SEC. 102. (a) The Commissioner shall, in accordance with the provisions of this title, make payments to State educational agencies for the fiscal year 1976 for the purposes set forth in section 103.

(b)(1) Subject to the provisions of paragraphs (2) and (3), each State educational agency shall be entitled to receive, for the fiscal year ending June 30, 1976, an amount which, in addition to any amounts received by such agency and the local educational agencies of such State in that fiscal year under the Indochina Migration and Refugee Assistance Act of 1975, equals the additional expenditures, as determined under section 103, incurred by such State and local education agencies in that fiscal year in providing additional basic educational services and necessary supplementary educational services for Indochinese refugee children.

22 USC 2601
note.

(2) For the fiscal year ending June 30, 1976, no State educational agency shall be entitled to receive an amount under this title, which, when combined with any funds received by such agency and the local educational agencies of such State in such fiscal year under the Indochina Migration and Refugee Assistance Act of 1975, exceeds an amount equal to the average per pupil expenditure in such State for such fiscal year multiplied by the number of Indochinese refugee children in such State receiving public educational services.

If the aggregate of the amounts, determined by the Commissioner pursuant to the preceding sentence, to be so needed for any fiscal year exceeds an amount equal to such 1 per centum limitation, the entitlement of each such jurisdiction shall be reduced proportionately until such aggregate does not exceed such 1 per centum limitation.

(d) Determinations with respect to the number of Indochinese refugee children by the Commissioner under this section for any fiscal year shall be made, whenever actual satisfactory data are not available, on the basis of estimates. (c) If a State is prohibited by law from providing public educational services for children enrolled in elementary and secondary non-public schools, as required by section 105(a)(6), the Commissioner may waive such requirement and shall arrange for the provision of services to such children through arrangements which shall be subject to the requirements of this title.
