section 2082(d) of this title and subsection (b) of this section, a participant who—

- (1) is separated from the Agency for at least 31 consecutive days and is not transferred to employment covered by another retirement system for Government employees;
- (2) files an application with the Director for payment of the lump-sum credit;
- (3) is not reemployed in a position in which the participant is subject to this subchapter at the time the participant files the application; and
- (4) will not become eligible to receive an annuity under this subchapter within 31 days after filing the application,

is entitled to be paid the lump-sum credit. Receipt of the payment of the lump-sum credit by the former participant voids all annuity rights under this subchapter based on the service on which the lump-sum credit is based, until the former participant is reemployed in service subject to this subchapter.

(b) Conditions for payment of lump-sum credit

(1) In general

Whenever a former participant becomes entitled to receive payment of the lump-sum credit under subsection (a) of this section, such lump-sum credit shall be paid to the former participant and to any former spouse or former wife or husband of the former participant in accordance with paragraphs (2) through (4). The former participant's lump-sum credit shall be reduced by the amount of the lump-sum credit payable to any former spouse or former wife or husband.

(2) Pro rata share for former spouse

Unless otherwise expressly provided by any spousal agreement or court order under sec-

tion 2094(b) of this title, a former spouse of the former participant shall be entitled to receive a share of such participant's lump-sum credit—

(A) if married to the participant throughout the period of creditable service of the participant, equal to 50 percent of such lump-sum credit; or

(B) if not married to the participant throughout such creditable service, equal to a proportion of 50 percent of such lump-sum credit which is the proportion that the number of days of the marriage of the former spouse to the participant during periods of creditable service of such participant bears to the total number of days of such creditable service.

(3) Share for former wife or husband

Payment of the former participant's lump-sum credit shall be subject to the terms of a court order under section 2094(c) of this title concerning any former wife or husband of the former participant if—

(A) the court order expressly relates to any portion of such lump-sum credit; and

(B) payment of the lump-sum credit would extinguish entitlement of such former wife or husband to a survivor annuity under section 2036 of this title or to any portion of the participant's annuity under section 2094(c) of this title.

(4) Notification

A lump-sum credit may be paid to or for the benefit of a former participant—

(A) only upon written notification to (i) the current spouse, if any, (ii) any former spouse, and (iii) any former wife or husband who has a court order covered by paragraph (3); and

(B) only if the express written concurrence of the current spouse has been received by the Director.

This paragraph may be waived under circumstances described in section 2031(b)(1)(D) of this title.

(c) Order of precedence of payment

A lump-sum payment authorized by subsection (d) or (e) of this section 2121(d)¹ of this title and a payment of any accrued and unpaid annuity authorized by subsection (f) of this section shall be paid in the following order of precedence to individuals surviving the participant and alive on the date entitlement to the payment arises, upon establishment of a valid claim therefor, and such payment bars recovery by any other individual:

(1) To the beneficiary or beneficiaries designated by such participant in a signed and witnessed writing received by the Director before the participant's death. For this purpose, a designation, change, or cancellation of beneficiary in a will or other document not so executed and filed with the Director shall have no force or effect.

(2) If there is no designated beneficiary, to the surviving wife or husband of such participant.

¹So in original. The words "of this section 2121(d)" probably should be "of this section or by section 2121(d)".

(3) If none of the above, to the child or children of such participant and descendent of deceased children by representation.

(4) If none of the above, to the parents of such participant or the survivor of them.

(5) If none of the above, to the duly appointed executor or administrator of the estate of such participant.

(6) If none of the above, to such other next of kin of such participant as the Director determines to be legally entitled to such payment.

(d) Death of former participant before retirement

(1) In general

Except as provided in paragraph (2), if a former participant eligible for a deferred annuity under section 2054 of this title dies before reaching age 62, such former participant's lump-sum credit shall be paid in accordance with subsection (c) of this section.

(2) Limitation

In any case where there is a surviving former spouse or surviving former wife or husband of such participant who is entitled to a share of such participant's lump-sum credit under paragraphs (2) and (3) of subsection (b) of this section, the lump-sum credit payable under paragraph (1) shall be reduced by the lump-sum credit payable to such former spouse or former wife or husband.

(e) Termination of all annuity rights

If all annuity rights under this subchapter based on the service of a deceased participant or annuitant terminate before the total annuity paid equals the lump-sum credit, the difference shall be paid in accordance with subsection (c) of this section.

(f) Payment of accrued and unpaid annuity when retired participant dies

If a retired participant dies, any annuity accrued and unpaid shall be paid in accordance with subsection (c) of this section.

(g) Termination of survivor annuity

An annuity accrued and unpaid on the termination, except by death, of the annuity of a survivor annuitant shall be paid to that individual. An annuity accrued and unpaid on the death of a survivor annuitant shall be paid in the following order of precedence, and the payment bars recovery by any other individual:

(1) To the duly appointed executor or administrator of the estate of the survivor annuitant.

(2) If there is no executor or administrator, to such next of kin of the survivor annuitant as the Director determines to be legally entitled to such payment, except that no payment shall be made under this paragraph until after the expiration of 30 days from the date of death of the survivor annuitant.

PART F—PERIOD OF SERVICE FOR ANNUITIES

§ 2081. Computation of length of service

(a) In general

(1) Crediting service as participant

For the purposes of this subchapter, the period of service of a participant shall be computed from the date on which the participant becomes a participant under this subchapter.

(2) Exclusion of certain periods

In computing the period of service of a participant, all periods of separation from the Agency and so much of any leave of absence without pay as may exceed six months in the aggregate in any calendar year shall be excluded, except leaves of absence while receiving benefits under chapter 81 of title 5 and leaves of absence granted participants while performing active and honorable service in the Armed Forces.

(3) Crediting certain periods of separation

A participant or former participant who returns to Government duty after a period of separation shall have included in the participant or former participant's period of service that part of the period of separation in which the participant or former participant was receiving benefits under chapter 81 of title 5.

(b) Extra credit for periods served at unhealthful posts overseas

(1) Classification of certain posts as unhealthful

The Director may from time to time establish a list of places outside the United States that, by reason of climatic or other extreme conditions, are to be classed as unhealthful posts. Such list shall be established in consultation with the Secretary of State.

(2) Extra credit

Each year of duty at a post on the list established under paragraph (1), inclusive of regular

leaves of absence, shall be counted as one and a half years in computing the length of service of a participant under this subchapter for the purpose of retirement. In computing such service, any fractional month shall be treated as a full month.

(3) Coordination with benefits under title 5

Extra credit for service at an unhealthful post may not be credited to a participant who is paid a differential under section 5925 or 5928 of title 5 for the same service.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 2002, 2021, 2031 of this title.

§ 2082. Prior service credit

(a) In general

A participant may, subject to the provisions of this section, include in the participant's period of service—

(1) civilian service in the Government before becoming a participant that would be creditable toward retirement under subchapter III of chapter 83 of title 5 (as determined under section 8332(b) of such title); and

(2) honorable active service in the Armed Forces before the date of the separation upon which eligibility for an annuity is based, or honorable active service in the Regular or Reserve Corps of the Public Health Service after June 30, 1960, or as a commissioned officer of the National Oceanic and Atmospheric Administration after June 30, 1961.

(b) Limitations

(1) In general

Except as provided in paragraphs (2) and (3), the total service of any participant shall exclude—

(A) any period of civilian service on or after October 1, 1982, for which retirement deductions or deposits have not been made,

(B) any period of service for which a refund of contributions has been made, or

(C) any period of service for which contributions were not transferred pursuant to subsection (c)(1) of this section;

unless the participant makes a deposit to the fund in an amount equal to the percentages of basic pay received for such service as specified in the table contained in section 8334(c) of title 5, together with interest computed in accordance with section 8334(e) of such title. The deposit may be made in one or more installments (including by allotment from pay), as determined by the Director.

(2) Effect of retirement deductions not made

If a participant has not paid a deposit for civilian service performed before October 1, 1982, for which retirement deductions were not made, such participant's annuity shall be reduced by 10 percent of the deposit described in paragraph (1) remaining unpaid, unless the participant elects to eliminate the service involved for the purpose of the annuity computation.

(3) Effect of refund of retirement contributions

A participant who received a refund of retirement contributions under this or any other retirement system for Government employees covering service for which the participant may be allowed credit under this subchapter may deposit the amount received, with interest computed under paragraph (1). Credit may not be allowed for the service covered by the refund until the deposit is made, except that a participant who—

(A) separated from Government service before October 1, 1990, and received a refund of the participant's retirement contributions covering a period of service ending before October 1, 1990;

(B) is entitled to an annuity under this subchapter (other than a disability annuity) which commences after December 1, 1992; and

(C) does not make the deposit required to receive credit for the service covered by the refund;

shall be entitled to an annuity actuarially reduced in accordance with section 8334(d)(2)(B) of title 5.

(4) Entitlement under another system

Credit toward retirement under the system shall not be allowed for any period of civilian service on the basis of which the participant is receiving (or will in the future be entitled to receive) an annuity under another retirement system for Government employees, unless the right to such annuity is waived and a deposit is made under paragraph (1) covering that period of service, or a transfer is made pursuant to subsection (c) of this section.

(c) Transfer from other Government retirement systems

(1) In general

If an employee who is under another retirement system for Government employees becomes a participant in the system by direct transfer, the Government's contributions (including interest accrued thereon computed in accordance with section 8334(e) of title 5) under such retirement system on behalf of the employee as well as such employee's total contributions and deposits (including interest accrued thereon), except voluntary contributions, shall be transferred to the employee's credit in the fund effective as of the date such employee becomes a participant in the system.

(2) Consent of employee

Each such employee shall be deemed to consent to the transfer of such funds, and such transfer shall be a complete discharge and ac-

quittance of all claims and demands against the other Government retirement fund on account of service rendered before becoming a participant in the system.

(3) Additional contributions; refunds

A participant whose contributions are transferred pursuant to paragraph (1) shall not be required to make additional contributions for periods of service for which full contributions were made to the other Government retirement fund, nor shall any refund be made to any such participant on account of contributions made during any period to the other Government retirement fund at a higher rate than that fixed for employees by section 8334(c) of title 5 for contributions to the fund.

(d) Transfer to other Government retirement systems

(1) In general

If a participant in the system becomes an employee under another Government retirement system by direct transfer to employment covered by such system, the Government's contributions (including interest accrued thereon computed in accordance with section 8334(e) of title 5) to the fund on the participant's behalf as well as the participant's total contributions and deposits (including interest accrued thereon), except voluntary contributions, shall be transferred to the participant's credit in the fund of such other retirement system effective as of the date on which the participant becomes eligible to participate in such other retirement system.

(2) Consent of employee

Each such employee shall be deemed to consent to the transfer of such funds, and such transfer shall be a complete discharge and acquittance of all claims and demands against the fund on account of service rendered before the participant's becoming eligible for participation in that other system.

(e) Prior military service credit

(1) Application to obtain credit

If a deposit required to obtain credit for prior military service described in subsection (a)(2) of this section was not made to another Government retirement fund and transferred under subsection (c)(1) of this section, the participant may obtain credit for such military service, subject to the provisions of this subsection and subsections (f) through (h) of this section, by applying for it to the Director before retirement or separation from the Agency.

(2) Employment starting before, on, or after October 1, 1982

Except as provided in paragraph (3)—

(A) the service of a participant who first became a Federal employee before October 1, 1982, shall include credit for each period of military service performed before the date of separation on which entitlement to an annuity under this subchapter is based, subject to subsection (f) of this section; and

(B) the service of a participant who first becomes a Federal employee on or after October 1, 1982, shall include credit for—

(i) each period of military service performed before January 1, 1957, and

(ii) each period of military service performed after December 31, 1956, and before the separation on which entitlement to an annuity under this subchapter is based, only if a deposit (with interest, if any) is made with respect to that period, as provided in subsection (h) of this section.

(3) Effect of receipt of military retired pay

In the case of a participant who is entitled to retired pay based on a period of military service, the participant's service may not include credit for such period of military service unless the retired pay is paid—

(A) on account of a service-connected disability—

(i) incurred in combat with an enemy of the United States; or

(ii) caused by an instrumentality of war and incurred in the line of duty during a period of war (as defined in section 1101 of title 38); or

(B) under chapter 67¹ of title 10.

(4) Survivor annuity

Notwithstanding paragraph (3), the survivor annuity of a survivor of a participant—

(A) who was awarded retired pay based on any period of military service, and

(B) whose death occurs before separation from the Agency,

shall be computed in accordance with section 8332(c)(3) of title 5.

(f) Effect of entitlement to social security benefits

(1) In general

Notwithstanding any other provision of this section (except paragraph (3) of this subsection) or section 2083 of this title, any military service (other than military service covered by military leave with pay from a civilian position) performed by a participant after December 1956 shall be excluded in determining the aggregate period of service on which an annuity payable under this subchapter to such participant or to the participant's spouse, former spouse, previous spouse, or child is based, if such participant, spouse, former spouse, previous spouse, or child is entitled (or would upon proper application be entitled), at the time of such determination, to monthly old-age or survivors' insurance benefits under section 402 of title 42, based on such participant's wages and self-employment income. If the military service is not excluded under the preceding sentence, but upon attaining age 62, the participant or spouse, former spouse, or previous spouse becomes entitled (or would upon proper application be entitled) to such benefits, the aggregate period of service on which the annuity is based shall be redetermined, effective as of the first day of the month in which the participant or spouse, former spouse, or previous spouse attains age 62, so as to exclude such service.

¹ See References in Text note below.

(2) Limitation

The provisions of paragraph (1) relating to credit for military service do not apply to—

(A) any period of military service of a participant with respect to which the participant has made a deposit with interest, if any, under subsection (h) of this section; or

(B) the military service of any participant described in subsection (e)(2)(B) of this section.

(3) Effect of entitlement before September 8, 1982

(A) The annuity recomputation required by paragraph (1) shall not apply to any participant who was entitled to an annuity under this subchapter on or before September 8, 1982, or who is entitled to a deferred annuity based on separation from the Agency occurring on or before such date. Instead of an annuity recomputation, the annuity of such participant shall be reduced at age 62 by an amount equal to a fraction of the participant's old-age or survivors' insurance benefits under section 402 of title 42. The reduction shall be determined by multiplying the participant's monthly Social Security benefit by a fraction, the numerator of which is the participant's total military wages and deemed additional wages (within the meaning of section 429 of title 42) that were subject to Social Security deductions and the denominator of which is the total of all the participant's wages, including military wages, and all self-employment income that were subject to Social Security deductions before the calendar year in which the determination month occurs.

(B) The reduction determined in accordance with subparagraph (A) shall not be greater than the reduction that would be required under paragraph (1) if such paragraph applied to the participant. The new formula shall be applicable to any annuity payment payable after October 1, 1982, including annuity payments to participants who had previously reached age 62 and whose annuities had already been recomputed.

(C) For purposes of this paragraph, the term "determination month" means—

(i) the first month for which the participant is entitled to old-age or survivors' insurance benefits (or would be entitled to such benefits upon application therefor); or

(ii) October 1982, in the case of any participant entitled to such benefits for that month.

(g) Deposits paid by survivors

For the purpose of survivor annuities, deposits authorized by subsections (b) and (h) of this section may also be made by the survivor of a participant.

(h) Deposits for periods of military service

(1)(A) Each participant who has performed military service before the date of separation on which entitlement to an annuity under this subchapter is based may pay to the Agency an amount equal to 7 percent of the amount of basic pay paid under section 204 of title 37 to the participant for each period of military service after December 1956; except, the amount to be

paid for military service performed beginning on January 1, 1999, through December 31, 2002, shall be as follows:

7.25 percent of basic pay.	January 1, 1999, to December 31, 1999.
7.4 percent of basic pay.	January 1, 2000, to December 31, 2000.
7.5 percent of basic pay.	January 1, 2001, to December 31, 2002.

(B) The amount of such payments shall be based on such evidence of basic pay for military service as the participant may provide or, if the Director determines sufficient evidence has not been provided to adequately determine basic pay for military service, such payment shall be based upon estimates of such basic pay provided to the Director under paragraph (4).

(2) Any deposit made under paragraph (1) more than two years after the later of—

(A) October 1, 1983, or

(B) the date on which the participant making the deposit first becomes an employee of the Federal Government,

shall include interest on such amount computed and compounded annually beginning on the date of expiration of the two-year period. The interest rate that is applicable in computing interest in any year under this paragraph shall be equal to the interest rate that is applicable for such year under section 8334(e) of title 5.

(3) Any payment received by the Director under this subsection shall be deposited in the Treasury of the United States to the credit of the fund.

(4) The provisions of section 2031(k) of this title shall apply with respect to such information as the Director determines to be necessary for the administration of this subsection in the same manner that such section applies concerning information described in that section.

§ 2093. Payment of benefits

(a) Annuities stated as annual amounts

Each annuity is stated as an annual amount, $\frac{1}{12}$ of which, rounded to the next lowest dollar, constitutes the monthly rate payable on the first business day of the month after the month or other period for which it has accrued.

(b) Commencement of annuity

(1) Commencement of annuity for participants generally

Except as otherwise provided in paragraph (2), the annuity of a participant who has met the eligibility requirements for an annuity shall commence on the first day of the month after separation from the Agency or after pay ceases and the service and age requirements for title to an annuity are met.

(2) Exceptions

The annuity of—

(A) a participant involuntarily separated from the Agency;

(B) a participant retiring under section 2051 of this title due to a disability; and

(C) a participant who serves 3 days or less in the month of retirement;

shall commence on the day after separation from the Agency or the day after pay ceases and the service and age or disability requirements for title to annuity are met.

(3) Other annuities

Any other annuity payable from the fund commences on the first day of the month after the occurrence of the event on which payment thereof is based.

(c) Termination of annuity

An annuity payable from the fund shall terminate—

(1) in the case of a retired participant, on the day death or any other terminating event provided by this subchapter occurs; or

(2) in the case of a former spouse or a survivor, on the last day of the month before death or any other terminating event occurs.

(d) Application for survivor annuities

The annuity to a survivor shall become effective as otherwise specified but shall not be paid until the survivor submits an application for such annuity, supported by such proof of eligibility as the Director may require. If such application or proof of eligibility is not submitted

during the lifetime of an otherwise eligible individual, no annuity shall be due or payable to the individual's estate.

(e) Waiver of annuity

An individual entitled to an annuity from the fund may decline to accept all or any part of the annuity by submitting a signed waiver to the Director. The waiver may be revoked in writing at any time. Payment of the annuity waived may not be made for the period during which the waiver is in effect.

(f) Limitations

(1) Application before 115th anniversary

No payment shall be made from the fund unless an application for benefits based on the service of the participant is received by the Director before the 115th anniversary of the participant's birth.

(2) Application within 30 years

Notwithstanding paragraph (1), after the death of a participant or retired participant, no benefit based on that participant's service may be paid from the fund unless an application for the benefit is received by the Director within 30 years after the death or other event which gives rise to eligibility for the benefit.

(g) Withholding of State income tax from annuities

(1) Agreements with States

The Director shall, in accordance with this subsection, enter into an agreement with any State within 120 days of a request for agreement from the proper State official. The agreement shall provide that the Director shall withhold State income tax in the case of the monthly annuity of any annuitant who voluntarily requests, in writing, such withholding. The amounts withheld during any calendar quarter shall be held in the Fund¹ and disbursed to the States during the month following that calendar quarter.

(2) Limitation on multiple requests

An annuitant may have in effect at any time only one request for withholding under this subsection, and an annuitant may not have more than two such requests during any one calendar year.

(3) Change in State designation

Subject to paragraph (2), an annuitant may change the State designated by that annuitant for purposes of having withholdings made, and may request that the withholdings be remitted in accordance with such change. An annuitant also may revoke any request of that annuitant for withholding. Any change in the State designated or revocation is effective on the first day of the month after the month in which the request or the revocation is processed by the Director, but in no event later than on the first day of the second month beginning after the day on which such request or revocation is received by the Director.

- (ii) a pro rata share of 50 percent, if the qualified former spouse was not married to the employee throughout such creditable service.

(2) Annuity supplement

The benefits payable to an employee under subchapter II of chapter 84 of title 5 shall include, for purposes of this subsection, any annuity supplement payable to such employee under sections 8421 and 8421a of such title.

(3) Disqualification upon remarriage before age 55

A qualified former spouse shall not be entitled to any benefit under this subsection if, be-

fore the commencement of any benefit, the qualified former spouse remarries before becoming 55 years of age.

(4) Commencement and termination

(A) Commencement

The benefits of a qualified former spouse under this subsection commence on the later of—

(i) the day on which the employee upon whose service the benefits are based becomes entitled to the benefits; or

(ii) the first day of the second month beginning after the date on which the Director receives written notice of the court order or spousal agreement, together with such additional information or documentation as the Director may prescribe.

(B) Termination

The benefits of the qualified former spouse and the right thereto terminate on—

(i) the last day of the month before the qualified former spouse remarries before 55 years of age or dies; or

(ii) the date on which the retired employee's benefits terminate (except in the case of benefits subject to paragraph (5)(B)).

(5) Payments to retired employees

(A) Calculation of survivor annuity

Any reduction in payments to a retired employee as a result of payments to a qualified former spouse under this subsection shall be disregarded in calculating—

(i) the survivor annuity for any spouse, former spouse (qualified or otherwise), or other survivor under chapter 84 of title 5, and

(ii) any reduction in the annuity of the retired employee to provide survivor benefits under subsection (d) of this section or under sections² 8442 or 8445 of title 5.

(B) Reduction in basic pay upon recall to service

If a retired employee whose annuity is reduced under paragraph (1) is recalled to service under section 2152(c) of this title, the basic pay of that annuitant shall be reduced by the same amount as the annuity would have been reduced if it had continued. Amounts equal to the reductions under this subparagraph shall be deposited in the Treasury of the United States to the credit of the Civil Service Retirement and Disability Fund.

(6) Special rules for disability annuitants

Notwithstanding paragraphs (1) and (4), in the case of any qualified former spouse of a disability annuitant—

(A) the annuity of such former spouse shall commence on the date on which the employee would qualify, on the basis of the employee's creditable service, for benefits under subchapter II of chapter 84 of title 5 or on the date on which the disability annuity begins, whichever is later; and

(B) the amount of the annuity of the qualified former spouse shall be calculated on the basis of the benefits for which the employee would otherwise qualify under subchapter II of chapter 84 of such title.

(7) Pro rata share in case of employees transferred to FERS

Notwithstanding paragraph (1)(B), in the case of an employee who has elected to become subject to chapter 84 of title 5, the share of such employee's qualified former spouse shall equal the sum of—

(A) 50 percent of the employee's annuity under subchapter III of chapter 83 of title 5 or under subchapter II of this chapter (computed in accordance with section 302(a) of the Federal Employees' Retirement System Act of 1986 or section 2157 of this title), multiplied by the proportion that the number of days of marriage during the period of the employee's creditable service before the effective date of the election to transfer bears to the employee's total creditable service before such effective date; and

(B) if applicable, 50 percent of the employee's benefits under chapter 84 of title 5 or section 2152(a) of this title (computed in accordance with section 302(a) of the Federal Employees' Retirement System Act of 1986 or section 2157 of this title), multiplied by the proportion that the number of days of marriage during the period of the employee's creditable service on and after the effective date of the election to transfer bears to the employee's total creditable service after such effective date.

(8) Treatment of pro rata share under title 26

For purposes of title 26, payments to a qualified former spouse under this subsection shall be treated as income to the qualified former spouse and not to the employee.

(d) Qualified former spouse survivor benefits

(1) Entitlement

(A) In general

Subject to an election under section 8416(a) of title 5, and unless otherwise expressly provided by any spousal agreement or court order governing survivor benefits payable under this subsection to a qualified former spouse, such former spouse is entitled to a share, determined under subparagraph (B), of all survivor benefits that would otherwise be payable under subchapter IV of chapter 84 of title 5 to an eligible surviving spouse of the employee.

(B) Amount of share

The share referred to in subparagraph (A) equals—

(i) 100 percent, if the qualified former spouse was married to the employee throughout the entire period of the employee's service which is creditable under chapter 84 of title 5; or

(ii) a pro rata share of 100 percent, if the qualified former spouse was not married to the employee throughout such creditable service.

²So in original. Probably should be "section".

(2) Survivor benefits

(A) The survivor benefits payable under this subsection to a qualified former spouse shall include the amount payable under section 8442(b)(1)(A) of title 5 and any supplementary annuity under section 8442(f) of such title that would be payable if such former spouse were a widow or widower entitled to an annuity under such section.

(B) Any calculation under section 8442(f) of title 5 of the supplementary annuity payable to a widow or widower of an employee referred to in section 2152(a) of this title shall be based on an “assumed CIARDS annuity” rather than an “assumed CSRS annuity” as stated in section 8442(f) of such title. For the purpose of this subparagraph, the term “assumed CIARDS annuity” means the amount of the survivor annuity to which the widow or widower would be entitled under subchapter II of this chapter based on the service of the deceased annuitant determined under section 8442(f)(5) of such title.

(3) Disqualification upon remarriage before age 55

A qualified former spouse shall not be entitled to any benefit under this subsection if, before commencement of any benefit, the qualified former spouse remarries before becoming 55 years of age.

(4) Restoration

If the survivor annuity payable under this subsection to a surviving qualified former spouse is terminated because of remarriage before becoming age 55, the annuity shall be restored at the same rate commencing on the date such remarriage is dissolved by death, divorce, or annulment, if—

(A) such former spouse elects to receive this survivor annuity instead of any other survivor benefit to which such former spouse may be entitled under subchapter IV of chapter 84 of title 5, or under another retirement system for Government employees by reason of the remarriage; and

(B) any lump sum paid on termination of the annuity is returned to the Civil Service Retirement and Disability Fund.

(5) Modification of court order or spousal agreement

A modification in a court order or spousal agreement to adjust a qualified former spouse's share of the survivor benefits shall not be effective if issued after the retirement or death of the employee, former employee, or annuitant, whichever occurs first.

(6) Effect of termination of qualified former spouse's entitlement

After a qualified former spouse of a retired employee remarries before becoming age 55 or dies, the reduction in the retired employee's annuity for the purpose of providing a survivor annuity for such former spouse shall be terminated. The annuitant may elect, in a signed writing received by the Director within 2 years after the qualified former spouse's remarriage or death, to continue the reduction in order to provide or increase the survivor annuity for

such annuitant's spouse. The annuitant making such election shall pay a deposit in accordance with the provisions of section 8418 of title 5.

(7) Pro rata share in case of employees transferred to FERS

Notwithstanding paragraph (1)(B), in the case of an employee who has elected to become subject to chapter 84 of title 5, the share of such employee's qualified former spouse to survivor benefits shall equal the sum of—

(A) 50 percent of the employee's annuity under subchapter III of chapter 83 of title 5 or under subchapter II of this chapter (computed in accordance with section 302(a) of the Federal Employees' Retirement System Act of 1986 or section 2157 of this title), multiplied by the proportion that the number of days of marriage during the period of the employee's creditable service before the effective date of the election to transfer bears to the employee's total creditable service before such effective date; and

(B) if applicable—

(i) 50 percent of the employee's annuity under chapter 84 of title 5 or section 2152(a) of this title (computed in accordance with section 302(a) of the Federal Employees' Retirement System Act of 1986 or section 2157 of this title), plus

(ii) the survivor benefits referred to in subsection (d)(2)(A) of this section,

multiplied by the proportion that the number of days of marriage during the period of the employee's creditable service on and after the effective date of the election to transfer bears to the employee's total creditable service after such effective date.

(e) Qualified former spouse Thrift Savings Plan benefit**(1) Entitlement****(A) In general**

Unless otherwise expressly provided by a spousal agreement or court order governing disposition of the balance of an account in the Thrift Savings Fund under subchapter III of chapter 84 of title 5, a qualified former spouse of an employee is entitled to a share (determined under subparagraph (B)) of the balance in the employee's account in the Thrift Savings Fund on the date the divorce of the qualified former spouse and employee becomes final.

(B) Amount of share

The share referred to in subparagraph (A) equals 50 percent of the employee's account balance in the Thrift Savings Fund that accrued during the period of marriage. For purposes of this subsection, the employee's account balance shall not include the amount of any outstanding loan.

(2) Payment of benefit**(A) Time of payment**

The entitlement of a qualified former spouse under paragraph (1) shall be effective on the date the divorce of the qualified former spouse and employee becomes final.

The qualified former spouse's benefit shall be payable after the date on which the Director receives the divorce decree or any applicable court order or spousal agreement, together with such additional information or documentation as the Director may require.

(B) Method of payment

The qualified former spouse's benefit under this subsection shall be paid in a lump sum.

(C) Limitation

A spousal agreement or court order may not provide for payment to a qualified former spouse under this subsection of an amount that exceeds the employee's account balance in the Thrift Savings Fund.

(D) Death of qualified former spouse

If the qualified former spouse dies before payment of the benefit provided under this subsection, such payment shall be made to the estate of the qualified former spouse.

(E) Bar to recovery

Any payment under this subsection to an individual bars recovery by any other individual.

(3) Closed account

No payment under this subsection may be made by the Director if the date on which the divorce becomes final is after the date on which the total amount of the employee's account balance has been withdrawn or transferred, or the date on which an annuity contract has been purchased, in accordance with section 8433 of title 5.

(f) Preservation of rights of qualified former spouses

An employee may not make an election or modification of election under section 8417 or 8418 of title 5, or other section relating to the employee's annuity under subchapter II of chapter 84 of title 5, that would diminish the entitlement of a qualified former spouse to any benefit granted to such former spouse by this section or by court order or spousal agreement.

(g) Payment of share of lump-sum credit

Whenever an employee or former employee becomes entitled to receive the lump-sum credit under section 8424(a) of title 5, a share (determined under subsection (c)(1)(B) of this section) of that lump-sum credit shall be paid to any qualified former spouse of such employee, unless otherwise expressly provided by any spousal agreement or court order governing disposition of the lump-sum credit involved.

(h) Payment to qualified former spouses under court order or spousal agreement

In the case of any employee or retired employee who has a qualified former spouse who is covered by a court order or who is a party to a spousal agreement—

(1) any right of the qualified former spouse to any retirement benefits under subsection (c) of this section and to any survivor benefits under subsection (d) of this section, and the amount of any such benefits;

(2) any right of the qualified former spouse to any Thrift Savings Plan benefit under subsection (e) of this section, and the amount of any such benefit; and

(3) any right of the qualified former spouse to any payment of a lump-sum credit under subsection (g) of this section, and the amount of any such payment;

shall be determined in accordance with that spousal agreement or court order, if and to the extent expressly provided for in the terms of the spousal agreement or court order that are not inconsistent with the requirements of this section.

(i) Applicability of CIARDS former spouse benefits

(1) Except as provided in paragraph (2), in the case of an employee who has elected to become subject to chapter 84 of title 5, the provisions of sections 2034 and 2035 of this title shall apply to such employee's former spouse (as defined in section 2002(a)(4) of this title) who would otherwise be eligible for benefits under sections 2034 and 2035 of this title but for the employee having elected to become subject to such chapter.

(2) For the purposes of computing such former spouse's benefits under sections 2034 and 2035 of this title—

(A) the retirement benefits shall be equal to the amount determined under subsection (c)(7)(A) of this section; and

(B) the survivor benefits shall be equal to 55 percent of the full amount of the employee's annuity computed in accordance with section 302(a) of the Federal Employees' Retirement System Act of 1986 or regulations prescribed under section 2157 of this title.

(3) Benefits provided pursuant to this subsection shall be payable from the Central Intelligence Agency Retirement and Disability Fund.

§ 2301. Findings

Congress makes the following findings:

(1) Weapons of mass destruction and related materials and technologies are increasingly available from worldwide sources. Technical information relating to such weapons is readily available on the Internet, and raw materials for chemical, biological, and radiological weapons are widely available for legitimate commercial purposes.

(2) The former Soviet Union produced and maintained a vast array of nuclear, biological, and chemical weapons of mass destruction.

(3) Many of the states of the former Soviet Union retain the facilities, materials, and technologies capable of producing additional quantities of weapons of mass destruction.

(4) The disintegration of the former Soviet Union was accompanied by disruptions of com-

mand and control systems, deficiencies in accountability for weapons, weapons-related materials and technologies, economic hardships, and significant gaps in border control among the states of the former Soviet Union. The problems of organized crime and corruption in the states of the former Soviet Union increase the potential for proliferation of nuclear, radiological, biological, and chemical weapons and related materials.

(5) The conditions described in paragraph (4) have substantially increased the ability of potentially hostile nations, terrorist groups, and individuals to acquire weapons of mass destruction and related materials and technologies from within the states of the former Soviet Union and from unemployed scientists who worked on those programs.

(6) As a result of such conditions, the capability of potentially hostile nations and terrorist groups to acquire nuclear, radiological, biological, and chemical weapons is greater than at any time in history.

(7) The President has identified North Korea, Iraq, Iran, and Libya as hostile states which already possess some weapons of mass destruction and are developing others.

(8) The acquisition or the development and use of weapons of mass destruction is well within the capability of many extremist and terrorist movements, acting independently or as proxies for foreign states.

(9) Foreign states can transfer weapons to or otherwise aid extremist and terrorist movements indirectly and with plausible deniability.

(10) Terrorist groups have already conducted chemical attacks against civilian targets in the United States and Japan, and a radiological attack in Russia.

(11) The potential for the national security of the United States to be threatened by nuclear, radiological, chemical, or biological terrorism must be taken seriously.

(12) There is a significant and growing threat of attack by weapons of mass destruction on targets that are not military targets in the usual sense of the term.

(13) Concomitantly, the threat posed to the citizens of the United States by nuclear, radiological, biological, and chemical weapons delivered by unconventional means is significant and growing.

(14) Mass terror may result from terrorist incidents involving nuclear, radiological, biological, or chemical materials.

(15) Facilities required for production of radiological, biological, and chemical weapons are much smaller and harder to detect than nuclear weapons facilities, and biological and chemical weapons can be deployed by alternative delivery means other than long-range ballistic missiles.

(16) Covert or unconventional means of delivery of nuclear, radiological, biological, and chemical weapons include cargo ships, passenger aircraft, commercial and private vehicles and vessels, and commercial cargo shipments routed through multiple destinations.

(17) Traditional arms control efforts assume large state efforts with detectable manufac-

turing programs and weapons production programs, but are ineffective in monitoring and controlling smaller, though potentially more dangerous, unconventional proliferation efforts.

(18) Conventional counterproliferation efforts would do little to detect or prevent the rapid development of a capability to suddenly manufacture several hundred chemical or biological weapons with nothing but commercial supplies and equipment.

(19) The United States lacks adequate planning and countermeasures to address the threat of nuclear, radiological, biological, and chemical terrorism.

(20) The Department of Energy has established a Nuclear Emergency Response Team which is available in case of nuclear or radiological emergencies, but no comparable units exist to deal with emergencies involving biological or chemical weapons or related materials.

(21) State and local emergency response personnel are not adequately prepared or trained for incidents involving nuclear, radiological, biological, or chemical materials.

(22) Exercises of the Federal, State, and local response to nuclear, radiological, biological, or chemical terrorism have revealed serious deficiencies in preparedness and severe problems of coordination.

(23) The development of, and allocation of responsibilities for, effective countermeasures to nuclear, radiological, biological, or chemical terrorism in the United States requires well-coordinated participation of many Federal agencies, and careful planning by the Federal Government and State and local governments.

(24) Training and exercises can significantly improve the preparedness of State and local emergency response personnel for emergencies involving nuclear, radiological, biological, or chemical weapons or related materials.

(25) Sharing of the expertise and capabilities of the Department of Defense, which traditionally has provided assistance to Federal, State, and local officials in neutralizing, dismantling, and disposing of explosive ordnance, as well as radiological, biological, and chemical materials, can be a vital contribution to the development and deployment of countermeasures against nuclear, biological, and chemical weapons of mass destruction.

(26) The United States lacks effective policy coordination regarding the threat posed by the proliferation of weapons of mass destruction.
