(c) If the President makes an affirmative determination under paragraphs (1), (2), and (3) of subsection (b), with respect to a firm or group of workers, he shall promptly certify that as a result of its dislocation the firm or group of workers is eligible to apply for adjustment assistance, unless the President determines that the operation of the Agreement has not been the primary factor in causing or threatening to cause dislocation of the firm or group of workers.

(d) If the President makes an affirmative determination under paragraph (1) but a negative determination under paragraph (2) or (3) of subsection (b), with respect to a firm or group of workers, the President shall determine whether the operation of the Agreement has nevertheless been the primary factor in causing or threatening to cause dislocation of the firm or group of workers. If the President makes such an affirmative determination, he shall promptly certify that as a result of its dislocation the firm or group of workers is eligible to apply for adjustment assistance.
