Grants.
12 USC 635i-3.
12 USC 635 note.

“SEC. 15. TIED AID CREDIT PROGRAM AND FUND.

“(a) **FINDINGS.**—The Congress finds that—

“(1) tied aid and partially untied aid credits offered by other countries are a predacious method of financing exports because of their market-distorting effects;

“(2) these distortions have caused the United States to lose export sales, with resulting losses in economic growth and employment;

“(3) these practices undermine market mechanisms that would otherwise result in export purchase decisions made on the basis of price, quality, delivery, and other factors directly related to the export, where official financing is not subsidized and would be a neutral factor in the transaction;

“(4) support of commercial exports by donor countries with tied aid and partially untied aid credits impedes the growth of developing countries because it diverts development assistance funds from essential developmental purposes; and

“(5) there should be established in the Bank a temporary tied aid program to target the export markets of those countries which make extensive use of tied aid or partially untied aid credits for commercial advantage for the purpose of facilitating the negotiation of a comprehensive international arrangement restricting the use of tied aid and partially untied aid credits for commercial purposes, and such program should be aggressively used until such an arrangement is established.

“(b) ESTABLISHMENT OF TIED AID CREDIT PROGRAM.—

“(1) IN GENERAL.—For the purpose of facilitating the negotiation of a comprehensive international arrangement restricting the use of tied aid and partially untied aid credits for commercial purposes, the Bank shall establish a tied aid credit program under which grants shall be made from funds available in the Tied Aid Credit Fund established under subsection (c)—

“(A) to supplement the financing of a United States export when there is a reasonable expectation that predacious financing will be provided by another country for a sale by a competitor of the United States exporter with respect to such export;

“(B) to supplement the financing of United States exports to foreign markets which are actual or potential export markets for any country which the Bank determines—

“(i) engages in predacious official export financing through the use of tied aid or partially untied aid credits; and

“(ii) impedes negotiations to eliminate the use of such credits for commercial purposes; or

“(C) to supplement the financing of United States exports under such other circumstances as the Bank may determine to be appropriate for carrying out the purposes of this section.

“(2) ADMINISTRATION OF PROGRAM.—The tied aid credit program shall be administered by the Bank—

“(A) in consultation with the Secretary of the Treasury and in accordance with the Secretary's recommendations on how such credits could be used most effectively and efficiently to promote the negotiation of a comprehensive international arrangement restricting the use of tied aid and partially untied aid credits for commercial purposes;

“(B) in cooperation with private financial institutions or entities, as appropriate; and

“(C) in consultation with the National Advisory Council on International Monetary and Financial Policies.

“(3) COORDINATION WITH OTHER EXPORT FINANCING.—Under the tied aid credit program, the Bank may combine grants from the Tied Aid Credit Fund with—

“(A) any guarantee, insurance, or other extension of credit provided by the Bank under this Act; Insurance.

“(B) any export financing provided by any private financial institution or other entity; and

“(C) any other type of export financing, in such manner and under such terms as the Bank determines to be appropriate, including combinations of export financing in the form of blended financing and parallel financing.

“(4) INFORMATION ON COUNTRIES WHICH ENGAGE IN OFFICIAL PREDACIOUS EXPORT FINANCING AND IMPEDE NEGOTIATIONS.—In order to assist the Bank to make the most efficient use of funds available for supplemental financing under paragraph (1)(B), the United States Trade Representative and the Secretary of Commerce may provide information on principal sectors and key markets of countries described in paragraph (1)(B) to the Bank, the Secretary, and the National Advisory Council on International Monetary and Financial Policies.

“(c) TIED AID CREDIT FUND.—

“(1) IN GENERAL.—There is hereby established within the Bank a fund to be known as the ‘Tied Aid Credit Fund’ (hereinafter in this section referred to as the ‘Fund’), consisting of such amounts as may be appropriated to the Fund pursuant to the authorization contained in subsection (e).

“(2) EXPENDITURES FROM FUND.—Amounts in the Fund shall be available for grants made by the Bank under the tied aid credit program established pursuant to subsection (b) and to reimburse the Bank for the cost of any tied aid credits authorized by the Bank during fiscal year 1986.

“(d) CONSISTENCY WITH ARRANGEMENT.—Any export financing involving the use of a grant under the tied aid credit program shall be consistent with the procedures established by the Arrangement, as in effect at the time such financing is approved.

“(e) AUTHORIZATION OF APPROPRIATIONS.—

“(1) IN GENERAL.—There is hereby authorized to be appropriated to the Fund for fiscal years 1987 and 1988, \$300,000,000. Except as provided in paragraph (2), such sums shall remain available until expended.

“(2) RESCISSION AUTHORITY.—

“(A) DETERMINATION BY PRESIDENT.—If the President determines that any amount appropriated to the Fund is not required to achieve the purpose of the Fund, the President shall transmit a special message of such determination to the Congress in the manner provided in section 1012(a) of the Impoundment Control Act of 1974.

“(B) SPECIAL MESSAGE.—Any message under this paragraph shall be treated as a special message under such section for purposes of such Act.

“(f) NONREVIEWABILITY.—No action taken under this section shall be reviewable by any court, except for abuse of discretion.

“(g) REPORT TO CONGRESS.—

“(1) REPORT REQUIRED.—Before the end of the 6-month period beginning on the date of enactment of this section and every six months thereafter, the Bank, in consultation with the Secretary, shall prepare and transmit a report on tied aid credits to the President of the Senate and the Speaker of the House of Representatives.

“(2) CONTENTS OF REPORT.—Each report required by paragraph (1) shall contain a description of—

“(A) the principal offers of predacious financing by foreign countries during the course of the previous 6 months;

“(B) steps taken by the United States to combat specific predacious financing practices of foreign countries;

“(C) any use by the Bank of the Tied Aid Credit Fund to match specific predacious financing practices of foreign countries and to initiate tied aid credit offers;

“(D) any additional steps the United States may take in the future to discourage use of predacious financing practices; and

“(E) any progress achieved in negotiations to establish a comprehensive international arrangement restricting the use of tied aid and partially untied credits for commercial purposes.

“(3) CONFIDENTIAL INFORMATION.—To the extent the Bank determines any information required to be included in the report under this subsection should not be made public, such information may be submitted separately on a confidential basis or provided orally, rather than in written form, to the Chairmen and ranking minority Members of the Committees of the Senate and the House of Representatives with jurisdiction over the subject matter of the report.

“(h) DEFINITIONS.—For the purpose of this section—

“(1) TIED AID AND PARTIALLY UNTIED AID CREDIT.—The terms ‘tied aid credit’ and ‘partially untied aid credit’ mean any credit which—

“(A) has a grant element greater than zero percent, as determined by the Development Assistance Committee of the Organization for Economic Cooperation and Development;

“(2) AUTHORITY TO MAKE PAYMENTS SUBJECT TO MINIMUM AMOUNT OF DIRECT LOAN AUTHORITY.—The authority to enter into commitments to make interest subsidy payments under paragraph (1) shall be effective for any fiscal year only if the aggregate principal amount of direct loans the Bank may obligate in such fiscal year is equal to or greater than \$700,000,000.
