“CHAPTER 4—ECONOMIC SUPPORT FUND

“SEC. 531. In such cases, the President is authorized to furnish assistance to countries and organizations, on such terms and conditions as he may determine, in order to promote economic or political stability. 22 USC 2346a.

East is essential to the security of the United States and the cause of world peace. The Congress declares and finds that the United States can and should play a constructive role in securing a just and durable peace in the Middle East by facilitating increased understanding between the Arab countries and Israel and by assisting the countries in the region in their efforts to achieve economic progress and political stability, which are the essential foundations for peace. It is the sense of the Congress that United States assistance programs in the Middle East should be designed to promote mutual respect and security among the countries in the region and to foster a climate conducive to increased economic development, thereby contributing to a community of free, secure, and prospering countries in the Middle East.

Funds available
to Middle East.

“(b) (1) Of the amount authorized to be appropriated to carry out this chapter for the fiscal year 1979, not less than \$785,000,000 shall be available only for Israel, not less than \$750,000,000 shall be available only for Egypt, and not less than \$93,000,000 shall be available only for Jordan.

“(2) The total amount of funds allocated for Israel under this chapter for the fiscal year 1979 may be made available as a cash transfer. “(3) Not less than two-thirds of the assistance furnished to Israel, and not less than two-thirds of the assistance furnished to Egypt, under this chapter for the fiscal year 1979 shall be provided on a grant basis.

Programs financed under this paragraph shall be developed in close consultation with the Overseas Private Investment Corporation. It is the intent of the Congress that the funds made available under this paragraph should be used, to the maximum extent feasible, to encourage other donors, especially the Arab countries that are members of the Organization of Petroleum Exporting Countries, to participate in private enterprise development in Egypt. Funds made available under this paragraph may be used, among other things, for lending to Egyptian private business enterprise, to provide necessary surveys, services, and programs to encourage and support private enterprise development, and to contract for personnel to assist such programs.

“(5) It is the sense of the Congress that programs which stress regional development or regional scientific and technical cooperation between Israel and its Arab neighbors can contribute in an important way to the mutual understanding that must serve as the basis for permanent peace in the Middle East. Of the amount authorized to be appropriated to carry out this chapter for the fiscal year 1979, not less than \$5,000,000 shall be available only to fund regional programs which stress development or scientific and technical cooperation between Israel and its Arab neighbors or programs which would be used for Arab-Israeli cooperation once normalization of relations between Israel and the Arab nations occurs.

“(6) (A) Funds appropriated to carry out this chapter for the fiscal year 1979 may not be expended for construction of the proposed potash

production facility in Jordan until the President has determined, and has reported his determination to the Congress, that Jordan has obtained firm commitments from other sources for the financing, in addition to the proposed United States contribution, which will be required for that project.

“(B) Funds appropriated to carry out this chapter for the fiscal year 1979 may not be expended for construction of the proposed Maqarin Dam and Jordan Valley Irrigation System until the President has determined, and has reported his determination to the Congress, that Jordan has obtained firm commitments from other sources for the financing, in addition to the proposed United States contribution, which will be required for that project.

“SEC. 533. SOUTHERN AFRICA PROGRAM.—(a) Of the amount authorized to be appropriated to carry out this chapter for the fiscal year 1979, \$60,000,000 shall be available only for the countries of southern Africa to address the problems caused by the economic dislocation resulting from the conflict in that region and for education and job training assistance. Such funds may be used to provide humanitarian assistance to African refugees and persons displaced by war and internal strife in southern Africa, to improve transportation links interrupted or jeopardized by regional political conflicts, and to provide economic support to countries in the region.

22 USC 2346b.

“(b) No assistance may be furnished under this section to Mozambique, Angola, Tanzania, or Zambia, except that the President may waive this prohibition with respect to any such country if he determines, and so reports to the Congress, that furnishing such assistance to such country would further the foreign policy interests of the United States.

“SEC. 534. TURKEY AND CYPRUS PROGRAMS.—(a) Of the amount authorized to be appropriated to carry out this chapter for the fiscal year 1979, not less than \$15,000,000 shall be available only for refugee relief and reconstruction on Cyprus.

UNITED STATES POLICY REGARDING THE EASTERN MEDITERRANEAN

SEC. 13. (a) Section 620(x) of the Foreign Assistance Act of 1961 shall be of no further force and effect upon the President's determination and certification to the Congress that the resumption of full military cooperation with Turkey is in the national interest of the United States and in the interest of the North Atlantic Treaty Organization and that the Government of Turkey is acting in good faith to achieve a just and peaceful settlement of the Cyprus problem, the early peaceable return of refugees to their homes and properties, and continued removal of Turkish military troops from Cyprus in the context of a solution to the Cyprus problem, and the early serious resumption of inter-communal talks aimed at a just, negotiated settlement.

(b) The Foreign Assistance Act of 1961 is amended by inserting immediately after section 620B the following new section:

“SEC 620C. UNITED STATES POLICY REGARDING THE EASTERN MEDITERRANEAN.—(a) The Congress declares that the achievement of a just and lasting Cyprus settlement is and will remain a central objective of United States foreign policy. The Congress further declares that any action of the United States with respect to section 620(x) of this Act shall not signify a lessening of the United States commitment to a just solution to the conflict on Cyprus but is authorized in the expectation that this action will be conducive to achievement of a Cyprus solution and a general improvement in relations among Greece, Tur-

key, and Cyprus and between those countries and the United States. The Congress finds that—

“(1) a just settlement on Cyprus must involve the establishment of a free and independent government on Cyprus and must guarantee that the human rights of all of the people of Cyprus are fully protected;

“(2) a just settlement on Cyprus must include the withdrawal of Turkish military forces from Cyprus;

“(3) the guidelines for inter-communal talks agreed to in Nicosia in February 1977 and the United Nations resolutions regarding Cyprus provide a sound basis for negotiation of a just settlement on Cyprus;

“(4) serious negotiations, under United Nations auspices, will be necessary to achieve agreement on, and implementation of, constitutional and territorial terms within such guidelines; and

“(5) the recent proposals by both Cypriot communities regarding the return of the refugees to the city of New Famagusta (Varosha) constitute a positive step and the United States should actively support the efforts of the Secretary General of the United Nations with respect to this issue.

“(b) United States policy regarding Cyprus, Greece, and Turkey shall be directed toward the restoration of a stable and peaceful atmosphere in the Eastern Mediterranean region and shall therefore be governed by the following principles:

“(1) The United States shall actively support the resolution of differences through negotiations and internationally established peaceful procedures, shall encourage all parties to avoid provocative actions, and shall strongly oppose any attempt to resolve disputes through force or threat of force.

“(2) The United States will accord full support and high priority to efforts, particularly those of the United Nations, to bring about a prompt, peaceful settlement on Cyprus.

“(3) All defense articles furnished by the United States to countries in the Eastern Mediterranean region will be used only in accordance with the requirements of this Act, the Arms Export Control Act, and the agreements under which those defense articles were furnished.

“(4) The United States will furnish security assistance for Greece and Turkey only when furnishing that assistance is intended solely for defensive purposes, including when necessary to enable the recipient country to fulfill its responsibilities as a member of the North Atlantic Treaty Organization, and shall be designed to ensure that the present balance of military strength among countries of the region, including between Greece and Turkey, is preserved. Nothing in this paragraph shall be construed to prohibit the transfer of defense articles to Greece or Turkey for legitimate self defense or to enable Greece or Turkey to fulfill their North Atlantic Treaty Organization obligations.

“(5) The United States shall use its influence to ensure the continuation of the ceasefire on Cyprus until an equitable negotiated settlement is reached.

“(6) The United States shall use its influence to achieve the withdrawal of Turkish military forces from Cyprus in the context of a solution to the Cyprus problem.

“(c) Because progress toward a Cyprus settlement is a high priority of United States policy in the Eastern Mediterranean, the President and the Congress shall continually review that progress and shall determine United States policy in the region accordingly. To facilitate such a review the President shall, within 60 days after the date of enactment of this section and at the end of each succeeding 60-day period, transmit to the Speaker of the House of Representatives and the chairman of the Committee on Foreign Relations of the Senate a report on progress made toward the conclusion of a negotiated solution of the Cyprus problem. Such transmissions shall include any relevant reports prepared by the Secretary General of the United Nations for the Security Council.

Report to Speaker of the House and Senate committee.

“(d) In order to ensure that United States assistance is furnished consistent with the policies established in this section, the President shall, whenever requesting any funds for security assistance under this Act or the Arms Export Control Act for Greece and Turkey, transmit to the Speaker of the House of Representatives and the chairman of the Committee on Foreign Relations of the Senate his certification, with a full explanation thereof, that the furnishing of such assistance will be consistent with the principles set forth in subsection (b). The President shall also submit such a certification with any notification to the Congress, pursuant to section 36(b) of the Arms Export Control Act, of a proposed sale of defense articles or services to Greece or Turkey.”

Certification to Speaker of the House and Senate committee.

SPECIAL SECURITY ASSISTANCE PROGRAM FOR THE MODERNIZATION OF THE
ARMED FORCES OF THE REPUBLIC OF KOREA

SEC. 23. (a) (1) The President is authorized until December 31, 1982—

22 USC 2428b.

(A) to transfer, without reimbursement, to the Republic of Korea, only in conjunction with the withdrawal of the 2d Infantry Division and support forces from Korea, such United States

Government-owned defense articles as he may determine which are located in Korea in the custody of units of the United States Army scheduled to depart from Korea; and

(B) to furnish to the Republic of Korea, without reimbursement, defense services (including technical and operational training) in Korea directly related to the United States Government-owned defense articles transferred to the Republic of Korea under this subsection.

(2) Any transfer under the authority of this section shall be made in accordance with all the terms and conditions of the Foreign Assistance Act of 1961 applicable to the furnishing of defense articles and defense services under chapter 2 of part II of that Act, except that no funds heretofore or hereafter appropriated under that Act shall be available to reimburse any agency of the United States Government for any such transfer or related services.

(b) In order that transfers of defense articles under subsection (a) will not cause significant adverse impact on the readiness of the Armed Forces of the United States, the President is authorized, in lieu of such transfers, to transfer additional defense articles from the stocks of the Department of Defense, wherever located, to the Republic of Korea to compensate for the military capability of defense articles withdrawn from Korea in any case where he determines that—

(1) the transfer of specific defense articles located in Korea would have a significant adverse impact on the readiness of the United States Armed Forces;

(2) the defense capability provided by those defense articles is needed by the Armed Forces of the Republic of Korea in order to maintain the military balance on the Korean peninsula; and

(3) a comparable defense capability could be provided by less advanced defense articles in the stocks of the Department of Defense which could be transferred without significant adverse impact on the readiness of the United States Armed Forces.

The President shall report to the Congress each determination made under this subsection prior to the transfer of the defense articles described in such determination.

(c) The President shall transmit to the Congress, together with the presentation materials for security assistance programs proposed for each fiscal year through and including the fiscal year 1983, a report describing the types, quantities, and value of defense articles furnished or intended to be furnished to the Republic of Korea under this section.

(d) The President should also transmit to the Congress, 120 days prior to each phase of troop withdrawal, a report on the viability of the withdrawal. This report should include assessments of the military balance on the Korean peninsula, the impact of withdrawal on the military balance, the adequacy of United States military assistance to the Republic of Korea, the impact of withdrawal on the United Nations and the Republic of Korea command structure, Republic of Korea defensive fortifications and defense industry developments, the United States reinforcement capability, and the progress of diplomatic efforts to reduce tensions in the area.

(e) (1) It is the sense of the Congress that further withdrawal of ground forces of the United States from the Republic of Korea may seriously risk upsetting the military balance in that region and requires full advance consultation with the Congress.
